Testament Series

September 22 at 4:00 PM · 🌐

Artists in past generations painted scenes from the life of Christ as if they lived in their day. Pieter Bruegel the Younger, a Flemish painter from the 1600s, painted the procession of people with Christ carrying the cross. He was one of many artists who recreated this event as if it were in their time.

That's kind of like what we're doing with the Testament series. Find out more at angel.com/testament.

We started our journey with a limited crew, equipment and a very small budget... but still we made a film! The skills of high-production value with low-budgets is how we plan to bring the Testament Series to life!

Join us this Livestream as we reveal some the Testament Series progress along with an MAJOR announcement

Help us tell this timeless story at <http://angel.com/testament...> **See more**
