Dharma Voyage

Executive Director

May 2009 - Present (13 years 6 months)

Dharma Voyage is an educational nonprofit dedicated to offering opportunities for creating powerful paths of personal mastery through a curriculum of both mind-body training and Zen-infused outdoor adventures.

Exploring the interchange of rowing and meditation as a dynamic Zen experience – incorporating rigorous martial arts and other awareness-based training into the art of rowing, while gaining ever more intuitive insight into meditation and the expansion of personal potential through inspirations gained in movement across the sea.
