COO, Project Coordinator at Beeotto, LLC, the relaunch of America's First Nationwide Community of Small Business owners advertising agency. It is a subscription based advertising and marketing platform that provides turnkey services to 30 Million Mom and Pop Main Street shop owners. It offers small businesses access to the same digital and video advertising avenues (TV, Streaming, Websites, Social Media, Marketplace, emailing etc) at a very affordable cost, available to big business in one of 3 packaged plans. There is no learning curve for merchants, they simply fill out a questionnaire, sign and go back to running their business. We do the rest. As the original founder of BThrifty in 2008, extensive experienced in the digital ad space was gained and now applied to the new company Beeotto. BThrifty was the beta version for Beeotto. BThrifty in 2009, was valued at \$18,800,000.
