Which brings us to our second feature film...

SÉANCE

We returned to Wefunder in 2022 with our second feature film, SÉANCE, a Victorian Gothic thriller.

Logline

A Victorian woman contemplating adultery is forced to take refuge from a storm at the home of her potential lover and his unstable wife, who claims to be haunted by their dead child.

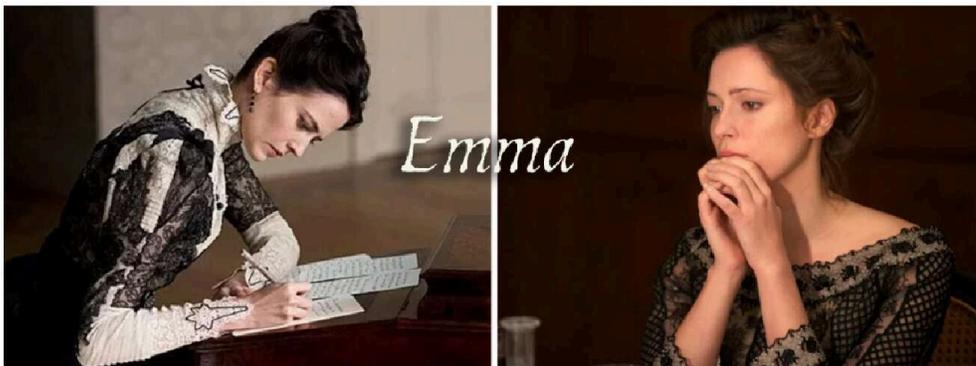

Setting

California. The seaside. 1892.

The Characters

"Emma" - A successful professional writer. Married to Albert, a slightly younger man and budding artist. Formerly married to George, on vacation with Albert by the seaside. Passionate, intelligent, a bit selfish, contemplating an affair with George.

"Albert" - A talented, yet unknown artist; his muse is his wife, Emma, a slightly older woman who very much "wears the pants" in the relationship and financially supports him. Intimidated by her, unable to satisfy her sexually, yet deeply in love with her, he desperately wants to fix their relationship. Slightly effeminate in appearance.

"George" - Emma's former husband, now married to Lillian. The father of Hazel, a three-year-old girl who died several months earlier in a drowning accident. Still in love with Emma and wants to be with her. Wealthy, handsome, charismatic, a man's man.

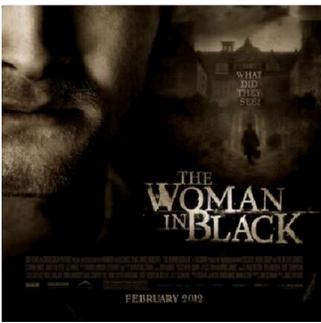

"Lillian" - George's wife, unable to forgive herself for the death of her daughter, Hazel. A traditional Victorian wife – pretty, delicate, still in the grieving process. Mentally unwell, a staunch believer in ghosts and spiritualism.

Tone

Mature, intelligent, psychological horror.

“I’ve always loved the Impressionist painters. The characters of Emma and Albert are artists, and I’m interested in exploring how the look of SÉANCE can be influenced visually by the way artists in the late 19th century interpreted the world around them...”

“...and it’s also an exploration of marriage. What binds two people together and what tears them apart?”

-Vivian Kerr, writer/director

IMDbPro STARMETER Top 5,000

CAST

Connor Paolo as ALBERT

Connor is best known for his series regular roles in TV dramas GOSSIP GIRL (The CW, 2007-2012) and REVENGE (ABC, 2011-15). After appearing as younger versions of Kevin Bacon's detective Sean in Clint Eastwood's Oscar-nominated thriller MYSTIC RIVER and Colin Farrell's titular king in historical epic ALEXANDER, he then reunited with director Oliver Stone when he played Nicolas Cage's son Steven McLoughlin in disaster drama WORLD TRADE CENTER. He most recently impressed on the big screen with his performances in Tyler Shields' tale of betrayal OUTLAW and in the horror film FRIEND REQUEST.

CAST

Jilon VanOver as GEORGE

He recently played leading roles in the thriller DEEP WOODS and in the television movie CROWN PRINCE OF CHRISTMAS. He also recently played "Sebastian" in 5 episodes of BETTER CALL SAUL. Other credits include AN AMISH MURDER, opposite Neve Campbell, and episodes of NCIS: LA, PSYCH, LAB RATS, and COLD CASE.

CAST

Vivian Kerr as LILLIAN

Vivian Kerr is an actor, writer, and director. Her first feature film, SCRAP, in which she played the lead role opposite Anthony Rapp (STAR TREK: DISCOVERY), Lana Parrilla (ONCE UPON A TIME), Beth Dover (ORANGE IS THE NEW BLACK), and Khleo Thomas (HOLES), had its world premiere at the 2022 Deauville-American Film Festival in France. Other work as an actor includes episodes of GREY'S ANATOMY, RIZZOLI & ISLES, SUPERSTORE, MASTERS OF SEX, CRIMINAL MINDS, NEW GIRL, CASTLE, FRANKLIN & BASH, and THE BOLD & THE BEAUTIFUL. She has a BA in Theatre from the University of Southern California.

Of all the scripts we could have chosen for our second feature film, *SÉANCE* rose to the top not only because its limited locations and cast size would allow us to produce an expensive-looking period piece for a modest budget, but also because, quite frankly, horror (or horror-adjacent) films sell really well!

SÉANCE's Journey Through Production

By summer 2022, we had secured the funds to go into production!

We filmed SÉANCE over 19 days in December 2022, and are just starting post!

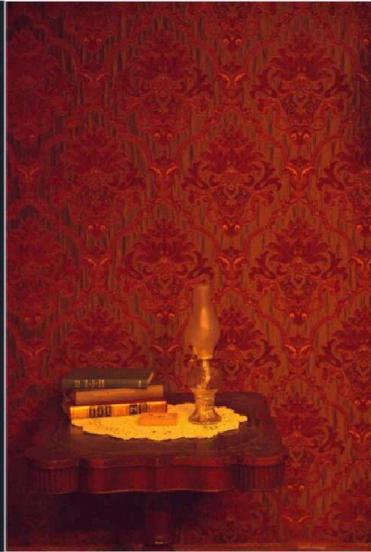

We expect to premiere the film in early 2024 and have it on VOD by late 2024.

A SNEAK PEEK AT PRODUCTION

We shot at three stunning historic homes all over Los Angeles...

...with sumptuous period piece detail...

...and beautiful costumes.

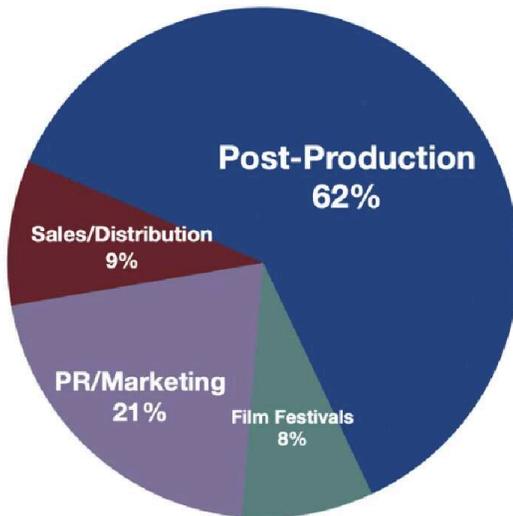

All shot by our incredible DP, Johanna Coelho...

...with an amazing lighting, sound, and grip team.

We are opening up a Round 2 on Wefunder to raise funds for additional Post-Production costs, as well as marketing and publicity so as to ensure a successful launch of the finished film.

The Terms

All of our current investment is under a Revenue Share Agreement, and we're offering those same terms to new investors!

Why? The film wouldn't exist without the backing of our Investors, so we want to make sure our Investors not only get a return on their Principal, but that they share in the film's profits long-term.

Once the film is in profit, each Investor first sees a return of 120% on Principal. The additional profit is split 40/60: 40% distributed to investors based on their pro-rata share, and 60% to Producers.

As Producers, we do not see any Profits under this Revenue Share Agreement until all investors have recouped their 120% of Principal. When the film succeeds, our Investors share in the rewards!

Why Invest in SÉANCE?

We consider our Investors long-term collaborators.

We want you to be involved in the life of this film, and hopefully on our future films produced by A Season of Rain!

All of our Investors receive our regular newsletter detailing the progress on the film (only Investors get to know the inside scoop!), film festival invitations, set visits, and other perks for being part of our projects!

Perks!

We also want to make sure our Investors on WeFunder are rewarded for investing in SÉANCE, so we have some awesome Perks available as our way of saying THANK YOU!
