Thank you to everyone who has been a part of our wefunder. We honestly couldn't do this without you all. We are so so close to our early wefunder goal. \$45,600 raised in less than 30 days. Absolutely phenomenal. We have a little more than a day left to hit our goal of \$50,000, at which point wefunder's algorithm kicks in and blasts us all over social media, puts us on the front page, and really gives the exposure we need. So anyone who could share our wefunder link and just help us get this last \$4,400! So close. If it were legal for us to put the money in we would lol
