Independent Accountant's Review Report

The Board of Directors
Navarrete Hospitality Group, LLC
Houston, Texas

I have reviewed the accompanying financial statements of Navarrete Hospitality Group, LLC, which comprises the balance sheet as of December 31, 2021, and the related statement of income, changes in members' equity, and cash flows from the period then ended, May 21, 2021 ("inception") to December 31, 2021 and the related notes to the financial statements. A review includes primarily applying analytical procedures to management's financial data and making inquiries of company management. A review is substantially less in scope than an audit, the objective of which is the expression of an opinion regarding the financial statements as a whole. Accordingly, I do not express such an opinion.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement whether due to fraud or error.

Accountant's Responsibility

My responsibility is to conduct the review engagements in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the American Institute of Certified Public Accountants. Those standards require me to perform procedures to obtain limited assurance as a basis for reporting whether I am aware of any material modifications that should be made to the financial statements for them to be in accordance with accounting principles generally accepted in the United States of America. I believe that the results of my procedures provide a reasonable basis for our report.

I am required to be independent of Navarrete Hospitality Group, LLC, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements related to our reviews.

Accountant's Conclusion

Based on my reviews, I am not aware of any material modifications that should be made to the accompanying financial statements in order for them to be in accordance with accounting principles generally accepted in the United States of America.

The Company’s headquarters are located in Houston, Texas.

Navarrete Hospitality Group (NHG) is a business that will enter in a franchise agreement with the purpose of creating and operating a franchise of Handam BBQ (Handam Franchise Group, LLC), a Texas limited liability company, and will operate out of rented facilities in Katy, TX. The business will offer distinct Korean BBQ with an outstanding premium meat dish, and family-like atmosphere this concept is well known for its charcoal grilling,

Risks and Uncertainties

The Company's business and operations are sensitive to general business and economic conditions in the U.S. and worldwide. A host of factors beyond the Company's control could cause fluctuations in these conditions. Adverse conditions may include: public health epidemics or outbreaks, recession, downturn or otherwise, government policies. These adverse conditions could affect the Company's financial condition and the results of its operations.

During the next 12 months, the Company intends to operate largely with regulation Crowdfunding campaign, and additional debt and/or equity financing as determined to be necessary. There are no assurances that management will be able to raise capital on terms acceptable to the Company. If we are unable to obtain sufficient amounts of additional capital, we may be required to reduce the scope of our planned development, which could harm our business, financial condition, and operating results. The balance sheet does not include any adjustments that might result from these uncertainties.

Use of estimates

The preparation of financial statements is in conformity with the accounting principles generally accepted in the United States requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.
