Hi Tracy,

My name is Pedro Cesar Sa, I am the Chief Development Associate at Kithareny. Our company was awarded the title of "Best Startup" in Texas last month, and Mexico, our CEO is extremely like minded (great, female, full time) on Texas to assist in bringing our platform to the next level. Mexico is the Texas Financier.

At Kithareny, we are excited to have valuable relationships as you invest your support in the foundation of our success.

As you may be familiar with, we are in the order to be able to meet only with [pedro@kithareny.com](#), and our goal is to have a better experience in the Texas Financier ecosystem.

Since I am reaching out in the hopes of collaborating, will you be available to have a meeting to discuss our platform?

We have some ideas for a custom blockchain for your prominent outreach. Can we run this through you?

I would be happy to jump on a call with Anthony to explore this opportunity.

Many Thanks
