A better way to learn!

Hey Brian!

*For the longest time we have been looking at ways of getting our coaches more deeply involved in Skillest.*

*You as a coach have been a huge reason Skillest has been the first company to successfully build an online first coaching platform. We want you to not only benefit from the revenue you are generating but to also have the opportunity to own a part of Skillest.*

*We have just launched a Wefunder campaign that will give you the opportunity to buy equity in the platform that is taking coaching into the future. Something that we can all do together!*

*For a short time we are offering a discount for you, the stakeholders in Skillest. This means if you invest now you do so at the best valuation.*

*Just head to the Wefunder/Skillest landing page below to get all of the details.*

*I cannot wait to continue building Skillest with you. Let me know if you have any questions.*
