Mario's VOUCH Request (Native Wefunder tool)

Viv and I could use your help. Can we ask for a favor? We need some friends to vouch for us and help give other potential investors insights into who we are. Ideally, tell a story that showcases our character, grit, intelligence, drive, passion, or raw potential. Or speak to the quality and value of FlyMSG.

Using Wefunders INVITE TO INVEST Friends

Here is the "personal message being added":

It's time, FIRSTNAME!!! We are making it happen. I'd love you to be one of our investors in Vengreso 2.0 and the future of productivity. We are in the exclusive friends and family round ending in a few more days. Investors can place their reservation for as little as \$100 or as much as... Oh, and you know all of that same great digital sales prospecting training we have? It's not going away, we are adding it to FlyMSG as a sales professional plan option soon! Take a look at the investor perks. Questions? Please drop them on the Q&A board. Will you help me out with placing a reservation even if it's only for \$100?

Hey FIRSTNAME!

I am so excited to enter this next phase in our fundraising efforts and we have decided to raise a portion of our funds with crowdfunding! And we're inviting you to invest in the new Vengreso.

Check out our Wefunder pitch to see the details and invest! That's right, investing in start-ups isn't just for the small group of millionaire angel investors anymore!

Can I count on you to support us with as little as a \$100 reservation or...
