Hey Fam!

Join us tomorrow from 12-5pm, the last and final day of the investment round, as we try to push our seed investment fund raising through the roof! We need to close out strong!

Hugh, Andy, & SPC will casually hangout online and answer any questions you guys may have about the investment, the mobile app, or anything in general.

Grab some beverages and some snacks!

Bare with us as we will probably just use a laptop and keep it casual.

Can't make it but want to invest? Here's the link: <https://wefunder.com/runnercity>

## Runner City is a Social Enterprise Changing the Game! 12 Days Until Investing Closes!

Hey Guys!

We are 12 days away and just shy of hitting the goal to make this dream a reality! Who can help us achieve what has never been done before; a Facebook Group page becoming a viable legitimate entity with its focus on operating as a Social Enterprise. What's a Social Enterprise you ask? Well, it's simply what we have done this whole time by empowering our community and small business to thrive. In the beginning many called us *The Social Delivery Club*.

Join the Runner City Investors Family by clicking this link: <https://wefunder.com/runnercity>

The infographic is on a teal background. At the top, it asks "What is a Runner City Social Enterprise?". Below this, three icons represent "mission" (three people with a heart), "service" (a person carrying a box), and "profit" (a hand dropping a coin into a pot). Each icon has a brief description: "Economic, Social, Cultural or Environmental mission aligned to build a community benefit.", "Provide services such as food delivery, odd jobs, errands, etc", and "Retained the majority of profits towards the fulfillment of our mission." At the bottom, a curved arrow points from "mission" to "profit" with the text "Financial & Social Value coexist" and the "RUNNER CITY" logo.

### Runner City Announces Joint Venture!

I am excited to announce that [SPC Property Services](#) has joined the Runner City family as an equal 1/3 partner. SPC specializes in the "odd jobs" category with services such as cleaning, painting, handyman fixes, and make ready needs for new renters/owners.

The strategic agreement will provide more capital, revenue profit sharing for our investors, and scalability. Here is the breakdown of what they are bringing to the table:

- \$100,000 Cash investment to the mobile app development process
- 1/3 Revenue profit share for all current and new investors that get in before this round closes. SPC gross \$800,000 in 2020 and on pace for \$1,500,000 in 2020. And they are profitable!
- More gigs for our Runners
- Resources such as CPA, Legal, and Property Management

How cool is that guys! ***Our investors will now receive returns from both Runner City & SPC!***

There is something special happening guys and it is all because of your loyalty and passion since we launched the page in March of 2020. This is happening!

Join the Runner City investors family today and GET IN EARLY on something special!

## Just shy of \$150,000!

**Runner City** <runnercityrequest@gmail.com> Mon, Oct 25, 10:32 AM

to bcc: Jonathan, bcc: Fawn, bcc: Roberto, bcc: Teresa, bcc: Sbhambha, bcc: paul, bcc: molinasuzetti, bcc: jasonandstephen, bcc: Aaron, bcc: Belindadepaz, bcc: meri, bcc: k

Good Morning!

We have already raised **\$147,044 from 158 investors in our initial pre-seed round** to create the MVP Mobile App, as part of our plan to expand our business. Here's the part that matters to you: our raise benefits the founders on our soon to be new platform.

Runner City shareholders are typically the most active users of our current Facebook Group service, meaning our raise helps expand the brand awareness of what we are currently doing to attract brand new curious investors. **We also encourage you to get your own friends and family involved.**

For **hitting these raising milestones**, WeFunder will provide and pay for significant advertising on social media, digital and newsletters, and that in turn brings value to the founders/investors by inviting new curious investors to join our investors family.

Also, the buzz we are receiving during this round is attracting new and bigger opportunities. **Formula 1 & the Texas Craft Brewers Fest** reached out to Runner City this last week to help staff their events last minute. And we did! And we crushed it!

We still have 3 weeks until this round ends! Let's keep climbing!

**Full of gratitude & ready to get to work for you,**  
Andy Kaminski/Founder

## Empowering Our Local Small Food Biz Community! Just shy of \$160,000 Raised

Runner City <runnercityrequest@gmail.com> Fri, Oct 29, 1:49 PM

to bcc: Jonathan, bcc: Fawn, bcc: Roberto, bcc: Teresa, bcc: Sbhabha, bcc: paul, bcc: molinasuzetti, bcc: jasonandstephen, bcc: Aaron, bcc: Belindadepaz, bcc: meri, bcc: k

TGIF & we are just shy of \$160,000! 🤪

Two weeks ago today, we launched an equity crowdfunding campaign to build a mobile app centered around empowering our community of Runners & local small food biz owners.

It's time to delete those fee gouging delivery apps that are crushing our fav local small eateries! Why & How you ask? Is it even possible? You bet your ass it is! We've been doing it for 18 months!

Did you know....

- 🚫 Hyper inflated food & supply costs are causing panic & disarray
- 🚫 Dependency on delivery apps are grossly gouging profits with commission fees (over 50% in most cases)
- 🚫 Customers are not ordering as much To-Go due to the outrageous delivery app fees (before tip included)
- 🚫 Staffing shortages do to all of this because profit losses at an all time high
- 🚫 Loyal employees are exhausted making low wages in bad working conditions with no health insurance for hard work due to all of this and in most cases they know the business is struggling

So we decided to go official and build the dream; the dream to empower the industry and eliminate their dependency on fee gouging delivery apps.

Our app takes over Austin Q1 of 2022 and then moves on to the next city.

What will our app do to positively empower the industry?

- ✅ Alleviate those gross fees so local biz keeps 100% of their profits
- ✅ Staffing increases because they will have more money
- ✅ Better wages because they will have more money
- ✅ Health insurance because they will have more money
- ✅ Better working conditions & morale because they will have more money
- ✅ MORE MONEY!!!! 🤪

Hey Runner City Investors Family!

**Who's going to push us over the \$100K mark? That would be such an accomplishment!**

The responses and inquiries over the past week have been bananas! The media storm will be next as we have many scheduled interviews to follow up with about when, where, and how Runner City will be launching an MVP Mobile App.

At this moment though, we are overwhelmed with gratitude to everyone who believed in Runner City, our team, and invested into the future to change the world for community gig workers.

If you are interested in joining the team of investors, here's the link - <https://wefunder.com/runnercity>

Stay tuned Friday for the email with the economical impact breakdown of how the Runner City platform will empower our community of local small biz food owners and gig workers.

Luv ya Fam!

\$90,000 raised in 3 days!

ICYM! we launched an equity crowdfunding pool (pre-seed) on Friday to help us become an official business entity and create/launch a mobile app, while keeping the 100% community aspect in alignment.

We announced the merger/partnership a few weekends ago with [Hugh Olson](#) & his [EDTG](#) group page to mobilize forces since we have like minded objectives to empower the community of gig workers and service industry.

Excited for [Penii Galindo Cook](#), [Raven Galindo](#), & [Kach Nava](#) who have dedicated their lives the last 12 months, pro bono, to this passion project. Now they will be able to provide their input and ideas throughout the process of the development of the new platform to make it bigger and better. We are starting from ground 0 but we already have had momentum for 18 months.

Have you ever heard of a Facebook Group page that became a success story? Well, here we are. Hop in and take a ride with us!

Join the Runner City investors family and own a piece of history.
