Great to see you last night Felipe! I have verified the paperwork does not call for any of your children, I'm so sorry that didn't work out for you. :P Just go on the site and hit reserve.

We are 'testing the waters' to gauge investor interest in an offering under Regulation Crowdfunding. No money or other consideration is being solicited. If sent, it will not be accepted. No offer to buy securities will be accepted. No part of the purchase price will be received until a Form C is filed and only through Wefunder's platform. Any indication of interest involves no obligation or commitment of any kind.

Awesome, thanks man! We'll go public next Wednesday, with you and a couple of others we should have \$110k-ish, which is perfect so Wefunder will retarget people who visit our site and we can dial in marketing.

Hey can you go back in and reserve the funds? Click invest and if you choose wire transfer that's all you have to do you don't have to finish the investment. We can handle that later. We wanna get to that \$100k

Hey really sorry I have one more ask. Wefunder site is weird and you have to reserve the \$25k for it to show up in the totals. I see you accepted the leave investor invite and indicate the amount there, but that doesn't show up in totals. If you log-in and click 'invest' and say you'll wire the money, you don't have to do anything else. It'll reserve that amount for you until you're ready to fund. Hoping to go public Wednesday. Thanks!
