We are "testing the waters" to gauge investor interest in an offering under Regulation Crowdfunding. No money or other consideration is being solicited. If sent, it will not be accepted. No offer to buy securities will be accepted. No part of the purchase price will be received until a Form C is filed and only through Wofunder's platform. Any indication of interest involves no obligation or commitment of any kind.

We are taking the "we" to go global and we're not a company under Regulation Crowdfunding. No money or other consideration is being solicited. If any it will not be a capital raise. No offer to buy securities will be a capital raise. No part of the purchase price will be received until a Form C is filed or only through WeFunder's platform. Any solicitation of interest requires coordination or consent of a proxy solicitor.
