We are 'testing the waters' to gauge investor interest in an offering under Regulation Crowdfunding. No money or other consideration is being solicited. If sent, it will not be accepted. No offer to buy securities will be accepted. No part of the purchase price will be received until a Form C is filed and only through Wefunder's platform. Any indication of interest involves no obligation or commitment of any kind.

MINWO Inc. is not a non-profit, but **#GivingTuesday** sounded like a great day to tell my LinkedIn community that we're testing the waters through **Wefunder** (see comments for more info).

It's my birthday and one of my wishes this year is to pay my US team full time salaries, but that requires funds.

So. Check out our Wefunder campaign and support if you believe in me and what I'm building at [MINWO Inc.](#) ❤️
