Experience

Atakama

Chief Revenue Officer

December 2019 - Present (2 years 10 months)

Greater New York City Area

Atakama is the pioneer in multifactor encryption, enabling unrivaled data protection through distributed cryptographic key management. Organizations rely on Atakama to protect their most sensitive data, even when identity and rules-based access controls fail. Atakama removes the conventional trade-off between data security and accessibility to protect data, simplify the user experience, and visualize data usage and security trends.
