## Experience

### President

Next Thing Tech

Jan 2019 – Present · 3 yrs

San Francisco Bay Area

NTT has successfully launched products in hardware and computing. Today, Next Thing Technologies is building next generation batteries under its Next Bolt brand. These novel batteries are allowing you to not only save money on your energy bill, but are also part of creating energy independence, redundancy and a decentralized infrastructure.

### Head of Growth

Globelink

Feb 2020 – Jun 2021 · 1 yr 5 mos

San Francisco Bay Area

We are a mission driven fair trade entity doing as much as good as we can. Worked with team of talented people who all care about the mission of connecting artisans in remote areas of the world to the global economy. In 2019 we sourced from 43 countries, worked with 5479 artisans, and purchased over 351,128 different products from them all following Fair Trade protocols...see more

### Amit Patel

Director, Emerging Business Development at Lyft

May 12, 2009, Amit worked with Jason but at different companies

Jason is one of the more dynamic and creative people I've met in a long time. Along with being a great friend, he is also a very talented and capable entrepreneur. He possesses a wide range of knowledge in areas ranging from search engine optimization to networking. I'd recommend that anyone work with Jas... See more

### Christine Johanson

CEO of Iconoclast Entertainment

February 12, 2009, Christine worked with Jason but at different companies

Jason holds the keys to successful networking, is effervescent by nature and is a force to be reckoned with and one to admire for his creative marketing strategies and skills. I look forward to working with him in the future.
