The Yukon To Las Vegas Journey

The Yukon Sourdough dates back to 1897 during the Klondike Gold Rush. For over 120 years this sourdough has been passed down from father to son in our family as an heirloom and kitchen staple.

Yukon Pizza is a unique wood-fired pizza operation establishing itself in the Huntridge Shopping

Center. As the go-to pizzeria for locals, families, and tourists, facility design includes an artisanal wood-fired oven as the centerpiece of the restaurant with an open-air dining atmosphere for an inviting, fun environment for customers to relax and eat.

Yukon Pizza is capitalizing on the “first-mover” opportunity in the space and instituting itself as the preferred pizza provider to the Huntridge neighborhood and the greater Downtown Las Vegas area. A locally-owned restaurant is best positioned to serve the local population with a fresh, unique pizza menu and experience. Commitment to the finest ingredients and superior customer service, coupled with delivery, take-out options, and other customer loyalty building aspects, our operating a quality, family-friendly pizzeria in the Huntridge Neighborhood is designed to succeed.

Our mission is to grow the company, to continue taking care of our employees and our community. We do this through fair living wages to all staff, providing a work-life balance that has meaningful, healthy impact, and serving the best sourdough pizza to our friends, families, and customers. Our menu features items where part of the proceeds from sales go directly to local charities. These policies and plans enable us to grow a profitable company that will fairly compensate staff, owners, and lenders.

Location

Located in the historic Huntridge District, the restaurant space is 1,100 square feet and the custom build out is by Dapper Companies of Las Vegas, NV. Our partnership with Dapper Companies reflects our goals of working with companies of excellence in order to create and deliver the best customer experience possible.

- The Huntridge District was the hot-spot for Las Vegas industry and casino workers in the 1960s. With new bars, shopping, and food returning to the neighborhood, the energy of that era is surging once again.
- There is a clear gap in the immediate Huntridge area of pizzerias, allowing us to be the premier pizzeria for the neighborhood and community.

Our Product

Yukon Pizza offers high quality sourdough pizza to a local neighborhood that currently has limited availability of restaurants and delivery options

- Our menu includes a variety of pizzas that feature and highlight our sourdough and local, seasonal foods. Chef Justin Ford oversees our menu and operations. He has over 15 years of fine dining and pizza restaurant experience.
- Along with pizzas, our plans include an expanded menu with appetizers, sandwiches, salads, and entrees. We also plan to offer a variety of sodas, tea, coffee, and water. If permitting allows, selling canned beer and wine will significantly increase profit margins.

Our Story

Yukon Productions DBA Yukon Pizza (established 2017) is a private co-owned limited liability corporation by Alex White (founder), Cameron White, Dani Garcia-White, and Justin Ford.

- Yukon Pizza is a restaurant offering a unique sourdough pizza and seasonal menu that does not currently exist in the area. Our customers are the families, couples, and young professionals in the neighborhood, as well as those that drive in from the outskirts of the Las Vegas valley.

- Our success lies in our people and our product. We believe in delivering the highest quality food, creating happy, loyal customers, and empowering our team to learn, grow, and excel in the pizza and restaurant world. Through thoughtful planning, hard work, and professional resource management, Yukon Pizza will continue to be a successful long-term venture.

Explanation

A “material change” means a change that an average, careful investor would want to know about before making an investment decision. If a material change occurs after you make an investment commitment but before the Offering closes, then the Company will notify you and ask whether you want to invest anyway. If you do not affirmatively choose to invest, then your commitment will be cancelled, your funds will be returned to you, and you will not receive any securities.

(L) Price of the Securities

The Company is offering “securities” in the form of revenue sharing notes, which we refer to as “Notes.” The Notes are being offered at their face amount. For example, you will pay \$1,000 for a Note with a face amount of \$1,000.

(M) Terms of the Securities

Overview

The Company is offering “securities” in the form of revenue sharing notes, which we refer to as the “Notes.” The Terms of the Notes are set forth in the Revenue Share Agreement accompanying this Form C in Appendix A. Copies of the Note and Revenue Sharing Agreement are attached to this Form C.

Summary of Terms

Revenue Percentage ¹	2.0 - 4.0% ²
Payment Deadline	2027-12-31
Maximum Payment Multiple ³ - Early Investors - All Other Investors	1.5 X 1.4 X
Sharing Start Date	The first day after disbursement that the company has revenues greater than one (\$1) dollar
First Payment Date	The last day of the calendar quarter ending not less than 90 days after the Sharing Start Date
Seniority	Subordinated
Securitization	Unsecured
Accrual Rate	2.96%

¹ as defined in the note agreement included in Appendix A

² The rate of revenue sharing is calculated on a linear scale with a minimum rate of 2.0% and a maximum rate of 4.0% and is rounded to the nearest 1/10th percent. The final rate is based on the amount raised and is calculated after the offering has successfully closed. As the amount raised in the offering increases, the rate of revenue sharing increases. For example, a hypothetical offering could result in the following revenue sharing percentages, depending on the amount raised:

Amount Raised	Revenue Sharing Percentage
\$25,000	2.0%
\$31,250	2.5%
\$37,500	3.0%
\$43,750	3.5%
\$50,000	4.0%

³ To reward early participation, the investors who contribute the first \$10,000.0 raised in the offering will receive a 1.5x cap. Investors who contribute after \$10,000.0 has been raised in the offering will receive a 1.4x cap.

Your Right to Payments under the Note

Your right to payments under the Note is set forth in the Note, together with a separate document

called the Revenue Sharing Agreement. Copies of the Note and Revenue Sharing Agreement are attached to this Form C. Additionally, general terms are outlined below and in the Company's offering page.

Obligation to Contribute Capital

Once you pay for your Note, you will have no obligation to contribute more money to the Company, and you will not be personally obligated for any debts of the Company. However, under some circumstances you could be required by law to return some or all of a distribution you receive from the Company.

No Right to Transfer

You should plan to hold the Notes until maturity. The Notes will be illiquid (meaning you might not be able to sell them) for at least four reasons:

- The Revenue Sharing Agreement prohibits the sale or other transfer of Notes without the Company's consent.
- If you want to sell your Note the Company will have the first right of refusal to buy it, which could make it harder to find a buyer.
- Even if a sale were permitted, there is no ready market for Notes, as there would be for a publicly-traded stock.
- By law, for a period of one year you won't be allowed to transfer the Investor Shares except (i) to the Company itself, (ii) to an "accredited" investor, (iii) to a family or trust, or (iii) in a public offering of the Company's shares.

Security

The Notes are not secured by any assets of the Company or any assets of persons associated with the Company.

Modification of Terms of Notes

The terms of the Notes and the Revenue Sharing Agreement may be modified or amended with the consent of Investors holding 50% of the Notes, measured by the total amount outstanding under each Note.

Other Classes of Securities

Name of Security	Limited Liability Company Interests
Number of Shares Outstanding	N/A
Describe Voting Rights of These Securities, Including Any Limitations on Voting Rights	N/A
How these securities differ from the revenue sharing notes being offered to investors	Limited Liability Company Interests are an equity interest, whereas Revenue Sharing Notes are a debt obligation of the Company.

Dilution of Rights

The Company has the right to create additional classes of securities, both equity securities and debt securities (e.g., other classes of promissory notes). Some of these additional classes of securities could have rights that are superior to those of the Notes. For example, the Company could issue promissory notes that are secured by specific property of the Company.

The People Who Control the Company

Each of these people owns 20% or more of the total voting power of the Company:

Name of Holder	% of Voting Power (Prior to Offering)
Danielle Garcia-White	25%
Alexander White	25%
Cameron White	25%
Justin Ford	25%

How the Exercise of Voting Rights Could Affect You

You will receive payments with respect to your Note only if the Company makes enough money to pay you, or, if the Company does not make enough money to pay you, if there is enough value in the collateral the Company pledged as security for the Notes.

The people with voting rights control the Company and make all the decisions about running its business. If they make good business decisions, it is more likely you will be paid. If they make poor business decisions, it is less likely you will be paid. For example, if they hire too many people and/or try to expand too quickly, the business could be harmed. The people with voting rights could also decide to file for bankruptcy protection, making it more difficult for you to be paid.

How the Notes are Being Valued

The Notes are being valued at their face value. We don't anticipate that we'll ever need to place a value on the Notes in the future.

(N) The Funding Portal

The Company is offering its securities through MainVest, Inc., which is a "Funding Portal" licensed by the Securities and Exchange Commission and FINRA. MainVest Inc.'s Central Index Key (CIK) number is 0001746059, their SEC File number is 007-00162, and their Central Registration Depository (CRD) number is 298384.

(O) Compensation of the Funding Portal

Upon successful funding of the Offering, the Funding Portal will receive as the "Revenue Securement Fee"; 4.5% of the amount of the Offering raised by In-Network Users of the Platform

plus 9.0% of the amount of the Offering raised by all other investors. “In-Network Users” means a user of Mainvest.com who who have utilized the Company’s specified in-network link on the Site.
