

LocalBuzz

Your **local discovery** app for the **video-first** generation!

Getting back to local

There's a big opportunity to reinvigorate local economies and rebuild the social fabric like never before. [And we're already doing this!](#)

LocalBuzz is the 1st local discovery app that provides a visually rich way to discover what's happening in local communities with videos.

We're a platform that not only serves communities, but is also powered by communities.

And now we're going to unlock the community potential by creating a marketplace that connects content creators with local business owners.

A personal invite to invest

As co-founders of LocalBuzz,

We're extending a personal invitation to you to be an early investor in LocalBuzz.

For a modest **\$250**, you can get in early in a one-of-a-kind local discovery app.

Special tiers of perks are available starting at **\$1K**.

Although there are inherent risks in investing in businesses, the potential return for startup early investors is significant.

For every **\$1K** that early investors put into Airbnb, they would have made **\$3M**, or **\$500K** for Instagram, or **\$232K** for Tesla.
