Мы запустились на WeFunder 🚀

В жизни стартапа BeAKid, где я работаю, настал день X. Мы стартовали краудфандинг кампанию на WeFunder. Планируем поднять инвестиции через сообщество родителей и ангел-инвесторов.

Инвестировать

ВеАКіd это маркетплейс, который позволяет родителям найти, оценить, сравнить, забронировать и оплатить внешкольные активности для детей. Кружки программирования, спортивные секции, летние лагеря всё это наша специализация.

Сейчас фокусируемся на рынке U.S. Хотя уже одной ногой в Канаде и Австралии. Партнеримся с Lego League, которые по всему миру.

Beakid в цифрах:

- 🏢 В базе 150,000+ детских кружков, секций и лагерей
- <u>L</u> Процессировали \$2M+ GMV (Gross Merchandise Volume)
- . Провели 10,000+ индивидуальных регистраций
- § \$130В рынок для детских активностей в US, который в данный момент фрагментирован и не имеет лидера

Буду благодарен, если вы поделитесь с теми, кто может проинвестировать — было бы круто запустить волну.

Инвестировать может любое физическое лицо. Квалифицированным инвестором быть не нужно.

Where they found you?

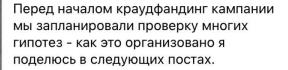

Why did you invest in them?

Any information would be amazing and greatly appreciated.

Первые инвестиции с WeFunder 💰

Сразу после запуска начала работать гипотеза через Linkedin.

Мы собираем контакты (Linkedin, Emails) ангел-инвесторов, которые уже инвестировали на WeFunder.

С начала мая отправили 460 запросов на коннект (по 25 в день). 130 одобрили заявку. С десятками завели переписку. 2 проинвестировали.

Запрос на коннект:

Melissa hi. This is Daniel from Techstars Boston 2022. I found you on WeFunder. Congrats on investing in SmartGurlz! Would love to connect.

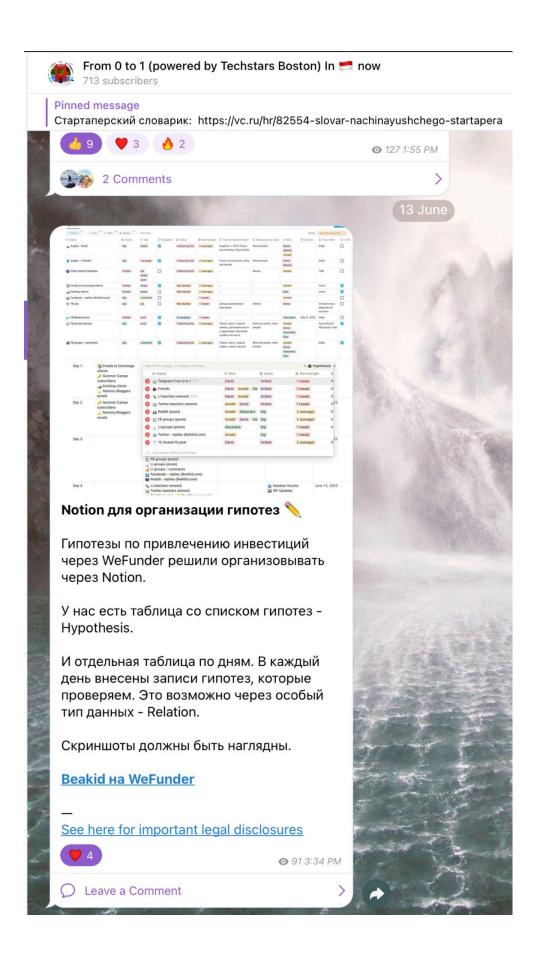

Мы не просим их инвестировать. Мы задаем им вопросы и просим обратную связь по нашей кампании. См. скриншоты.

We are building a marketplace — BeAKid. It's a platform that will change the world of after-school activities and camps, make parents' life easier and childhood more enjoyable.

Even if you don't have kids, you probably have cousins, sisters, brothers, or at least you have heard the conversations of colleagues who were searching for some activities for their kids and spent hours on it.

We're on the way to building a perfect platform and would like to ask for your help.

You can easily support BeAKid on WeFunder https://parent.beakid.com/1WA7Br (equity crowdfunding platform).

Let's make the future better altogether!

Ребята. Наша компания BeAKid начала поднимать следующий раунд инвестиций. Решили идти через Wefunder платформу. эта платформа дает возможность простым людям инвестировать мелкие суммы (\$100 долларов минимум). Мы ищем поддержки. Это может быть участие в инвестиции или просто поделиться со своим кругом друзей.

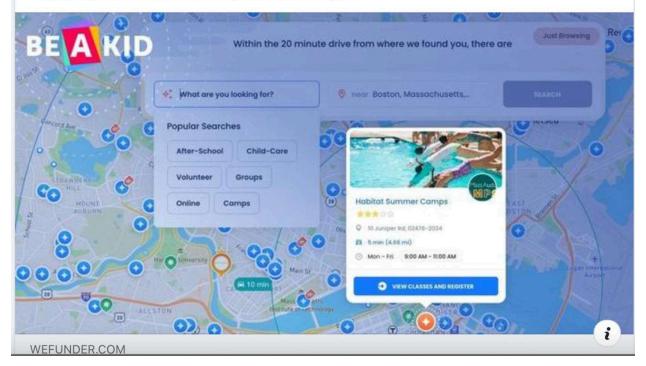

Компания прошла Techstars (один из самых крутых акселераторов в мире). Наша команда состоит из 10 человек. У нас есть клиенты и мы уже пропустили через нашу платформу более \$2 Миллионов.

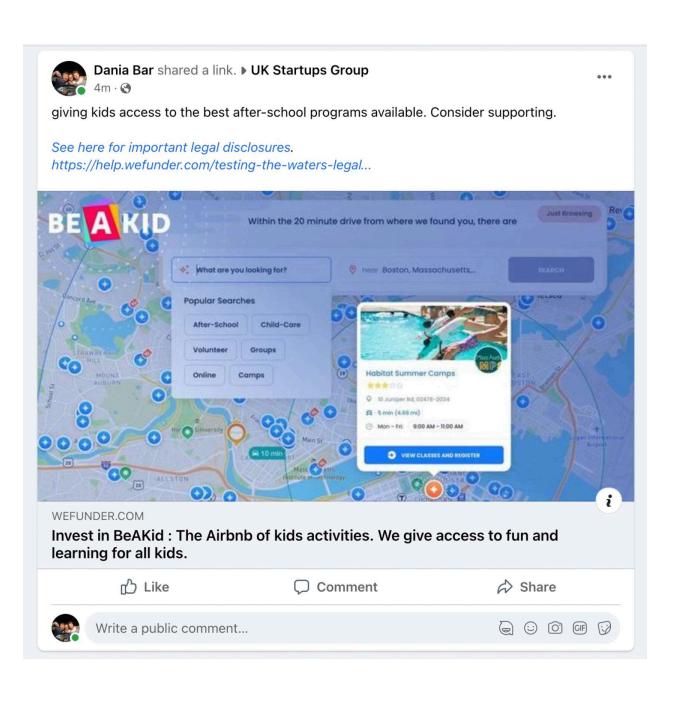

Кому интересно посмотрите на нашу компанию на платформе Wefunder вот тут. Посмотрите команду, почитайте что мы строим. Некоторые знают как серьезно я отношусь и работаю на этой компанией
