Experience

DIYSE (the Do-It-Yourself Stock Exchange)

Founder

August 2020 - Present (2 years 4 months)

Boston, Massachusetts, United States

We are an early stage, recently funded company seeking to build a new market for social competitive investing. Our Daily Investment League will be the first legal platform that lets investors directly test their skills against other investors with real money at stake.

National Energetics

Chief Operating Officer & General Counsel

2012 - March 2020 (8 years)

Austin, Texas Area

Managed all elements of business strategy and corporate finance for high-technology firm engaged in building the most powerful laser in the world. Drafted all major company contracts, managed corporate legal needs including oversight of litigation, designed and implemented employee incentive plans,

instituted and managed employee benefits programs and corporate insurance program, oversaw all export compliance activities.

International Business Schools

Global Professor of Industrial Organization, Regulation & Competition Economics

1999 - February 2020 (21 years)

US, Europe, Asia

Two decades of experience teaching the tools of industrial organization, regulation, and competition economics to executives in the United States (Massachusetts Institute of Technology, Harvard), Europe (Insead France, Skolkovo Moscow), and Asia (Hong Kong University of Science & Technology, CEIBS Shanghai). Work with client companies to implement go-to-market strategies in a wide range of product markets. Instruct clients on methods of shaping market structure to create firm value and capturing that value through negotiation with key stakeholders and counterparties.

Dispute Resolution Co.

Litigation Manager

2001 - 2016 (15 years)

New York, Chicago, Boston, Austin

Managed all aspects of business litigation, including roles as chief litigator and economic expert witness, in both state and federal courts in New York, Massachusetts, Illinois, and Texas. Extensive experience with all forms of dispute resolution including jury trials, arbitration, mediation, and settlement negotiations.

QED Learning

Founder & President

1998 - 2002 (4 years)

Cambridge, MA & Philadelphia, PA

Founded, built, and sold educational technology company focused on providing internet delivered management education in conjunction with the world's leading business schools and corporations. Acquired world class content, assembled industry-leading team of course developers and learning design architects, and partnered with international business schools for distribution.

Compass Lexecon

Senior Regulatory Economist

May 1991 - December 1999 (8 years 8 months)

Cambridge, Massachusetts, United States

Provided economic analysis and prepared expert testimony on issues of regulation, antitrust, and applied microeconomics. Developed, managed, and oversaw projects utilizing expertise in competition economics and market and industry structure.
