Nathaniel

I am reaching out to share some exciting news from the Wine RayZyn Company, LLC. As a valued member of our community that has helped us get to where we are today, you are among the first folks we wanted to contact.

This week we have launched an investment crowdfunding round on WeFunder for Wine RayZyn, and we would love for you to make a reservation for an investment in the company. Our raise is currently in "testing the waters" mode while we finalize our legal paperwork and SEC filings. Initially, you will only be making your reservation - not transferring cash. Once we file everything in the coming weeks, you'll be able to confirm your investment through WeFunder. In general, there is no limit to the amount you can invest.

RayZyn has been able to successfully navigate through the pandemic and it is time to take our business to the next level by raising additional capital. Our team decided to launch a WeFunder campaign to allow friends and family like you to participate in this journey with us, and ultimately benefit from our future successes. One of the main benefits of our WeFunder campaign is that it allows anyone to become an investor in Wine RayZyn. RayZyn is excited as to how this equity crowdfunding will democratize the ownership of our company and mission.

To make this possible, we set up a website pitch with all the information you need to invest:

<https://wefunder.com/the.wine.rayzyn.company.llc.2>

Our campaign page is actively accepting reservations for individual investments as we speak, but the offering is not yet open to the general public, which is why you will see a countdown to the public offering. You can only access the page from the direct link provided above.

After reviewing the pitch via the above link, if you have any specific questions, I would be happy to set up a time to speak with you.

WeFunder's data shows that a strong start is incredibly important for a successful fundraising round. We would love your support to kick our raise off with a BANG!!

We look forward for you to become an investor in the Company. I know you have extensive contacts that may like to invest in something a little bit different, so please pass this around.

Cheers to "RayZyn Awareness", together!

Some necessary "testing the waters" disclosures: 1. No money or other consideration is being solicited. If sent, it will not be accepted, 2. No offer to buy securities will be accepted and no part of the purchase price will be received until a Form C is filed and only through WeFunder's platform, and 3. Any indication of interest involves no obligation or commitment of any kind.

Good Morning Dr. Imsais,

We would love for you to become a part of the Wine RayZyn family! Would you be available to speak this afternoon @ 5pm EST / 4pm CST? If this time works for you, what would be the best number for me to reach you?

Regarding the 25lbs bulk CabernayZyn, are you ok with RayZyn billing the credit card that we have on file for your account? This is the card ending in 5007 and the ship to address of 7035 Roy Street in Nola?

Thank you and look forward to our discussion soon.

Thank you for being a Wine RayZyn customer and we appreciate your willingness to provide a testimonial. Given your past patronage, RayZyn would like to offer you the opportunity to become a part of Wine RayZyn's investment family via our crowdfunding campaign through the WeFunder platform.

You can invest as little as \$250 or as much as you choose. RayZyn is excited as to how this equity crowdfunding will democratize the ownership of the company and with your help, achieve RayZyn's goal of creating an army of brand ambassadors for the company, while aligning the interests of all parties involved.
