(D) The Company's Business and Business Plan

Our Story

Create and build a place to go where the “cooks” and “servers” provide and present you with a Creole meal and drink in all its important and minute details. It was not enough that the table was

set and we ate well on Sundays. During the week, the before or after –school or –work meal was taken at home. Let us touch your senses. Hear, see, smell, feel, and taste the hospitality, fun, aromas, body, and flavors of delicious appetizing Creole fare.

- Spending many a days in the American – Cajun – Creole – Southern food fixin’ kitchens of Madears and Pops bungalow.
- Homebrewing and drinking good beers and mead.
- Cooking and eating good Creole food varieties, especially seafood, chicken, turkey, green or vegetable gumbo.
- With Madear’s brood of children, and more often than not, several of our friends, our neighbors from the church or parish, there were sometimes twenty or more in and out of Madear’s kitchen.

Our Mission

Bring together community and culture by providing a world-class neighborhood experience for people.

- Our people and culture are the foundation. The culture we have is atop the cultures that the craft beer industry shares: exhausting in the details, uncompromising in the quality, and unpretentious enough to not care if our shirts are untucked.
- Building place where people come together to share good conversation, Creole cooking, and craft libations is something we want and love to do!
- Operating a profitable contemporary, rustic Speakeasy Club, with a Blues, Hip-Hop, House, Jazz and Sports atmosphere filled with people, fellowship, love, music, themed events, Creole food, and craft beverages.

Wardell Glass Jr enjoys: brewing and drinking good libations, and cooking and eating good food varieties, especially Creole cuisine. For the last five years, he has brewed libations and drank responsibly (but of course) with his family and friends. Before he knew it, his life (and small galley kitchen) overflowed with brewery and cooking supplies, and lots of libations and food for his family and friends. Family and friends enjoy the speakeasy atmosphere with his pull-up home gatherings. He believes that this piece of culture can and will become something bigger; bringing diverse humans together for good conversation, fellowship, great brews and familiar food varieties. He made a personal investment to bring that culture to the community in an economic development opportunity to incubate a brewpub creating jobs and revitalizing the surrounding neighborhoods. Just like the speakeasies he has hosted at home; the spaces and products of his endeavors are being dedicated to family and friends, community, diversity, pairing familiar Creole food varieties with great crafted beverages.

As the QUAS LLC Business Development Director, Wardell, together with the Development Team, is responsible for developing and launching the QUAS BREWPUB operations in Hazel Crest, IL. As well, he presides over Member-Managers' meetings; directs day-to-day operations, and maintains

Naming

QUAS, what a name?!

- The abbreviated- and nick- name of the fictional character, Quasimodo - a protagonist - an advocate or champion of a particular cause or idea.
- A variant of the word KVAAS, which loosely defined stands for beer.
- Differentiated from all using Planet Benson 2 font/lettering and set on a glass bell tower mural.
- In use by the company since October 2018.
- We have a yearning for people to experience and live a great life.

Location

3380 W 183rd Street, Hazel Crest, IL 60429 – is a Grenoble Square Mall outlet, on the highly visible northeast corner of the 4-way, 4-lane stoplight intersection of Brentwood Drive and 183rd Street. QUAS Brewpub is poised to enter the market of brewpubs with community and public support, an excellent location, and a well-grounded business model. We will fill a gap in the local Brewpub scene that currently lacks any local competition. In addition, the family and friends QUAS, owner of the location, and community have expressed their excitement at having a Brewpub in the business community, which will equate to increased traffic and business as a whole. There is currently no immediate competition from other breweries, with the closest being 10 miles away, and we are all part of a brewers network. Hazel Crest 183rd Street corridor is a busy and moderate area, and QUAS has a location that is well-trafficked, easily accessible, and ample parking. May Madears' and Pops' favor be upon us.

- The building, built in the early 1970s functioned over the years as full service Denny's, Wag's, or American Pancake House franchised restaurant until it was abandoned in 2004. The property has been 100% vacant and unused since - suffering from functional obsolescence and neglect.
- Excellent Brewpub economic development opportunity within the Village of Hazel Crest Illinois, 183rd Street tax increment financing district.
- Grenoble Square is between two well populated residential communities: – the “Chateaux/Versailles” area between 179th and 183rd Streets and west of Kedzie Avenue – and – the “Dynasty Lakes” and “Village West” area south of 183rd Street between Crawford Avenue and Kedzie Avenue.
- QUAS will update and build-out to an approximate 6,000 sq ft pub attraction including a brew house, cellar, taproom, kitchen, and 237 seat – full service dining room.

If you do not affirmatively choose to invest, then your commitment will be cancelled, your funds will be returned to you, and you will not receive any securities.

(L) Price of the Securities

The Company is offering “securities” in the form of revenue sharing notes, which we refer to as “Notes.” The Notes are being offered at their face amount. For example, you will pay \$1,000 for a Note with a face amount of \$1,000.

(M) Terms of the Securities

Overview

The Company is offering “securities” in the form of revenue sharing notes, which we refer to as the “Notes.” The Terms of the Notes are set forth in the Revenue Share Agreement accompanying this Form C in Appendix A. Copies of the Note and Revenue Sharing Agreement are attached to this Form C.

Summary of Terms

Revenue Percentage ¹	0.75 - 12.5% ²
Payment Deadline	2025-12-31
Maximum Payment Multiple ³ - Early Investors - All Other Investors	2.1 x 1.6 x
Sharing Start Date	The first day after disbursement that the company has revenues greater than one (\$1) dollar
First Payment Date	The last day of the calendar quarter ending not less than 90 days after the Sharing Start Date
Seniority	Subordinated
Securitization	Unsecured
Accrual Rate	1.73%

¹ as defined in the note agreement included in Appendix A

² The rate of revenue sharing is calculated on a linear scale with a minimum rate of 0.75% and a maximum rate of 12.5% and is rounded to the nearest 1/10th percent. The final rate is based on the amount raised and is calculated after the offering has successfully closed. As the amount raised in the offering increases, the rate of revenue sharing increases. For example, a hypothetical offering could result in the following revenue sharing percentages, depending on the amount raised:

Amount Raised	Revenue Sharing Percentage
\$15,000	0.8%
\$73,750	3.7%
\$132,500	6.6%
\$191,250	9.6%
\$250,000	12.5%

³ To reward early participation, the investors who contribute the first \$10,000.0 raised in the offering will receive a 2.1x cap. Investors who contribute after \$10,000.0 has been raised in the offering will receive a 1.6x cap.

Your Right to Payments under the Note

Your right to payments under the Note is set forth in the Note, together with a separate document

called the Revenue Sharing Agreement. Copies of the Note and Revenue Sharing Agreement are attached to this Form C. Additionally, general terms are outlined below and in the Company's offering page.

Obligation to Contribute Capital

Once you pay for your Note, you will have no obligation to contribute more money to the Company, and you will not be personally obligated for any debts of the Company. However, under some circumstances you could be required by law to return some or all of a distribution you receive from the Company.

No Right to Transfer

You should plan to hold the Notes until maturity. The Notes will be illiquid (meaning you might not be able to sell them) for at least four reasons:

- The Revenue Sharing Agreement prohibits the sale or other transfer of Notes without the Company's consent.
- If you want to sell your Note the Company will have the first right of refusal to buy it, which could make it harder to find a buyer.
- Even if a sale were permitted, there is no ready market for Notes, as there would be for a publicly-traded stock.
- By law, for a period of one year you won't be allowed to transfer the Investor Shares except (i) to the Company itself, (ii) to an "accredited" investor, (iii) to a family or trust, or (iii) in a public offering of the Company's shares.

Security

The Notes are not secured by any assets of the Company or any assets of persons associated with the Company.

Modification of Terms of Notes

The terms of the Notes and the Revenue Sharing Agreement may be modified or amended with the consent of Investors holding 50% of the Notes, measured by the total amount outstanding under each Note.

Other Classes of Securities

Name of Security	Limited Liability Company Interests
Number of Shares Outstanding	N/A
Describe Voting Rights of These Securities, Including Any Limitations on Voting Rights	N/A
How these securities differ from the revenue sharing notes being offered to investors	Limited Liability Company Interests are an equity interest, whereas Revenue Sharing Notes are a debt obligation of the Company.

Dilution of Rights

The Company has the right to create additional classes of securities, both equity securities and debt securities (e.g., other classes of promissory notes). Some of these additional classes of securities could have rights that are superior to those of the Notes. For example, the Company could issue promissory notes that are secured by specific property of the Company.

The People Who Control the Company

Each of these people owns 20% or more of the total voting power of the Company:

Name of Holder	% of Voting Power (Prior to Offering)
Wardell Glass	51%

How the Exercise of Voting Rights Could Affect You

You will receive payments with respect to your Note only if the Company makes enough money to pay you, or, if the Company does not make enough money to pay you, if there is enough value in the collateral the Company pledged as security for the Notes.

The people with voting rights control the Company and make all the decisions about running its business. If they make good business decisions, it is more likely you will be paid. If they make poor business decisions, it is less likely you will be paid. For example, if they hire too many people and/or try to expand too quickly, the business could be harmed. The people with voting rights could also decide to file for bankruptcy protection, making it more difficult for you to be paid.

How the Notes are Being Valued

The Notes are being valued at their face value. We don't anticipate that we'll ever need to place a value on the Notes in the future.

(N) The Funding Portal

The Company is offering its securities through MainVest, Inc., which is a "Funding Portal" licensed by the Securities and Exchange Commission and FINRA. MainVest Inc.'s Central Index Key (CIK) number is 0001746059, their SEC File number is 007-00162, and their Central Registration Depository (CRD) number is 298384.

(O) Compensation of the Funding Portal

Upon successful funding of the Offering, the Funding Portal will receive as the "Revenue Securement Fee"; 3.0% of the amount of the Offering raised by In-Network Users of the Platform plus 9.0% of the amount of the Offering raised by all other investors. "In-Network Users" means a user of Mainvest.com who who have utilized the Company's specified in-network link on the Site.

(P) Indebtedness of the Company

The Company has no indebtedness outside of the debt the Company is expecting to raise through regulation crowdfunding on MainVest.

(Q) Other Offerings of Securities within the Last Three Years

The Company has not made any offerings with other third-party regulation crowdfunding companies in the past three years.

(R) Transactions Between the Company and “Insiders”

The Company has not entered into any business transactions, including stock Purchases, salaries, property rentals, consulting arrangements, guaranties, or other agreements with any individual identified in Section 227.201 (r)(1)-(4) of Regulation Crowdfunding during the 12 months preceding this Offering.

(S) The Company’s Financial Condition

QUAS LLC was established in October 2018 to substantially redevelop a commercial restaurant location and operate a QUAS Brewpub featuring a Creole style pre-fix and bar menu and homemade, crafted brews. Accordingly, there are limited financial statements and information for investors to review. When evaluating this investment opportunity, investors should consider factors outlined in the risk section as well.

Despite COVID-19 pandemic delays, QUAS LLC has achieved the following milestones:

- On November 25, 2019, we completed the purchase of a location in the Village of Hazel Crest, Illinois using QUAS LLC managing member capital contributions.
- On April 15, 2020, we entered a \$158K Economic Redevelopment Agreement to fund a portion of the site and building improvements from the Village of Hazel Crest 183rd Street Tax Increment Financing (“TIF”) District.
- On July 7, 2020, we obtained a permit for Interior Demolition substantially completed by September 2021.
- To date, QUAS LLC incurred and paid property taxes totaling \$138K, subject to its 2021 tax appeal and 2020 tax certificate of error, delayed by the Covid -19 pandemic, for tax years 2020 and forward.
- On May 25, 2021, we obtained a \$231K grant from the Small Business Administration, Restaurant Revitalization Fund to cover construction of a new, 4 – Season (outdoor) enclosure being attached to the existing structure and operating costs (i.e., property taxes) incurred to maintain the project as we recover from the COVID-19 pandemic.
- On September 30, 2021, the Department of the Treasury, Alcohol and Tobacco Tax and Trade Bureau granted permit to produce and package beer and wine at the location.
- On October 8, 2021, Onyx Architectural Services completed the Brewpub plan for approval by the Village of Hazel Crest.
- On February 25, 2022, the Village of Hazel Crest approved the Brewpub plan.

Historical financial performance is not necessarily predictive of future performance.

QUAS LLC forecasts the following QUAS Brewpub milestones:

- Although we may require additional funds from alternate sources, we expect the entirety of QUAS Brewpub’s fundraising will be made up of:

- Personal funds paid in by QUAS LLC members.
- Grant obtained from the Small Business Administration, Restaurant Revitalization Fund.
- Capital raised through Mainvest.
- Grant obtained from the Village of Hazel Crest 183rd Street Tax Increment Financing District.
- Obtain a General Building Permit and engage contractors to build-out the QUAS Brewpub plan to bring architectural appeal and revitalize the part of Hazel Crest at 183rd Street and Grenoble by the end of September 2022.
- Grand opening by the end of November 2022.
 - Obtain licenses and permits to operate a Brewpub to support brew house, fermentation cellar, kitchen, taproom, and dining room systems to deliver Creole cuisine and homemade crafted brews.
 - Hire 50 onsite employees to provide needed drink, food, and hospitality services in a first-class manner.
 - Generate significant foot traffic to host at least 450 patrons per week and be open 7 days per week.
- Achieve \$8M in annual revenues (or \$154K per week) to start from food, taproom, and club/packaged sales.
- Achieve \$1M in annual net profit by the end of 2023.

Financial liquidity

QUAS LLC has a low liquidity position due to deploying much of its cash for QUAS Brewpub's planning, development, and property upkeep. We expect our liquidity position to be moderate upon raising capital on Mainvest, deploying the capital to build-out, and filing for TIF grant reimbursements to start-up QUAS Brewpub operations.
