Recognition:

Wellness Sushi, LLC (DBA Wellness Sushi) is the lone Colorado restaurant to make Yelp’s Top Places to eat in the United States, coming in at No. 73. Executive sushi chef Steven Lee and his wife opened their first 166-square-foot pilot store in September 2021. They quickly outgrew it and eventually expanded into the current flagship store that opened last November. Combining Southeast Asian roots with many years working as an experienced sushi chef, they wanted to recreate forward-thinking, delicious, and healthy Japanese menus regardless of a person's diet.

About:

Wellness Sushi, LLC (DBA Wellness Sushi) is redefining authentic flavors using honest and healthy ingredients. Their goal is to constantly create an accessible, robust, and delicious plant-forward menu. They are the only eatery statewide to seize a spot on Yelp’s 2023 Top 100 places to eat list.
