We're going live in just a few hours.

If you've been watching Azure Printed Homes — or considering investing — this is your opportunity to connect directly with our leadership team.

We'll discuss:

- Why traditional construction is broken
- How 3D printing changes the economics of housing
- What we've built so far
- What this raise enables next

And most importantly — we'll answer your questions live.

This is your final call to register. We look forward to seeing you there: [https://lnkd.in/eY\\_abKfX](https://lnkd.in/eY_abKfX)
