International Catering Co.  
 Madison Area Technical College

### About

I am passionate about food and cooking. I operate a growing food business that includes a successful food cart and growing catering business. I have experience as a personal chef as well. I have overseen the growth of my business from a small food cart doing \$200,000 in revenue, to a multimillion dollar food service operation. Our growth continues as we move forward into corporate food service with our Office Cafe's, and our new ...see more
