Joshua Bullock

President and Creative Director at Boom Animation and CPO for Playwatch Inc.

Indianapolis

Summary

I worked for Smashbits Animation House in Evansville, Indiana. I had worked for the company for 2 years where I produced multiple short animations for various client Youtube channels such as Arcade Cloud. Our client base is comprised of companies like Machinima, Omnia Media, Disney XD, Wild Brain etc. I have also created a pilot called Uniforce and the pilot was entered in the Sundance Festival for 2017. I have experience as a character designer and rig artist and was the art director for a project called Brum which is through our client Wild Brain. I also have a Youtube channel called Skylegend Animation. The channel currently sits at over 8 million views with a subscriber base of over 60,000 subscribers. During this channel's lifetime, I have produced parody content as well as original work. I have also worked with various Youtubers on certain videos.
