İşkolig
Founder
December 2011 - June 2018 (6 years 7 months)
Istanbul, Turkey

İşkolig is a career platfom where people can find out any relevant information
about jobs and companies before making a career decision. Company reviews
of current or old employees, interview experiences and key questions, detailed
salary information per job title and office photos make İşkolig's database
unique and valuable. İşkolig focus on companies in Turkey and all information
are collected in Turkish.
