### OFFERING MEMORANDUM

(D) The Company's Business and Business Plan

The Team

Sarah Holland, Owner, Chef

Sarah Holland is an experienced baker, chef and industry professional. Her love of baking prompted her to study and graduate from The Restaurant School of Walnut Hill College with a degree in the science of pastry arts (2010).

Her journey is driven by science and its relationship with food. Her ambition to succeed pushed her to evolve and learn different approaches to cuisine. Utilizing the scientific approach, Sarah's dishes stand tall among the rest with bright flavors. She takes pride in using cooking and baking to create memories and experiences in her audiences.

Sarah's career has informed her knowledge and experience stretching from food truck management, to French pastry, to cheffing at a Mexican restaurant and everything in between!

Her appetite for her craft is on the rise, just like her bread!

Maddie Rumpf, Owner, Hospitality Expert

Since childhood, food has been Maddie's favorite way to show care to others. As a youngster, she cooked for others constantly and dreaming up restaurant concepts was a favorite pastime. Since then, she has worked for over 12 years in a variety of restaurants in Pennsylvania and in Chicago where she learned about different ways to balance cuisine and atmosphere to make something special.

Although Maddie loves to invent new dishes, her professional expertise is in managing front-of-house. She is currently the bar manager of a Mexican fusion restaurant in Exton. She creates cocktails, crunches the numbers, pairs food and beverage, helps plan events, and mentors the staff in providing excellent service. Her drive to care for others through food informs her approach to both customer service and employee management.

She believes that food, drinks, ambiance and service should be playful and exciting, and that a humble concept can push boundaries and have guests hungry for more.

Business Model

Our business model is two-fold:

- Our ovens will provide artisan sourdough bread to the many existing Phoenixville restaurants through commercial contracts, ensuring sales before customers even walk through the door.
- Our charming front-of-house will draw in guests both day and night for convenient breakfast or snacks like bagels and coffee, or dinner and drinks. They may also be tempted to take some bread home with them!

Our Mission

We are creating the city bakery and bar experience in the suburbs in a way that no existing Phoenixville pub has yet done: infusing freshness and innovation into that friendly, warm, "I-know-a-great-spot" feeling. Our streamlined bakery-to-pub concept ensures day time and nighttime sales. Above all, we offer enticing bread, carefully-crafted bites, inventive drinks, and a charming, funky atmosphere.

The Competition

While walking down Bridge Street, you might think you're seeing double.

- Bridge Street has an excess of the same types of venues: industrial-style breweries, sit-down bistros, and Irish pubs. In contrast, there are no bread bakeries and only one coffeehouse in town.
- This lack of variety offers an interesting niche to fill.
- Good Girls wants to bring something new to a town hungry for innovation. Our decor is cozy and inspiring, filled with twinkling lights, local art, and the aroma of freshly baked bread, and our food menu boasts seasonal and global dishes that can't be found elsewhere in town.

#### (K) Material Changes

In the event the issuer undergoes a material change, the Investor will be notified of such change. The investor will have five (5) business days from the receipt of such notice to reconfirm their investment. #### Explanation

A “material change” means a change that an average, careful investor would want to know about before making an investment decision. If a material change occurs after you make an investment commitment but before the Offering closes, then the Company will notify you and ask whether you want to invest anyway. If you do not affirmatively choose to invest, then your commitment will be cancelled, your funds will be returned to you, and you will not receive any securities.

#### (L) Price of the Securities

The Company is offering “securities” in the form of revenue sharing notes, which we refer to as “Notes.” The Notes are being offered at their face amount. For example, you will pay \$1,000 for a Note with a face amount of \$1,000.

## (M) Terms of the Securities

### Overview

The Company is offering “securities” in the form of revenue sharing notes, which we refer to as the “Notes.” The Terms of the Notes are set forth in the Revenue Share Agreement accompanying this Form C in Appendix A. Copies of the Note and Revenue Sharing Agreement are attached to this Form C.

### Summary of Terms

Revenue Percentage <sup>1</sup>	3.5 - 6.6% <sup>2</sup>
Payment Deadline	2028-12-31
Maximum Payment Multiple <sup>3</sup> - Early Investors - All Other Investors	2.0 x 1.6 x
Sharing Start Date	The first day after disbursement that the company has revenues greater than one (\$1) dollar
First Payment Date	The last day of the calendar quarter ending not less than 90 days after the Sharing Start Date
Seniority	Subordinated
Securitization	Unsecured
Accrual Rate	1.86%

<sup>1</sup> as defined in the note agreement included in Appendix A

<sup>2</sup> The rate of revenue sharing is calculated on a linear scale with a minimum rate of 3.5% and a maximum rate of 6.6% and is rounded to the nearest 1/10th percent. The final rate is based on the amount raised and is calculated after the offering has successfully closed. As the amount raised in the offering increases, the rate of revenue sharing increases. For example, a hypothetical offering could result in the following revenue sharing percentages, depending on the amount raised:

Amount Raised	Revenue Sharing Percentage
\$80,000	3.5%
\$97,500	4.3%
\$115,000	5.0%
\$132,500	5.8%
\$150,000	6.6%

<sup>3</sup> To reward early participation, the investors who contribute the first \$80,000.0 raised in the offering will receive a 2.0x cap. Investors who contribute after \$80,000.0 has been raised in the offering will receive a 1.6x cap.

### Your Right to Payments under the Note

Your right to payments under the Note is set forth in the Note, together with a separate document

called the Revenue Sharing Agreement. Copies of the Note and Revenue Sharing Agreement are attached to this Form C. Additionally, general terms are outlined below and in the Company's offering page.

#### Obligation to Contribute Capital

Once you pay for your Note, you will have no obligation to contribute more money to the Company, and you will not be personally obligated for any debts of the Company. However, under some circumstances you could be required by law to return some or all of a distribution you receive from the Company.

#### No Right to Transfer

You should plan to hold the Notes until maturity. The Notes will be illiquid (meaning you might not be able to sell them) for at least four reasons:

- The Revenue Sharing Agreement prohibits the sale or other transfer of Notes without the Company's consent.
- If you want to sell your Note the Company will have the first right of refusal to buy it, which could make it harder to find a buyer.
- Even if a sale were permitted, there is no ready market for Notes, as there would be for a publicly-traded stock.
- By law, for a period of one year you won't be allowed to transfer the Investor Shares except (i) to the Company itself, (ii) to an "accredited" investor, (iii) to a family or trust, or (iii) in a public offering of the Company's shares.

#### Security

The Notes are not secured by any assets of the Company or any assets of persons associated with the Company.

#### Modification of Terms of Notes

The terms of the Notes and the Revenue Sharing Agreement may be modified or amended with the consent of Investors holding 50% of the Notes, measured by the total amount outstanding under each Note.

#### Other Classes of Securities

Name of Security	Limited Liability Company Interests
Number of Shares Outstanding	N/A
Describe Voting Rights of These Securities, Including Any Limitations on Voting Rights	N/A
How these securities differ from the revenue sharing notes being offered to investors	Limited Liability Company Interests are an equity interest, whereas Revenue Sharing Notes are a debt obligation of the Company.

## Dilution of Rights

The Company has the right to create additional classes of securities, both equity securities and debt securities (e.g., other classes of promissory notes). Some of these additional classes of securities could have rights that are superior to those of the Notes. For example, the Company could issue promissory notes that are secured by specific property of the Company.

## The People Who Control the Company

Each of these people owns 20% or more of the total voting power of the Company:

Name of Holder	% of Voting Power (Prior to Offering)
Madison Rumpf	50%
Sarah Holland	50%

## How the Exercise of Voting Rights Could Affect You

You will receive payments with respect to your Note only if the Company makes enough money to pay you, or, if the Company does not make enough money to pay you, if there is enough value in the collateral the Company pledged as security for the Notes.

The people with voting rights control the Company and make all the decisions about running its business. If they make good business decisions, it is more likely you will be paid. If they make poor business decisions, it is less likely you will be paid. For example, if they hire too many people and/or try to expand too quickly, the business could be harmed. The people with voting rights could also decide to file for bankruptcy protection, making it more difficult for you to be paid.

## How the Notes are Being Valued

The Notes are being valued at their face value. We don't anticipate that we'll ever need to place a value on the Notes in the future.

## (N) The Funding Portal

The Company is offering its securities through MainVest, Inc., which is a "Funding Portal" licensed by the Securities and Exchange Commission and FINRA. MainVest Inc.'s Central Index Key (CIK) number is 0001746059, their SEC File number is 007-00162, and their Central Registration Depository (CRD) number is 298384.

## (O) Compensation of the Funding Portal

Upon successful funding of the Offering, the Funding Portal will receive as the "Revenue Securement Fee"; 3.0% of the amount of the Offering raised by In-Network Users of the Platform plus 9.0% of the amount of the Offering raised by all other investors. "In-Network Users" means a user of Mainvest.com who who have utilized the Company's specified in-network link on the Site.

## (P) Indebtedness of the Company

The Company has no indebtedness outside of the debt the Company is expecting to raise through regulation crowdfunding on MainVest.

#### (Q) Other Offerings of Securities within the Last Three Years

The Company has not made any offerings with other third-party regulation crowdfunding companies in the past three years.

#### (R) Transactions Between the Company and “Insiders”

The Company has not entered into any business transactions, including stock Purchases, salaries, property rentals, consulting arrangements, guaranties, or other agreements with any individual identified in Section 227.201 (r)(1)-(4) of Regulation Crowdfunding during the 12 months preceding this Offering.

No operating history

Good Girls Bread and Beverage was established in August 2021. Accordingly, there are limited financial statements and information for investors to review. When evaluating this investment opportunity, investors should consider factors outlined in the risk section as well. We have done successful pop-up operations out of ghost kitchens. One being a massive bread sale including pretzels, bagels, jams and spreads. We also did a Holiday cheese board sale. All of these were done from scratch with our brand and only online sales.

Other outstanding debt or equity

As of April 2022, Good Girls Bread and Beverage has debt of \$0 outstanding. We have already attained majority of the kitchen equipment, plate ware and silverware. We have great momentum and drive. Everything we have done has been with our own money and we're about halfway there. We need to finish outfitting our space with basic construction and purchase furniture.

INVESTORS MAY CANCEL THEIR INVESTMENT FOR ANY REASON UNTIL FORTY EIGHT (48) HOURS PRIOR TO THE OFFERING CLOSE DATE. IF AN INVESTOR DOES NOT CANCEL THEIR INVESTMENT PRIOR TO 48) HOURS TO THE OFFERING CLOSE DATE THEN THE INVESTOR MAY ONLY CANCEL THEIR INVESTMENT IN THE EVENT OF A MATERIAL CHANGE WHICH REQUIRES AFFIRMATIVE RECONFIRMATION OF THEIR INVESTMENT.
