Chairman Of The Board at The Lone Soldier Center in memory of Michael Levin

March 29, 2011, Eric worked with Dan but on different teams

I first met Dan in December 1999 while he was CTO and interim VP Engineering at Internet Travel Network, the company that he co-founded. We collaborated frequently after I came on board the company and soon after became personal friends.

Dan and I worked closely and constantly for approximately the past 3 years for establishing a team of pre-eminent ocean scientists and international policy experts dedicated to sequestering carbon, so critical to the health of our planet, via ocean physical and biogeochemical processes. Dan is a leader by example, which for a non-scientist is quite remarkable amongst this austere group of senior s ...see more
