CEO & Co-Founder

ABC FinTech · Full-time
 Jul 2020 – Present · 1 yr 8 mos
 Chicago, Illinois, United States

ABC is democratizing commercial real estate investing. We believe that real estate investing should be simple & accessible, so we created a platform that lowers the barriers to entry and offers a seamless experience for Investors and unprecedented liquidity.

The value of our crypto tokens is not based on technology, speculation or FOMO (fear of missing out). Instead, the value of ABC Tokens is supported by a well-known & trusted hard asset: Commercial Real Estate. The best part? Marrying the two together (blockchain and CRE) creates the best of both worlds, i.e. commercial real estate, historically exclu: ...see more
