Advisory Board Member

ENODO Global, Inc.

Jun 2016 – Present · 5 yrs 8 mos

Social Services

ENODO Global, Inc. is a risk advisory firm that utilizes a customized operating platform to understand complex social dynamics, forecast and mitigate community-based risks, and develop engagement strategies that establish enduring stakeholder relationships with communities. The operating platform uses ENODO's social alignment framework, population-centric methodology and predictive analysis methods to mitigate community risks associated with military operations, humanitarian assistance efforts, and economic development activities. ENODO's capabilities have been proven effective in combat operations in Afghanistan and civil society movements across the globe.

Professor - Corporate Ethics

Universidad Del Pacifico: Escuela de Negocios - Ecuador

Aug 1997 – Aug 2000 · 3 yrs 1 mo

Education

From 1997 – 2000 Content: Examine the moral obligation and corporate ethics of a professional that carries out the implementation process; including themes such as: ethical representation; the conscience in the decision making; the problem of loyalty; dissension and corporate performance. The primary preoccupation is, how institutional structures allow or curtail the moral decision making process. Translated the AICPA Code of Professional Conduct and the Foreign Corrupt Practice Act and taught both to over 28 University students (in Spanish).
