Ravi Prakash

Owner, SES Instruments Pvt. Ltd, Managing Director, Turant Technologies Pvt Ltd
Uttarakhand, India

Summary

Having completed my MTech from IIT Roorkee, I joined our family company of manufacturing electronic measuring instruments and complete laboratory experiments for post graduate physics labs and under graduate electronics labs. Our company SES Instruments Pvt Ltd has since grown multiple folds expanding its market in over 18 countries. We are now trying to expand our manufacturing base to include EV chargers and batteries. We are looking for some JV with some established players in this field.

Experience

SES Instruments Pvt. Ltd.,

Owner

June 1994 - Present (29 years 10 months)

Turant

Managing Director

February 2021 - Present (3 years 2 months)
