Jake Davis

Chief Operating Officer, Mavidea Technology Group, LLC
Bloomington

Summary

I've always thought of myself as more of a coach than a player and have gravitated and grown into roles that involve more coaching and teaching.

Currently, I am the COO at Mavidea Technology Group where I lead and coach our team as they deliver awesome results for our customers.

I write a daily attitude email where I work to articulate my thoughts on the power of a positive attitude and outlook on life.
