# August Vega

Chief Chief Growth and Sustainability Officer at the Urgent Company  
| Advisory | C-Level | Strategy | CPG | Clean Tech  
United States

## Summary

I am a strategic thinker and critical learner. This approach has developed over various roles in clean tech, organic foods industry and food tech.

We are presented with challenges on a daily basis, the magic comes from applying strategic thinking to creating solutions.

I pledge to work in fields better for you and better for Earth.
