Recognition:

West Coast Pretzels Inc. (DBA West Coast Pretzels) started when the founder, Kevin Bricklin, decided to make the soft pretzels he had been able to find after moving to Los Angeles over 30 years ago. After two years of research that included befriending a German Master Baker and a 2nd generation soft-pretzel baker who owns a soft-pretzel bakery in Philadelphia, he developed a recipe and a process for making an authentic Philly style pretzel—without actually being in Philly. He made soft-pretzels almost every weekend and everyone who tried them said that he should sell them. He got my food handlers certificate, started a CFO (cottage food operation) out of his home and created a website to take orders and deliver fresh baked pretzels on the weekend. After 2 years he has grown the business and now operates a 1,400 sq ft commercial/retail bakery with a pick-up window.

They operate a 1,400 sq ft commercial/retail bakery with a pick-up window.
