The "Discount Rate" is 85%.

The "Valuation Cap" is \$40,000,000.

See Section 2 for certain additional defined terms.

1. *Events*

(a) Equity Financing.

(i) If an Equity Financing occurs before this instrument terminates in accordance with Sections 1(b)-(d) ("First Equity Financing"), the Company shall notify the Investor of the closing of the First Equity Financing and of the Company's discretionary decision to either (1) continue the term of this Crowd Safe without converting the Purchase Amount to Units; or (2) issue to the Investor a number of Units of the CF Shadow Series of Standard Units sold in the First Equity Financing. The number of Units of the CF Shadow Series of such Standard Units shall equal the quotient obtained by dividing (x) the Purchase Amount by (y) the applicable Conversion Price (such applicable Conversion Price, the "First Financing Price").

(ii) If the Company elects to continue the term of this Crowd Safe past the First Equity Financing and another Equity Financing occurs before the termination of this Crowd Safe in accordance with Sections 1(b)-(d) (each, a “**Subsequent Equity Financing**”), the Company shall notify the Investor of the closing of the Subsequent Equity Financing and of the Company’s discretionary decision to either (1) continue the term of this Crowd Safe without converting the Investor’s Purchase Amount to Units; or (2) issue to the Investor a number of Units of the CF Shadow Series of the Standard Units sold in the Subsequent Equity Financing. The number of Units of the CF Shadow Series of such Standard Units shall equal to the quotient obtained by dividing (x) the Purchase Amount by (y) the First Financing Price.

In connection with the issuance of Standard Units or CF Shadow Series Units, as applicable, by the Company to the Investor pursuant to this Section 1(a), the Investor will execute and deliver to the Company all transaction documents related to the Equity Financing or Subsequent Equity Financing, as applicable; provided, that such documents are the same documents to be entered into with the purchasers of Standard Units sold in the Equity Financing or the Subsequent Equity Financing, as applicable, with appropriate variations for the CF Shadow Series Units and pursuant to Section 1(ii), if applicable.

(b) **Liquidity Event.**

(i) If there is a Liquidity Event before the termination of this instrument and before any Equity Financing, the Investor will, at its option, either (i) receive a cash payment equal to the Purchase Amount (subject to the following paragraph) or (ii) automatically receive from the Company a number of Units equal to the Purchase Amount divided by the Liquidity Price, if the Investor fails to select the cash option. In connection with this Section 1(b)(i), the Purchase Amount will be due and payable by the Company to the Investor immediately prior to, or concurrent with, the consummation of the Liquidity Event. If there are not enough funds to pay the Investor and holders of other Crowd Safes (collectively, the “**Cash-Out Investors**”) in full, then all of the Company’s available funds will be distributed with equal priority and pro rata among the Cash-Out Investors in proportion to their Purchase Amounts.

(ii) If there is a Liquidity Event after one or more Equity Financings have occurred but before the termination of this instrument, the Investor will, at its option, either (i) receive a cash payment equal to the Purchase Amount (as described in the foregoing paragraph) or (ii) automatically receive from the Company a number of shares of the most recent issued Units equal to the Purchase Amount divided by the First Financing Price, if the Investor fails to select the cash option. Shares of Units granted in connection therewith shall have the same liquidation rights and preferences as the shares of Units issued in connection with the Company’s most recent Equity Financing.

(c) **Dissolution Event.** If there is a Dissolution Event before this instrument terminates in accordance with Sections 1(a) or 1(b) and the Company is still a limited liability company, the Company will pay an amount equal to the Purchase Amount, due and payable to the Investor immediately prior to, or concurrent with, the consummation of the Dissolution Event. The Purchase Amount will be paid prior and in preference to any Distribution of any of the assets of the Company to holders of outstanding Units by reason of their ownership thereof. If immediately prior to the consummation of the Dissolution Event, the assets of the Company legally available for distribution to the Investor and all holders of all other Safes (the “**Dissolving Investors**”), as determined in good faith by the Company’s managers or board of directors, as applicable, are insufficient to permit the payment to the Dissolving Investors of their respective Purchase

Amounts, then the entire assets of the Company legally available for distribution will be distributed with equal priority and *pro rata* among the Dissolving Investors in proportion to the Purchase Amounts they would otherwise be entitled to receive pursuant to this Section 1(c).

However, if there is a Dissolution Event before this instrument terminates in accordance with Sections 1(a) or 1(b) where the Company has converted to corporation, subject to the preferences applicable to any series of Units, the Company will distribute its entire assets legally available for distribution with equal priority among the Investors, all holders of other Crowd Safes (on an as converted basis based on a valuation of Units as determined in good faith by the Company's board of directors at the time of Dissolution Event) and all holders of Units.
