Todd Kimmel

Managing Partner of Montage Ventures
Menlo Park, California, United States

Summary

Todd is the Founder and Managing Partner of Montage Ventures, a venture capital firm actively investing in the financial services, consumers and healthcare sectors.

Todd is a repeat entrepreneur and experienced venture investor that has started multiple companies across different industries while helping to fund and support many others over the past decade as a venture capitalist. Todd is passionate about early-stage start-ups and has witnessed first-hand the innovation and product excellence that can be achieved when a group of talented entrepreneurs join together to disrupt the way something is currently done.

Todd is active with his entrepreneurs and portfolio company executives and typically serves as an extension of the founding team...helping them with the connections and guidance they need early on to both accelerate and de-risk their business plans.

Todd received a B.A. in History from Amherst College and is a loyal and proud NYC sports fan.

Specialties: financial services, consumer, digital health, venture capital, entrepreneurship.
