**CrowdSolve** is the global platform where climate tech innovators accelerate their business and their impact. Read about CEO **Tim Wolters** in this week's founder spotlight. He and co-founders **Ronald Hans** and **Leah Bowes** designed a startup incubation platform for aspiring climate entrepreneurs so anyone with a climate idea can get resources and join a growing network within the **#climate** ecosystem.

Check out their crowd funding page here: [https://lnkd.in/dWvrq7\\_A](https://lnkd.in/dWvrq7_A)

cc **Ari N.**, **Judy Zhu**, **David Mandell**, **Cristina DeVito**, **Jenny Fielding**, **Scott Hartley**
