Summary

Stockbauer & Associates LLC provides CFO, COO, Strategic, Advisory and Mentoring guidance to consumer products brands focusing on the apparel and hard goods industries (outdoor, winter and active lifestyle industries), retail, the alcohol beverage industry and the food industry. I am a seasoned business executive with significant brand expertise in operations, finance, administrative and alcohol compliance issues. I have worked as a “C” level employee and consultant with brands ranging from start-ups to ones with multi-national operations. I understand the idiosyncratic personalities of both start-ups and multi-national operations and how the operations affect the financial situation of building a brand and how the financial situation of a brand affects its operations.
