BUSINESS MODEL

Historically, Stonehedge has earned revenue through its programming activities and through private rentals for weddings and other private events. This activity was supplemented by an artisan's gift shop.

With the passing of the original co-founder in late 2018, the last 3 years (2019-2022) have been spent restoring the physical infrastructure and establishing a new organizational structure to enable Stonehedge to realize its full potential as a holistic learning center.

Stonehedge Gardens, Inc., the non-profit that was established in 1998, will continue to develop cutting-edge holistic programming through a revenue sharing agreement with Stonehedge PBC. In addition to holistic programming and events, Stonehedge PBC will expand the overall visitor experience by offering a natural food cafe, a co-working space, expanded glamping/camping operations and an expanded retail store. A more detailed description of these profit centers is presented below.

RETAIL SHOP / WELCOME CENTER

The artisan's shop / general store will also serve as a welcome center and meeting place for Stonehedge.

- The shop carries a variety of hand-crafted creations by local artists, local farm products (including honey from bees on our property!), and other items related to our mission, such as books, candles, incense & crystals.
- A memorial library highlighting the art and books of the original owners will be created in space adjacent to the shop

Natural Food Cafe

Investment in a commercial kitchen and entering a partnership with a well-known local natural food restaurant will allow us to accomplish our vision of a local, organic and seasonal cafe with indoor and outdoor dining.

- Cafe will also be a co-working space during the week and an event space on weekends for small concerts and open mics
- An outdoor cooking & dining space with a wood-fired pizza oven will also be a part of the future plans for the cafe
- The cafe operation will be supported by the local community, weekend workshops and

events, weekday co-working space; catering to weddings and private events and to campers and glampers

Glamping

Investment in glamping structures and in composting toilet and other supporting facilities will allow us to establish a small glamping operation to support weekend retreats and overnight stays for private events.

- Letter of Intent signed for joint venture to establish 15-20 glampsites
- Glamping options will include canvas tents, geodesic domes and a converted school bus
- Glamping is extremely popular and is expected to grow at an annual rate of 11%, growing the market from \$2.5 billion in 2022 to nearly \$6 billion in 2030

To the extent a Preferred Dividend is paid, it shall be calculated with reference to the Original Issue Price (as adjusted for any future stock dividends, combinations, splits, recapitalizations, and the like). For each fiscal year, the target Preferred Dividend ("Target Dividend") shall be five percent (5%) of the Original Issue Price. For each fiscal year, unless each Preferred Shareholder receives the Target Dividend, no dividend shall be paid or declared on any Common Stock. In any year in which the Preferred Shareholders receive the Target Dividend and the Common Shareholders receive a per share dividend equal to that received by the Preferred Shareholders, Preferred Shareholders shall fully participate in any additional dividends paid to the Common Shareholders on a per share basis.

Redemption by Shareholder	Following the fifth anniversary of the issuance of any share of Preferred Stock, the holder of such share may request redemption of such share at a per share price equal to the Original Issue Price. Any merger or consolidation involving the Company (unless stockholders of the Company own a majority of the voting power of the surviving or acquiring entity) or any sale, lease, transfer, exclusive license or other disposition of all or substantially all of the assets of the Company will be considered a liquidation triggering payment of the foregoing amounts.

Conversion	Shares of Preferred Stock will be convertible into shares of Common Stock only if (a) requested by the holder of such shares of Preferred Stock and (b) approved in writing by the Company in its sole discretion. The conversion ratio shall initially be 1:1. The conversion ratio shall be appropriately adjusted in the case of any stock split or combination or other similar event.

However, under some circumstances you could be required by law to return some or all of a distribution you receive from the Company.

- The Subscription Agreement prohibits the sale or other transfer of Notes without the Company's consent.
- If you want to sell your Preferred Stock the Company will have the first right of refusal to buy it, which could make it harder to find a buyer.

(S) The Company’s Financial Condition

Stonehedge Gardens was founded as a partnership between Don Herring and Russell Keich from 1966 until 1992 when Don passed away. Russell then operated Stonehedge as a sole proprietor until 1998, when Stonehedge Gardens, Inc. was established. Stonehedge Gardens, Inc. is a 501(c)3 non-profit organization. Stonehedge Gardens, Inc. is still in operation, focusing on the diverse programming that takes place on the grounds of Stonehedge.

Stonehedge LLC was established in 2015 and currently owns the 21.5 acre property known as Stonehedge. The current Members of Stonehedge LLC are Richard Lane, Thomas Moroz and Stonehedge Public Benefit Corporation (PBC).

Stonehedge PBC (the "Company" or "Stonehedge") is a newly established entity formed for the purpose of conducting the operating activities at the property at 51 Dairy Road. Stonehedge PBC has a 1/3rd ownership interest in Stonehedge LLC and entered into a long-term property

management agreement with Stonehedge LLC in 2022. We note that as of the filing of the Form C, the Company did not yet have operations, other than the ownership stake in Stonehedge LLC. Therefore, we have largely considered the financial condition of Stonehedge LLC along with the condition of Stonehedge PBC in our discussion of financial condition.

As a result of the passing of the last of the original co-founders of Stonehedge in late 2018 and due to the COVID pandemic, the last 3 years (2019-2022) have been a period of restructuring of both the physical and organizational structures of Stonehedge with very little operating activity taking place aside from a few small events and private rentals.

Stonehedge LLC's revenue was \$18,811 in 2021 and \$3,454 in the prior year. Stonehedge LLC's operating expenses in 2021 were \$73,788 and \$40,876. The majority of operating expenses in both years were associated with reorganizing the Stonehedge structures and the establishment of Stonehedge PBC. As a result of this focus on non-operating activity, Stonehedge LLC had negative profits in both 2020 and 2021 at (\$47,548) and (\$66,428), respectively.

We note that Stonehedge LLC's liquidity position is tight, with total current assets at 12/31/2021 at \$2,515 compared to current liabilities of \$55,852, though a bulk of the current liabilities (\$30,262) are amounts due to the current owners of Stonehedge LLC.

As of 12/31/2021, Stonehedge LLC has real estate and capital improvements of \$248,187, which have largely been financed with a mortgage, which has a 12/31/2021 balance of \$155,704.
