Hi LinkedIn network, my company is launching a crowdfunding campaign to give any little investor the possibility to own shares of ByteNite Inc. and fund the product launch planned in winter 2023!

\$500K goal, designated lead investor, and early birds perks. Spread the word! 📢📈

Check it out: <https://lnkd.in/e3yrSBgn>

Note: We are 'testing the waters' to gauge investor interest in an offering under Regulation Crowdfunding. No money or other consideration is being solicited at this stage. If sent, it will not be accepted. No offer to buy securities will be accepted. No part of the purchase price will be received until a Form C is filed and only through Wefunder's platform. Any indication of interest involves no obligation or commitment of any kind.
