- A. The Members wish to associate themselves as members of a limited liability company.
- B. The terms and conditions of this Agreement will govern the Members within the limited liability company.

**IN CONSIDERATION OF** and as a condition of the Members entering into this Agreement and other valuable consideration, the receipt and sufficiency of which is acknowledged, the Members agree as follows:

**Formation**

1. By this Agreement, the Members form a Limited Liability Company (the "Company") in accordance with the laws of the State of Washington. The rights and obligations of the Members will be as stated in the Washington Limited Liability Company Act (the "Act") except as otherwise provided in this agreement.

**Name**

2. The name of the Company will be Swell Watercraft LLC.

**Purpose**

3. Kayak Sales and Roto Molding plastic.

**Term**

4. The Company will continue until terminated as provided in this Agreement or may dissolve under conditions provided in the Act.

**Place of Business**

5. The Principal Office of the Company will be located at 4233 MERIDIAN ST STE 103 Bellingha, WA 98226 or such other place as the Members may from time to time designate.

**Capital Contributions**

6. The following is a list of all Members and their Initial Contributions to the Company. Each of the Members agree to make their Initial Contributions to the Company in full, according to the following terms:

<b>Member</b>	<b>Contribution Description</b>	<b>Value of Contribution</b>
James Marsh	Founder, GM, \$64000	\$500,000.00
Kerri Marsh	55000	\$250,000.00
American Estate & Trust Traditional IRA T1007753002 representing Thomas Marsh	196500	\$250,000.00

**Allocation of Profits/Losses**

7. Subject to the other provisions of this Agreement, the Net Profits or Losses, for accounting purposes, will be allocated between the Members in the following manner:

<b>Member</b>	<b>Profit/Loss Percentage</b>
James Marsh	55.00%
Kerri Marsh	22.50%
American Estate & Trust Traditional IRA T1007753002 representing Thomas Marsh	22.50%

8. Distributions to Members will be made in the same fixed proportions as the allocation of Net Profits or Losses described above.
9. No Member will have priority over any other Member for the distribution of Net Profits or Losses.

**Nature of Interest**

10. A Member's Interest in the Company will be considered personal property.

**Withdrawal of Contribution**

11. No Member will withdraw any portion of their Capital Contribution without the unanimous consent of the other Members.

**Liability for Contribution**

12. A Member's obligation to make their required Capital Contribution can only be compromised or released with the consent of all remaining Members or as otherwise provided in this Agreement. If a Member does not make the Capital Contribution when it is due, he is obligated at the option of any remaining Members to contribute cash equal to the agreed value of the Capital Contribution. This option is in addition to and not in lieu of any others rights, including the right

to specific performance that the Company may have against the Member.

### **Additional Contributions**

13. Capital Contributions may be amended from time to time, according to the business needs of the Company. However, if additional capital is determined to be required and an individual Member is unwilling or unable to meet the additional contribution requirement within a reasonable period, the remaining Members may contribute in proportion to their existing Capital Contributions to resolve the amount in default. In such case, the allocation of Net Profits or Losses and the distribution of assets on dissociation or dissolution will be adjusted accordingly.
14. Any advance of money to the Company by any Member in excess of the amounts provided for in this Agreement or subsequently agreed to, will be deemed a debt due from the Company rather than an increase in the Capital Contribution of the Member. This liability will be repaid with interest at such rates and times to be determined by a majority of the Members. This liability will not entitle the lending Member to any increased share of the Company's profits nor to a greater voting power. Repayment of such debts will have priority over any other payments to Members.

### **Capital Accounts**

15. An individual capital account (the "Capital Account") will be maintained for each Member and their Initial Contributions will be credited to this account. Any Additional Contributions made by any Member will be credited to that Member's individual Capital Account.

### **Interest on Capital**

16. No borrowing charge or loan interest will be due or payable to any Member on their agreed Capital Contribution inclusive of any agreed Additional Contributions.

### **Management**

17. Management of this Company is vested in the Members.

### **Authority to Bind Company**

18. Any Member has the authority to bind the Company in contract.

**Duty of Loyalty**

19. Any Member may invest in or engage in any business of any type, including without limitation, a business that is similar to the business of the Company whether or not in direct competition with the Company and whether or not within the established or contemplated market regions of the Company. Neither the Company nor any Member will have any right to that opportunity or any income derived from that opportunity.

**Duty to Devote Time**

20. Each Member will devote such time and attention to the business of the Company as the majority of the Members will from time to time reasonably determine for the conduct of the Company's business.

**Member Meetings**

21. A meeting may be called by any Member providing that reasonable notice has been given to the other Members.
22. Regular meetings of the Members will be held annually.

**Voting**

23. Each Member will be entitled to cast votes on any matter based upon the proportion of that Member's Capital Contributions in the Company.

**Admission of New Members**

24. A new Member may only be admitted to the Company with a majority vote of the existing Members, except in the case of a prospective member, the admission of which would render the Company ineligible to elect out of the application of the Tax Rules, in which case a unanimous vote of the existing Members will be required to admit that member.
25. The new Member agrees to be bound by all the covenants, terms, and conditions of this Agreement, inclusive of all current and future amendments. Further, a new Member will execute such documents as are needed to affect the admission of the new Member. Any new Member will receive such business interest in the Company as determined by a unanimous decision of the other Members.

**Voluntary Withdrawal of a Member**

26. A Member may not withdraw from the Company without the unanimous consent of the remaining Members. Any such unauthorized withdrawal will be considered a wrongful dissociation and a breach of this Agreement. In the event of any such wrongful dissociation, the withdrawing Member will be liable to the remaining Members for any damages incurred by the remaining Members including but not limited to the loss of future earnings.
27. The voluntary withdrawal of a Member will have no effect upon the continuance of the Company.
28. It remains incumbent on the withdrawing Member to exercise this dissociation in good faith and to minimize any present or future harm done to the remaining Members as a result of the withdrawal.

**Involuntary Withdrawal of a Member**

29. Events leading to the involuntary withdrawal of a Member from the Company will include but not be limited to: death of a Member; Member mental incapacity; Member disability preventing reasonable participation in the Company; Member incompetence; breach of fiduciary duties by a Member; criminal conviction of a Member; Operation of Law against a Member or a legal judgment against a Member that can reasonably be expected to bring the business or societal reputation of the Company into disrepute. Expulsion of a Member can also occur on application by the Company or another Member, where it has been judicially determined that the Member: has engaged in wrongful conduct that adversely and materially affected the Company's business; has willfully or persistently committed a material breach of this Agreement or of a duty owed to the Company or to the other Members; or has engaged in conduct relating to the Company's business that makes it not reasonably practicable to carry on the business with the Member.
30. The involuntary withdrawal of a Member will have no effect upon the continuance of the Company.

**Dissociation of a Member**

31. In the event of either a voluntary or involuntary withdrawal of a Member, if the remaining Members elect to purchase the interest of the withdrawing Member, the remaining Members will serve written notice of such election, including the purchase price and method and schedule of payment for the withdrawing Member's Interests, upon the withdrawing Member, their executor,

administrator, trustee, committee or analogous fiduciary within a reasonable period after acquiring knowledge of the change in circumstance to the affected Member. The purchase amount of any buyout of a Member's Interests will be determined as set out in the Valuation of Interest section of this Agreement.

32. Valuation and distribution will be determined as described in the Valuation of Interest section of this Agreement.
33. The remaining Members retain the right to seek damages from a dissociated Member where the dissociation resulted from a malicious or criminal act by the dissociated Member or where the dissociated Member had breached their fiduciary duty to the Company or was in breach of this Agreement or had acted in a way that could reasonably be foreseen to bring harm or damage to the Company or to the reputation of the Company.
34. A dissociated Member will only have liability for Company obligations that were incurred during their time as a Member. On dissociation of a Member, the Company will prepare, file, serve, and publish all notices required by law to protect the dissociated Member from liability for future Company obligations.
35. Where the remaining Members have purchased the interest of a dissociated Member, the purchase amount will be paid in full, but without interest, within 90 days of the date of withdrawal. The Company will retain exclusive rights to use of the trade name and firm name and all related brand and model names of the Company.

#### **Right of First Purchase**

36. In the event that a Member's Interest in the Company is or will be sold, due to any reason, the remaining Members will have a right of first purchase of that Member's Interest. The value of that interest in the Company will be the lower of the value set out in the Valuation of Interest section of this Agreement and any third party offer that the Member wishes to accept.

#### **Assignment of Interest**

37. A Member's financial interest in the Company can only be assigned to another Member and cannot be assigned to a third party except with the unanimous consent of the remaining Members.

38. In the event that a Member's interest in the company is transferred or assigned as the result of a court order or Operation of Law, the trustee in bankruptcy or other person acquiring that Member's Interests in the Company will only acquire that Member's economic rights and interests and will not acquire any other rights of that Member or be admitted as a Member of the Company or have the right to exercise any management or voting interests.

#### **Valuation of Interest**

39. In the event of a dissociation or the dissolution of the Company, each Member's financial interest in the Company will be in proportion to the following schedule:

James Marsh	55%
Kerri Marsh	22.5%
American Estate & Trust Traditional IRA T1007753002 representing Thomas Marsh	22.5%

40. In the absence of a written agreement setting a value, the value of the Company will be based on the fair market value appraisal of all Company assets (less liabilities) determined in accordance with generally accepted accounting principles (GAAP). This appraisal will be conducted by an independent accounting firm agreed to by all Members. An appraiser will be appointed within a reasonable period of the date of withdrawal or dissolution. The results of the appraisal will be binding on all Members. The intent of this section is to ensure the survival of the Company despite the withdrawal of any individual Member.
41. No allowance will be made for goodwill, trade name, patents or other intangible assets, except where those assets have been reflected on the Company books immediately prior to valuation.

#### **Dissolution**

42. The Company may be dissolved by a unanimous vote of the Members. The Company will also be dissolved on the occurrence of events specified in the Act.
43. Upon Dissolution of the Company and liquidation of Company property, and after payment of all selling costs and expenses, the liquidator will distribute the Company assets to the following

groups according to the following order of priority:

- a. in satisfaction of liabilities to creditors except Company obligations to current Members;

**Books of Account**

46. Accurate and complete books of account of the transactions of the Company will be kept in accordance with generally accepted accounting principles (GAAP) and at all reasonable times will be available and open to inspection and examination by any Member.
