Tim!!! Hey man, I'm running out of videos to edit soon enough which means I'm gonna be able to come back to the office and harass you. hahaha. But for now, I know you mentioned once we are up and running with our campaign for Ramshackle that I tell you. I'm leaving you the link. Everything is on there. I'm also leaving a required message we leave after every post because it also pertains to what stage we're in right now. Basically in a nutshell, until we reach \$50,000, no money can be accepted. We need to prove to **Wefunder** that we can even get that much attention first. But anyways, I'll drop you a line next week so we can set up another shooting day. Thank you always for being so supportive and kind to me. I'll talk to you soon man.

Hey **John**. Here is the crowdfunding link for our live campaign! If anyone you know is interested, **EVERYTHING** is listed on the page. Who we are, what the movie is, investment returns and perks. Thank you so much for even looking at it. www.wefunder.com/last.straw.films They make us attach this legal statement at the end every time I share it. It basically is saying until we reach the 50,000 no money can be taken by us and if it's not met, all investments will be returned. Thank you so much for looking at this man! I'll send you some ideas for E3 asap.
