Dear Sachit

I am super excited to share some amazing news today. We've finally launched our equity crowdfunding campaign via Wefunder. As you know, it has been months of planning and years of setting the right vision to be choosing this route. We're off to a great start and would love some momentum and support.

Please let me know if you'd be interested in investing. You can directly [visit our campaign here](#) and invest. Wefunder makes it super easy.

Lastly, please help us spread the word and reach people in your network whose mission might align with ours. I've put together an email template below to make it easy for you to share.

Thanks so much!

With much gratitude

-Nish

Hi Niley,

So good to hear from you. Yes, while my brother, Nabin, knows Jay a lot better, I am getting connected to Jay through a Nepali group. I do have an updated deck (attached) and even better is our equity crowdfunding campaign that is currently private but you can access it here via this link: <https://wefunder.com/nepalteacollective>

The deck does not have detailed financials but I am happy to provide P&Ls and projections if you are interested.

Cheers!
