Your support gives us an audience and having an audience gives a film power. Our only goal is to make a great movie, but this is the film "business" and what we've done in 2021 is get the business side figured out. In 2022, we're finally going to make this fucking film and it's going to be because of YOU!

We hope everyone has a happy and safe new year! And Let's Fucking Go!

Until then have a laugh at this outtake featuring an adorable baby, a terrible actor that can't remember his two lines, and poor parenting which my son will definitely hate me for when he gets older
