(D) The Company's Business and Business Plan

The Team

Reece Scelfo, CEO and Founder

I'm Reece, the founder of Brady's Bakery. I'm a virgo from Katy, TX, and I love my family, dogs, guacamole, and of course, sweets. I founded Brady's Bakery in 2016 after teaching myself to bake, and began pursuing the business full-time in 2018.

- BFA and minor in business administration from the University of Oklahoma
- I spent 6 years in new york city working all across the entertainment industry including jobs in casting, broadway management, and talent management.
- After relocating to Los Angeles in 2014 for a change of scenery, and worked for a production company in international distribution from 2014-2018, when I left to pursue the bakery full-time.

Brady, Chief Dog Officer & Namesake

Brady joined the family in 2015 and serves as the namesake for Brady's Bakery. While he can't eat any of the products, he's a great mascot.

Our Menu

We make our cookies in small batches in order to maintain their quality and taste. Cookies are baked to a soft & gooey center and crispy exterior. We steer clear of artificial ingredients wherever possible and aim to use organic and local ingredients. Our expansive menu includes:

- Our OG (original) 3 cookies: the chocolate chip + walnut, the red velvet + white chocolate chip, & the oatmeal + cranberry
- Other cookie flavors that range from the classic to unique, adoring fun names to capture their vibe: maple & bacon, snickerdoodle w/ maple syrup & pecans (the southern belle), nutella stuffed brown sugar (the OMFG), cinnamon cream cheese stuffed (the doughboy), double dark chocolate & mint (the holiday smash), funfetti (the basic b), chocolate chip stuffed with marshmallow & ganache (that s'more like it), among many others.
- A southern favorite: bread pudding! We bake it in individual, muffin-size portions so you're not obligated to share :) Everyday and seasonal flavors include: chocolate chunk, mom's apple pie, pumpkin + pecan, ricotta french toast, & cinnamon roll.
- One of our newest additions and a huge crowd-pleaser: the GAY AF rice krispie treat. It's an oversized rice krispie treat filled with mini-marshmallows and fruity pebbles. Seasonal flavors of this new treat are in the works now!
- A childhood favorite: puppy chow (for humans). We take cinnamon life cereal and coat it in melted chocolate & peanut butter, and dust it with powder sugar. Served cold. It's a crack pint!
- The wooquie (waffle + cookie) was introduced in 2019 and has been a fun, innovative, and huge draw at our markets and catering events. We take a version of our cookie dough and bake it to order in a waffle iron and dip it in melted butter and cinnamon & sugar, or drizzle with warm nutella.
- Brady's Dog Treats: coming soon! We've trialed these new treats with some of our furry friends and needless to say they couldn't get enough! These treats are delicious and all organic, made with real ingredients that are good enough for humans to eat. 100% of the sales from this item will be donated to Southern California area dog rescues, such as Real Good Rescue. Just another way for us to give back to the community that has given us so much!

Traction, validation, and customer experience

Brady's got its start at special events, large parties, farmers markets, catering opportunities, and events like Cookie Con. Since then, we've grown immensely in popularity and keep customers coming back with a great social media presence, an excellent website experience, and a loyal following.

- 4.5-5 star rating on Yelp, Google, and Facebook!
- Our comprehensive and attractive website allows customers to shop for our cookies & bread pudding and have them shipped, delivered locally, or picked up from our baked-to-order location, or any of our Southern California distribution centers.
- Word of mouth and referrals have been a huge driver of business, and we have over 10,000 Instagram followers as well.
- Between direct sales via our cloud kitchen, distribution centers, and wholesale accounts, our sales grew 183% from 2019 to 2020, and 275% from 2020 to 2021.

Our vision

With this funding round, we aim to increase production capacity by moving into a new commercial kitchen. This will allow us to better service existing wholesalers, secure new wholesale partners, and continue to scale our direct-to-consumer efforts. Eventually, we hope to

expand our footprint to other cities and open a flagship retail location as well.

- We currently distribute cookies weekly to 9 retail/wholesale accounts: for five Coffee/Convene (2 locations), Capital One Cafe (3 locations, operated by Aramark), Neiman Marcus Beverly Hills, Toasted & Roasted (West Hollywood), Kimpton la Peer Hotel (West Hollywood), the Phoenix Effect (gym, West Hollywood)
- Our partnership with CloudKitchen will optimize our ability to make our product available on all virtual food delivery platforms - Postmates, Uber Eats, Doordash, etc.
- Funds raised will go towards securing commercial kitchen equipment: a 20 quart mixer, double oven, reach-in freezer, shelving, prep space, prep equipment
- We also aim to hire a full-time bakery manager
- Working capital will be used for general operational excellence, including maintaining and improving our website and web presence

Welcome to Brady's Bakery: we're an equal opportunity crowd pleaser.

Brady's Bakery is a baked-to-order boutique style bakery with a simple mission: to make the country's best cookies while offering a stellar customer service experience. We've quickly grown to become one of Los Angeles' most sought-after cookie shops, and now it's time to expand our operations and start a new chapter.

- Inspired by my favorite bakeries from around the world in New York, and the fact that everything is bigger in Texas, our core product is plus-sized, soft-baked cookies (hand rolled and individually weighed at 4 ounces).
- All of our products are handmade in small batches to ensure consistency and quality in every single bite.
- At the end of the day, I bake what I like to eat. Plain and simple. If it's on the menu, I stand behind it 100%.

If you do not affirmatively choose to invest, then your commitment will be cancelled, your funds will be returned to you, and you will not receive any securities.

(L) Price of the Securities

The Company is offering “securities” in the form of revenue sharing notes, which we refer to as “Notes.” The Notes are being offered at their face amount. For example, you will pay \$1,000 for a Note with a face amount of \$1,000.

(M) Terms of the Securities

Overview

The Company is offering “securities” in the form of revenue sharing notes, which we refer to as the “Notes.” The Terms of the Notes are set forth in the Revenue Share Agreement accompanying this Form C in Appendix A. Copies of the Note and Revenue Sharing Agreement are attached to this Form C.

Summary of Terms

Revenue Percentage ¹	1.0 - 2.4% ²
Payment Deadline	2027-12-31
Maximum Payment Multiple ³ - Early Investors - All Other Investors	1.8 x 1.5 x
Sharing Start Date	The first day after disbursement that the company has revenues greater than one (\$1) dollar
First Payment Date	The last day of the calendar quarter ending not less than 90 days after the Sharing Start Date
Seniority	Subordinated
Securitization	Unsecured
Accrual Rate	2.96%

¹ as defined in the note agreement included in Appendix A

² The rate of revenue sharing is calculated on a linear scale with a minimum rate of 1.0% and a maximum rate of 2.4% and is rounded to the nearest 1/10th percent. The final rate is based on the amount raised and is calculated after the offering has successfully closed. As the amount raised in the offering increases, the rate of revenue sharing increases. For example, a hypothetical offering could result in the following revenue sharing percentages, depending on the amount raised:

Amount Raised	Revenue Sharing Percentage
\$50,000	1.0%
\$67,500	1.4%
\$85,000	1.7%
\$102,500	2.0%
\$120,000	2.4%

³ To reward early participation, the investors who contribute the first \$25,000.0 raised in the offering will receive a 1.8x cap. Investors who contribute after \$25,000.0 has been raised in the offering will receive a 1.5x cap.

Your Right to Payments under the Note

Your right to payments under the Note is set forth in the Note, together with a separate document

called the Revenue Sharing Agreement. Copies of the Note and Revenue Sharing Agreement are attached to this Form C. Additionally, general terms are outlined below and in the Company's offering page.

Obligation to Contribute Capital

Once you pay for your Note, you will have no obligation to contribute more money to the Company, and you will not be personally obligated for any debts of the Company. However, under some circumstances you could be required by law to return some or all of a distribution you receive from the Company.

No Right to Transfer

You should plan to hold the Notes until maturity. The Notes will be illiquid (meaning you might not be able to sell them) for at least four reasons:

- The Revenue Sharing Agreement prohibits the sale or other transfer of Notes without the Company's consent.
- If you want to sell your Note the Company will have the first right of refusal to buy it, which could make it harder to find a buyer.
- Even if a sale were permitted, there is no ready market for Notes, as there would be for a publicly-traded stock.
- By law, for a period of one year you won't be allowed to transfer the Investor Shares except (i) to the Company itself, (ii) to an "accredited" investor, (iii) to a family or trust, or (iii) in a public offering of the Company's shares.

Security

The Notes are not secured by any assets of the Company or any assets of persons associated with the Company.

Modification of Terms of Notes

The terms of the Notes and the Revenue Sharing Agreement may be modified or amended with the consent of Investors holding 50% of the Notes, measured by the total amount outstanding under each Note.

Other Classes of Securities

Name of Security	Limited Liability Company Interests
Number of Shares Outstanding	N/A
Describe Voting Rights of These Securities, Including Any Limitations on Voting Rights	N/A
How these securities differ from the revenue sharing notes being offered to investors	Limited Liability Company Interests are an equity interest, whereas Revenue Sharing Notes are a debt obligation of the Company.

Dilution of Rights

The Company has the right to create additional classes of securities, both equity securities and debt securities (e.g., other classes of promissory notes). Some of these additional classes of securities could have rights that are superior to those of the Notes. For example, the Company could issue promissory notes that are secured by specific property of the Company.

The People Who Control the Company

Each of these people owns 20% or more of the total voting power of the Company:

Name of Holder	% of Voting Power (Prior to Offering)
Stephen Scelfo	100%

How the Exercise of Voting Rights Could Affect You

You will receive payments with respect to your Note only if the Company makes enough money to pay you, or, if the Company does not make enough money to pay you, if there is enough value in the collateral the Company pledged as security for the Notes.

The people with voting rights control the Company and make all the decisions about running its business. If they make good business decisions, it is more likely you will be paid. If they make poor business decisions, it is less likely you will be paid. For example, if they hire too many people and/or try to expand too quickly, the business could be harmed. The people with voting rights could also decide to file for bankruptcy protection, making it more difficult for you to be paid.

How the Notes are Being Valued

The Notes are being valued at their face value. We don't anticipate that we'll ever need to place a value on the Notes in the future.

(N) The Funding Portal

The Company is offering its securities through MainVest, Inc., which is a "Funding Portal" licensed by the Securities and Exchange Commission and FINRA. MainVest Inc.'s Central Index Key (CIK) number is 0001746059, their SEC File number is 007-00162, and their Central Registration Depository (CRD) number is 298384.

(O) Compensation of the Funding Portal

Upon successful funding of the Offering, the Funding Portal will receive as the "Revenue Securement Fee"; 3.0% of the amount of the Offering raised by In-Network Users of the Platform plus 9.0% of the amount of the Offering raised by all other investors. "In-Network Users" means a user of Mainvest.com who who have utilized the Company's specified in-network link on the Site.

(P) Indebtedness of the Company
