Offering Statement

Important:

Investors must acknowledge and accept the high risks associated with investing in private securities offerings. These risks include holding your investment for periods of many years with limited ability to resell, limited access to periodic reporting, and losing your entire investment. You must have the ability to bear a total loss of your investment without a change in your lifestyle. Funding Portal is only required to conduct limited due diligence on each Issuer and does not in any way give investment advice, provide analysis

or recommendations regarding any offering posted on the Funding Portal. Past performance is not indicative of future performance. All investors should make their own determination of whether or not to make any investment in an offering, based on their own independent evaluation and analysis and after consulting with their financial, tax and investment advisors. Prior to making any investment, you will be required to demonstrate your understanding of the speculative nature of investing in such private securities. The securities offered on this Funding Portal can only be marketed in jurisdictions where public solicitation of offerings are permitted; it is solely your responsibility to comply with the laws and regulations of your country of residence. You are strongly advised to consult your legal, tax and financial advisor before investing.

FORWARD-LOOKING STATEMENTS

PRINCIPAL SECURITY HOLDERS

6. The name and ownership level of each person, as of the most recent practicable date,* who is the beneficial owner of 20 percent or more of the issuer's outstanding voting equity securities, calculated on the basis of voting power.

Name of Holder	No. and Class of Securities Now Held	% of Voting Power Prior to Offering**
Jeffrey Kilgrow	500 shares Common Stock	50%
Bridget Kilgrow	500 shares Common Stock	50%

* The issuer certified that the above information is provided as of a date that is no more than 120 days prior to the date of filing of this offering statement.

** To calculate total voting power, include all securities for which the person directly or indirectly has or shares the voting power, which includes the power to vote or to direct the voting of such securities. If the person has the right to acquire voting power of such securities within 60 days, including through the exercise of any option, warrant or right, the conversion of a security, or other arrangements, or if securities are held by a member of the family, through corporations or partnerships, or otherwise in a manner that would allow a person to direct or control the voting of the securities (or share in such direction or control — as, for example, a co-trustee) they should be included as being "beneficially owned." You should include an explanation of these circumstances in a footnote to the "Number of and Class of Securities Now Held." To calculate outstanding voting equity securities, assume all outstanding options are exercised and all outstanding convertible securities converted.

BUSINESS AND ANTICIPATED BUSINESS PLAN

7. The business of the issuer and the anticipated business plan of the issuer.

Please refer to *Appendix A - Business and Anticipated Business Plan*.

RISK FACTORS

Important:

A crowdfunding investment involves risk. You should not invest any funds in this offering unless you can afford to lose your entire investment.

In making an investment decision, investors must rely on their own examination of the issuer and the terms of the offering, including the merits and risks involved. These securities have not been recommended or approved by any federal or state securities commission or regulatory authority. Furthermore, these authorities have not passed upon the accuracy or adequacy of this document.

The U.S. Securities and Exchange Commission does not pass upon the merits of any securities offered or the terms of the offering, nor does it pass upon the accuracy or completeness of any offering document or literature.

These securities are offered under an exemption from registration; however, the U.S. Securities and Exchange Commission has not made an independent determination that these securities are exempt from registration.

8. The material factors that make an investment in the issuer speculative or risky:

Please refer to *Appendix B - Risk Factors*.

THE OFFERING

9. The purpose of this offering:

The purpose of this offering is to raise funds that we will use to acquire properties for treatment Wildflower Mountain Ranch Inc treatment centers and fund its current and future operations, and to provide us with a capital structure that will enable us to grow our business.

10. The use of proceeds from this offering is set out as below:

	If target offering amount is sold:	If maximum offering amount is sold:
Total Proceeds	\$50,960	\$617,400
<i>Less: Offering Expenses</i>		
Portal Fee	\$2,548	\$30,870
Net Proceeds	\$48,412	\$586,530
Acquiring Land	\$0	\$200,000
Construction of “Barndominium” Complex	\$0	\$200,000
Interest Expenses	\$0	\$15,000
Insurance Cost	\$3,500	\$5,000
Utilities	\$5,000	\$12,500
Legal & Professional Fees	\$3,500	\$5,000
Repairs & Maintenance	\$5,500	\$12,500
Marketing	\$5,000	\$25,000
Hiring Employees	\$15,000	\$37,500
Working capital	\$10,912	\$74,030

The proceeds from this offering will be allocated across various expenses to support the planned expansion and operational enhancements of Wildflower Management, Corp. Below is a detailed breakdown of the use of proceeds under two scenarios: if the target offering amount is reached and if the maximum offering amount is achieved.

- ❖ **Acquiring Land:** If the maximum offering amount is achieved, approximately **\$200,000** will be allocated to acquiring land surrounding the current campus. This expansion will facilitate the construction of new facilities to increase resident capacity and support therapeutic programs.

- ❖ **Construction of “Barndominium” Complex:** Up to **\$200,000** will be designated for constructing a specialized “barndominium” complex. This facility will provide housing for therapy animals and create dedicated spaces for animal-assisted therapies, an essential part of the programs offered by Wildflower Mountain Ranch Inc. This allocation will only be utilized if the maximum offering amount is raised.
- ❖ **Interest Expenses:** If the maximum offering amount is raised, **\$15,000** will be allocated to interest expenses associated with financing. This allocation will help maintain financial flexibility and reduce the overall cost of capital.
- ❖ **Insurance Cost:** To ensure proper coverage for existing and expanded facilities, **\$3,500 to \$5,000** will be set aside for insurance expenses, depending on the total raised. This provides necessary risk management for organizational assets and operations.
- ❖ **Utilities:** Between **\$5,000 and \$12,500** will be allocated for utility expenses, reflecting anticipated increases in usage associated with facility expansion.
- ❖ **Legal & Professional Fees:** To support regulatory, compliance, and operational requirements, **\$3,500 to \$5,000** will be reserved for legal and professional fees. These funds will assist with real estate transactions, regulatory compliance, and operational scaling.
- ❖ **Repairs & Maintenance:** Between **\$5,500 and \$12,500** will be set aside for ongoing repairs and maintenance of facilities, ensuring that the campus remains safe, functional, and aligned with the standards of therapeutic residential care.
- ❖ **Marketing:** To expand awareness and support fundraising, **\$5,000 to \$25,000** will be allocated to marketing. These efforts will emphasize the organization’s mission and the investment opportunity, targeting socially

responsible investors.

- ❖ **Hiring Employees:** To meet the needs of expanded facilities and increased resident capacity, **\$15,000 to \$37,500** will be reserved for hiring and onboarding new employees. This investment will ensure high standards of care and operational effectiveness.

- ❖ **Working Capital:** Between **\$10,912 and \$74,030** will be allocated as working capital to support general operational expenses and provide flexibility for unforeseen needs. This ensures day-to-day operations can continue smoothly as the organization grows.

TRANSACTION, SECURITIES DELIVERY & CANCELLATION OF INVESTMENTS

11. How will the issuer complete the transaction and deliver securities to the investors?

1. To commit an investment in the Offering, an Investor will submit, through the Funding Portal, an investment ticket on the Issuer's securities offering page on the Funding Portal with the quantity of shares the Investor wants to invest. After the submission of the investment ticket, the Investor will be instructed to execute a Share Subscription Agreement by signing it electronically.

2. Once the Share Subscription Agreement is signed and executed, the Investor will receive an email confirmation of the investment commitment. The Investor can also find his or her investment commitment on the "My Portfolio" page on the Funding Portal. The "My Portfolio" page can be accessed via the following URL: <https://www.mrcrowd.com/portfolio>

3. Upon receiving the confirmation of the investment commitment, the investor will be responsible for transferring funds to an escrow account held with a third party escrow agent on behalf of the issuer. The fund transfer methods can be ACH, wiring, or check, whichever available.

4. Once the funds are transferred to the escrow account, the Investor will receive another email confirmation to acknowledge that his or her funds are received.
5. The Investor will receive email updates on the latest progress of the offering, including when 50%, 75% and 100% of the minimum fundraising target are met.
6. After the target offering amount has been reached and the Issuer decides to end the offering, the Investor's funds will be transferred from the escrow account to the Issuer on the deadline of this offering identified in this Form C (Original Deadline), except in the following situation where the funds will be transferred to the Issuer earlier than the Original Deadline:
 - a. when the minimum funding target is met prior to the Original Deadline and;
 - b. this Form C and the information of this securities offering have been posted and publicly available on the Funding Portal for at least 21 days and;
 - c. the Issuer chooses to end the offering earlier than the Original Deadline and;
 - d. the Issuer has notified the Investor by email the new deadline for this securities offering (New Deadline) at least 5 business days before the New Deadline and the Investor doesn't cancel his or her investment commitment on the "My Portfolio" page on the Funding Portal 48-hours prior to the New Deadline.
7. Once the Investor's funds are transferred from the escrow account to the Issuer, the Issuer will issue the Securities to Investors.
8. The securities issued in this offering will be in book-entry form only, which means that no physical stock certificates will be issued. The ownership of the securities purchased through this offering will be held in the Investor's name in book-entry format maintained by the Issuer or the Issuer's transfer agent.

Investors should be aware of the followings:

- Investors may cancel an investment commitment until 48 hours prior to the deadline identified in the issuer's offering materials;
- The intermediary will notify investors when the target offering amount has been met;

- If an issuer reaches the target offering amount prior to the deadline identified in its offering materials, it may close the offering early if it provides notice about the new offering deadline at least five business days prior to such new offering deadline (absent a material change that would require an extension of the offering and reconfirmation of the investment commitment); and
- If an investor does not cancel an investment commitment before the 48-hour period prior to the offering deadline, the funds will be released to the issuer upon closing of the offering and the investor will receive securities in exchange for his or her investment;

12. How does an investor cancel an investment commitment?

Investors can cancel their investment commitments until 48 hours prior to the deadline identified in this FORM C. This can be done via the "My Portfolio" page on the Funding Portal. Investors who have cancelled their investment commitments will receive a refund of their original investments.

Mr. Crowd will notify investors by email if the minimum funding target has been met. If this minimum funding target is met prior to the deadline identified in this Form C, the issuer may end this securities offering earlier by giving investors notice of the new deadline for the securities offering by e-mail at least 5 business days before the new deadline. Investors can cancel their investment commitment before the 48-hour period prior to the new deadline. Investors who have cancelled their investment commitments will receive a refund of their original investments.

If there is a material change to the terms of this offering or to the information provided by the issuer, Mr. Crowd will send to any investor who has made an investment commitment notice of the material change by email and that the investor's investment commitment will be cancelled unless the investor reconfirms his or her investment commitment within five business days of receipt of the notice. If the investor fails to reconfirm his or her investment within those five business days, Mr. Crowd within five business days thereafter will: (i) Give or send the investor a notification disclosing that the commitment was cancelled, the reason for the cancellation and the refund amount that the investor is expected to receive; and (ii) Direct the refund of investor funds.

If the issuer does not complete an offering including the failure of meeting the minimum funding target, Mr. Crowd will within five business days: (i) Give or send each investor a notification of the cancellation, disclosing the reason for the cancellation, and the refund amount that the investor is expected to receive; (ii) Direct the refund of investor funds.

Rolling Close

If the Target Offering Amount is reached before the Offering Deadline, the issuer may conduct a rolling close, in which the issuer will withdraw all or part of the funds raised

while keeping the Offering open until the offering deadline. If the issuer decides to conduct a rolling close, Mr. Crowd will notify investors by email at least 5 business days before the rolling close date. These investors can cancel their investment commitment before the 48-hour period prior to the rolling close date. These investors who have cancelled their investment commitments will receive a refund of their original investments. If these investors do not cancel their investments, their investments will become final at the rolling close date and investors will not be able to cancel or change their invested amount after the rolling close date. All investments subsequent to the rolling close date will be treated as new investments.

14. Do the securities offered have voting rights?

No

15. Are there any limitations on any voting or other rights identified above?

No

16. How may the terms of the securities being offered be modified?

The terms of the Securities being offered may be modified by a resolution of the board of directors. The Issuer will file a Form C Amendment together with the amended Offering Statement with the SEC.

If there is a material change to the terms of this offering or to the information provided by the issuer, Mr. Crowd will send to any investor who has made an investment commitment notice of the material change by email and that the investor's investment commitment will be cancelled unless the investor reconfirms his or her investment commitment within five business days of receipt of the notice. If the investor fails to reconfirm his or her investment within those five business days, Mr. Crowd within five business days thereafter will: (i) Give or send the investor a notification disclosing that the commitment was cancelled, the reason for the cancellation and the refund amount that the investor is expected to receive; and (ii) Direct the refund of investor funds.

Restrictions on Transfer of the Securities Being Offered

The securities being offered may not be transferred by any purchaser of such securities during the one year period beginning when the securities were issued, unless such securities are transferred:

- (1) to the issuer;
- (2) to an accredited investor;
- (3) as part of an offering registered with the U.S. Securities and Exchange Commission; or
- (4) to a member of the family of the purchaser or the equivalent, to a trust controlled by the purchaser, to a trust created for the benefit of a member of the family of the purchaser or the equivalent, or in connection with the death or divorce of the purchaser or other similar circumstance.

NOTE: The term "accredited investor" means any person who comes within any of the categories set forth in Rule 501(a) of Regulation D, or who the seller reasonably believes comes within any of such categories, at the time of the sale of the securities to that person. The term "member of the family of the purchaser or the equivalent" includes a child, stepchild, grandchild, parent, stepparent, grandparent, spouse or spousal equivalent, sibling, mother-in-law, father-in-law, son-in-law, daughter-in-law, brother-in-law, or sister-in-law of the purchaser, and includes adoptive relationships. The term "spousal equivalent" means a cohabitant occupying a relationship generally equivalent to that of a spouse.

17. What securities or classes of securities of the issuer are outstanding? Describe the material terms of any other outstanding securities or classes of securities of the issuer.

Class of Security	Securities (or Amount) Authorized	Securities (or Amount) Outstanding	Voting Rights	Other Rights
Voting Common Stock	100,000	1,000	YES	NO
Non-Voting Common Stock	100,000	250	NO	NO

Non-Voting Common Stocks have 1/20 of the economic rights of Voting Common Stock and have no voting rights.

18. How may the rights of the securities being offered be materially limited, diluted or qualified by the rights of any other class of security identified above?

a. No Voting Rights

Purchasers of the securities offered are entitled no voting rights and therefore they are not entitled to exert influence in the affairs of the company or the composition of its board of directors.

b. No anti-dilution rights

Purchasers of the securities offered are entitled no anti-dilution rights (other than proportionate adjustments for stock splits and similar events) and therefore future equity financings may dilute their ownership percentage in the issuer.

19. Are there any differences not reflected above between the securities being offered and each other class of security of the issuer?

No.

20. How could the exercise of rights held by the principal shareholders identified in Question 6 above affect the purchasers of the securities being offered?

The principal shareholders identified in Question 6 above are having the majority of the voting rights of the issuer.

The Purchasers of the securities offered, as holders of Non-Voting Common Stock, have no voting rights over the affairs of the company.

Furthermore, Purchasers in this offering may possess rights that are subordinate to those of other investors, and their impact on the corporate decisions of the Company will

be limited. Additionally, Purchasers may have limited ability to exert influence on decisions made by the principal shareholders, particularly if such decisions are at odds with the preferences of the Investors or have a negative impact on the value of the Purchasers' securities in the Company. The Purchasers generally do not control day-to-day business decisions or management of the issuer, and their interests may conflict with those of the principal shareholders. Importantly, there is no guarantee that the company will develop in a way that is advantageous to the Purchasers.

21. How are the securities being offered being valued? Include examples of methods for how such securities may be valued by the issuer in the future, including during subsequent corporate actions.

Important Disclaimer:

As the Issuer is a startup company with a limited history of operation, lacking of material assets and has conducted no prior sales of securities except to its founders and initial shareholders, the reliability, accuracy and appropriateness of the valuation methods used in this section in determining the valuation of the securities being offered is not guaranteed. The valuation methods used in this section do not infer that the Issuer assumes any fiduciary duties and should not be construed as financial, legal or tax advice. In addition, such valuation methods should not be relied upon as the only valuation methods. The Issuer cannot guarantee the reliability, accuracy and appropriateness of these valuation methods.

Valuation of Our Non-Voting Common Stock

We use a Price/Earnings ("P/E") ratio and the expected Earnings Per Share (EPS) of Wildflower Management, Corp in 2025 to determine the value of the Non-Voting Common Stock issued in this offering. The Board of Directors believes that a P/E multiple is a straightforward, widely used, and reasonable valuation method. However, investors should be aware that this valuation of our Common Stock is conducted without an independent third-party valuation specialist.

The P/E ratio is calculated by dividing the stock's price per share by its earnings per share. In our case, the Earnings Per Share represents the company's total earnings divided by the adjusted total number of shares.

Currently, we have issued 250 shares of Non-Voting Common Stock as part of the Regulation Crowdfunding Offering in 2023. Non-Voting Common Stocks carry 1/20 of the economic rights of

Voting Common Stock, so the adjusted total number of shares is calculated as 20 times the total number of outstanding Voting Common Stock shares:

$$\begin{aligned}\text{Adjusted Total Number Of Shares} &= \text{Total Voting Common Stock Outstanding} \times 20 + \text{Total Non-voting Common Stock Outstanding} \\ &= 1,000 \times 20 + 250 \\ &= 20,250\end{aligned}$$

Expected Earnings Per Share ("EPS") of Wildflower Management, Corp in 2025

Wildflower Management, Corp. has developed a focused approach for expanding our campus facilities to increase capacity at Wildflower Mountain Ranch Inc. To value the securities in this offering, we base our EPS calculation on a projected net profit of \$182,650 for the fiscal year 2025, with the following assumptions:

- **Campus Expansion for Capacity Increase:** Wildflower Management, Corp. will fund the expansion of the existing campus by acquiring 6 acres of land surrounding the current facility. This additional land will allow for increased capacity, expanding from 10 to approximately 30 residents housed in bungalows configured in groups of four. The expansion will include the construction of new bungalows and specialized therapy facilities, providing dedicated spaces for therapeutic activities and residential needs. These enhancements will support a higher rental income from Wildflower Mountain Ranch Inc., meeting the growing demand for WMR's services.
- **Projected Rental Income:** Wildflower Mountain Ranch Inc., as the tenant, will pay monthly lease payments based on expanded capacity, with anticipated total monthly revenue increasing to approximately \$80,000.
- **Depreciation and Capital Costs:** The new campus facilities will be depreciated using the Straight Line Method over a 30-year useful life with no salvage value.
- **Financing Structure:** The campus expansion is financed by a mix of investor capital and bank loans, with a 5% average interest rate over a 30-year term.

Expected Earnings Per Share in 2025 = Projected Net Profit In 2025 / Adjusted Total Number Of Shares

$$= \$182,650 / 20,250 = \$9.02$$

Choice of Price/Earnings ("P/E") Ratio for Our Valuation

As of October 25, 2024, the five-year average P/E ratio for representative stocks in the real estate industry listed on the Standard & Poor's 500 Index was 39.53. **To apply a conservative approach to our valuation, we are using a lower benchmark of 27.22, which is two standard deviations below this average.** This figure serves as our benchmark for valuing the Non-Voting Common Stock

Based on the analysis presented above, the valuation of our Non-Voting Common Stock is as follows:

Price / EPS = 27.22

Price / \$9.02 = 27.22

Price = \$9.02 x 27.22

Price = \$245.52

Considering that the securities offered are Non-Voting Common Stock and that the Company is in an early stage without liquidity, we apply a 20% discount to this valuation, resulting in an offering price of:

\$245.52 x (1-20%) = \$196

Offering Price of each Non-Voting Common Stock = \$196

This implies the pre-money valuation of Wildflower Management Corp as follows:

\$196 x Adjusted Total Number Of Shares = \$196 x 20,250 = \$3,969,000

Methods for how the securities may be valued by the issuer in the future:

The Board of Directors will, from time to time, review the use of valuation methods in valuing our securities to ensure a fair and reasonable estimations in different situations and different corporate stages. For example, if the Company grows in size with significant assets accumulated, valuations based on our assets could be an appropriate approach to value the Company and the securities to be issued. The Company may hire independent third parties to assist in the assessment of the valuation of the Company and the securities to be issued in the future.

Methods for how the securities may be valued by the issuer in the future: We may apply the following valuation methods for the future valuation of our common stock or securities to be issued:

1. Price/Earnings Ratio of companies in the real estate - operation industry or companies that is similar and comparable to us.
2. Book value of the Company if the Company has acquired significant real estate assets.
3. Recent comparable financings of companies similar and comparable to ours.

22. What are the risks to purchasers of the securities relating to minority ownership in the issuer?

- Purchasers of the securities in this offering have limited rights to demand distributions (e.g. dividends) from the Issuer.
- The majority owner may make a decision that the Purchasers consider bad and puts Purchaser's interest in the Issuer at risk.
- Although, as Non-Voting Common Stock holders, the Purchasers would be entitled to a share of any proceeds from a sale of the entire business, the Purchasers may not veto the sale even though the price of sale is below its fair valuation. Moreover, a sale can be structured in a way to avoid any payout to minority owners, such as a sale of assets over time with the proceeds reinvested in another business.
- Since the securities in this offering are not publicly traded and are subject to restrictions on resale or transfer including holding period requirements, the securities in this offering are illiquid.
- The Purchasers of the securities offered are entitled no voting rights and therefore they are not entitled to exert influence in the affairs of the company or the composition of its board of directors.
- The Purchasers of the securities offered are entitled no anti-dilution rights (other than proportionate adjustments for stock splits and similar events) and therefore future equity financings may dilute their ownership percentage in the issuer.

23. What are the risks to purchasers associated with corporate actions:

a. Additional Issuances of Securities

Purchasers of the securities offered are entitled no anti-dilution rights (other than proportionate adjustments for stock splits and similar events) and therefore

future equity financings may dilute their ownership percentage in the issuer.

b. Issuer Repurchases of Securities

The issuer could be authorized to repurchase the company's issued securities subject to the approval by the company's board of directors. Purchasers of the securities may not impede the issuer's right to repurchase its securities from other shareholders. Moreover, the repurchase could be made at a price much lower than company's business value or its fair valuation, which could be indicative of the resale price of the securities thereafter.

c. A Sale of the Issuer or of Assets of the Issuer

Although as Non-Voting Common Stock holders the Purchasers would be entitled to a share of any proceeds from a sale of the entire business, the Purchasers may not veto the sale even though the price of sale is below its fair valuation.

Moreover, a sale can be structured in a way to avoid any payout to minority owners, such as a sale of assets over time with the proceeds reinvested in another business.

d. Transactions with Related Parties

Transactions with related parties are transactions between the issuer or any of its subsidiaries and a connected person. These transactions include both capital and revenue nature transactions. They may be one-off transactions or continuing transactions. Purchasers should be aware that these transactions may create conflicts of interests between themselves and the Issuer.

FINANCIAL CONDITION OF THE ISSUER

27. Does the issuer have an operating history?

Wildflower Management, Corp was incorporated in April 2022 and therefore has a very limited operating history.

28. Describe the financial condition of the issuer, including, to the extent material, liquidity, capital resources and historical results of operations.

The following discussion and analysis of our financial condition and results of operations should be read in conjunction with our consolidated financial statements and related notes that appear in this Form C. In addition to historical consolidated financial information, the following discussion contains forward-looking statements that reflect our plans, estimates, and beliefs. Our actual results could differ materially from those discussed in the forward-looking statements. Factors that could cause or contribute to these differences include those discussed below and elsewhere in this Form C, particularly in "Risk Factors."

IMPORTANT: THE FOLLOWING FINANCIAL FIGURES ARE UNAUDITED

Results of Operations

Wildflower Management, Corp. transitioned from its pre-operational phase into active operations during 2024, marking the Company's first year of revenue generation.

In 2024, the Company reported total revenue of \$188,500, reflecting the commencement of property management and leasing activities that support the operations of Wildflower Mountain Ranch Inc. The Cost of Goods Sold (COGS) was \$1,979, resulting in a gross profit of \$186,521.

Operating expenses for 2024 totaled \$166,452, with the most significant components being payroll expenses of \$100,471, rent of \$30,154, and officer's compensation of \$24,000. Other expenses included repairs and maintenance of \$4,040, utilities of \$2,767, legal and professional fees of \$2,500, and general administrative costs such as office expenses, insurance, and telecommunications. These expenditures reflect the costs associated with scaling operations, staffing, and maintaining the Company's facilities.

As a result, the Company achieved an operating profit of \$20,069 in 2024. After accounting for a deferred tax expense of \$(234) and federal/state taxes of \$(5,444), the Company recorded a net profit of \$14,391.

By comparison, in 2023, the Company reported no revenue and a net loss of \$(572), as operations had not yet commenced. The improvement in 2024 demonstrates the successful transition to revenue-generating activities and highlights the Company's strengthened financial position as it continues to expand operations in support of Wildflower Mountain Ranch Inc.

Cash Flows

For the year ended December 31, 2024, Wildflower Management, Corp. reported net income of \$14,391, compared to a net loss of \$(572) in 2023. Cash flow from operating activities generated \$20,069 in 2024, reflecting both the profitability achieved during the year and the positive impact of an increase in current liabilities of \$5,444. By comparison, operating activities in 2023 resulted in a net outflow of \$(827), primarily due to the Company's pre-operational status and limited activity.

There were no cash flows related to investing activities in either 2024 or 2023, as the Company did not acquire significant property or equipment during these periods.

Cash flow from financing activities in 2024 resulted in a net inflow of \$6,536, driven by a \$9,000 loan received from Wildflower Mountain Ranch, Inc., partially offset by a \$(2,464) loan to a director. In contrast, financing inflows in 2023 totaled \$26,200, primarily from \$35,200 in capital contributions, partially offset by a \$(9,000) repayment of a loan to Wildflower Mountain Ranch, Inc.

As a result, the Company recorded a net increase in cash and cash equivalents of \$26,605 in 2024, bringing the year-end cash balance to \$51,978, compared to \$25,373 at the end of 2023.

The significant improvement in operating cash flows during 2024 reflects the Company's transition from its setup phase to active operations, supported by revenue-generating property management and leasing activities. These cash inflows provide stability for covering ongoing operating expenses and support reinvestment into future expansion initiatives.

Our historical results and cash flows are not indicative of future performance, as 2024 marks the beginning of sustained operational activities, positioning the Company for continued growth.

Liquidity and Capital Resources

As of December 31, 2024, Wildflower Management, Corp. reported total assets of \$54,442, an increase from \$34,607 at the end of 2023. This growth was primarily driven by higher cash and cash equivalents, which rose to \$51,978 at year-end, reflecting positive operating cash flows from newly established revenue-generating activities. Non-current assets totaled \$2,464, consisting of a loan to a director, compared to \$9,234 in 2023, which at that time included a \$9,000 loan to Wildflower Mountain Ranch Inc. and a deferred tax asset of \$234.

Total liabilities at year-end 2024 were \$5,444, representing tax payable, compared to zero liabilities in 2023. The recognition of this tax payable reflects the Company's first profitable year of operations.

Stockholders' equity increased to \$48,998 in 2024 from \$34,607 in 2023. This growth was largely due to the Company's net income of \$14,391 for 2024, which offset the prior year's accumulated deficit of \$(593). Common stock and additional paid-in capital remained unchanged at \$35,200.

As of December 31, 2024, total assets balanced against total liabilities and stockholders' equity of \$54,442. The Company's strengthened liquidity position and positive equity base reflect its successful transition from the setup phase into active operations. With operating revenues now established, management expects to continue generating sufficient liquidity to support near-term obligations, reinvest in campus expansion, and pursue its long-term objective of enhancing therapeutic residential facilities for Wildflower Mountain Ranch Inc.

Outlook

The Company expects to fund its operations and capital expenditure requirements through a combination of operating cash flows, cash and cash equivalents, proceeds from this offering, and available credit facilities. To support continued growth and the planned expansion of our campus, we may also pursue additional financing through public or private equity offerings, debt instruments, or strategic partnerships. However, there can be no assurance that such funding will be available on favorable terms or at all.

Given the Company's business model, unforeseen events or new business developments may arise, potentially requiring additional capital to support further expansion or adapt to changing market conditions. While management remains optimistic about the Company's long-term prospects, there can be no guarantees regarding the outcome of future initiatives, and any substantial new projects would likely necessitate additional financing.

In 2024, the Company began revenue-generating operations, reporting total revenue of \$188,500. This achievement reflects the successful transition from setup to active operations and demonstrates the Company's ability to generate meaningful income through leasing and property management activities for Wildflower Mountain Ranch Inc. As the Company advances with its campus expansion plans, including acquiring additional land and constructing new facilities to increase resident capacity, management

expects these initiatives to further strengthen financial performance in the coming years. Nonetheless, investors should recognize that historical results may not be indicative of future performance or cash flows, given the evolving nature of the business and market environment.

The Company is seeking a minimum of \$50,960 in this offering, which will enhance liquidity and further strengthen the balance sheet. While these proceeds, along with any additional capital raised, will support operational and strategic priorities, they are not essential for the Company's viability over the next 12 months. Management believes that existing cash reserves, combined with revenues already being generated and the proceeds of this offering, will be sufficient to finance operations for at least the next 12 months.

Appendix A - BUSINESS AND ANTICIPATED BUSINESS PLAN

Executive Summary

Wildflower Management, Corp. is a real estate investment and management company that acquires and manages properties leased to **Wildflower Mountain Ranch Inc. (WMR)**, a nonprofit organization offering therapeutic treatment to young girls with mental health challenges. Our approach combines a socially impactful mission with stable, long-term returns, ensuring that each property is purpose-built to support WMR's programs and provide a safe, nurturing environment for residents.

This business plan details our strategic vision, operational model, financial projections, and investment structure. Through an expansion of our existing campus, we aim to increase WMR's

capacity to serve more residents, creating a cohesive, village-style therapeutic environment that meets growing demand while generating reliable rental and property management income.

Mission and Vision

Wildflower Management, Corp. is dedicated to providing long-term real estate solutions that enable **Wildflower Mountain Ranch Inc.** to deliver high-quality mental health treatment for young girls in a stable, nurturing environment. By focusing on the expansion of the current campus, we ensure that each resident benefits from a well-supported setting tailored to their therapeutic needs.

Mission:

To secure and manage residential real estate that allows Wildflower Mountain Ranch Inc. to provide exceptional therapeutic care in a safe, purpose-built environment.

Vision:

To be the leading real estate partner in the therapeutic residential sector, offering sustainable housing solutions that support both our investors and the young residents served by Wildflower Mountain Ranch Inc.

Company Overview

Founded in April 2022, **Wildflower Management, Corp.** was established to meet the demand for specialized residential real estate tailored to the needs of therapeutic care providers. We lease our properties exclusively to **Wildflower Mountain Ranch Inc. (WMR)**, an organization that provides trauma-informed care, animal-assisted therapies, and family counseling to adolescent girls with complex mental health challenges. Our real estate model directly supports WMR's treatment programs, which include equine therapy, group therapy, life skills training, and family support services.

About Wildflower Mountain Ranch Inc.:

WMR offers a unique, specialized approach to mental health treatment for young girls, incorporating trauma-informed care, animal therapy, and individualized family support. The organization's treatment model includes equine therapy, family counseling, and mentoring, creating a nurturing, inclusive community for residents and their families. As a nonprofit organization, WMR partners with adoption assistance programs to support post-adoptive families, many of whom face unique challenges with trauma and mental health.

Long-Term Goals for WMR:

Currently operating with a capacity for 10 residents, WMR is seeking to expand its campus to serve an additional 16-20 young girls, filling an urgent need for specialized mental health treatment options. This expansion will allow WMR to continue providing its high-impact therapeutic programs, ensuring each resident has access to supportive services within a community-oriented setting.

Expansion Strategy: Barndominium / Equestrian Therapy Campus

To meet the increasing demand for WMR's services, Wildflower Management, Corp. is embarking on a comprehensive campus expansion project that will significantly increase the facility's capacity. This expansion will involve acquiring **6 acres of land** surrounding the existing campus and constructing new buildings designed to support therapeutic needs. The goal is to create a more extensive, all-inclusive campus where therapeutic programs and daily living can occur seamlessly in one location.

Project Highlights:

- **Land Acquisition and Construction:** The expansion project includes the purchase of 6 acres of land surrounding the campus at an estimated cost of \$400,000. This additional land will allow for the development of specialized facilities tailored to the unique needs of WMR's residents.
- **Increased Resident Capacity:** From the current 10 residents, the expanded campus will be able to support up to 30 young girls. The additional capacity will be structured as

bungalows with each unit housing a group of four residents, enabling WMR to maintain small-group treatment while providing more individualized attention.

- **Therapeutic and Recreational Facilities:** The expanded campus will feature purpose-built facilities for equine therapy, family and group counseling, and recreational activities. At the center of this expansion will be a specialized “barndominium” complex designed and built by Roper Buildings. This multipurpose structure will provide housing and dedicated spaces for therapy animals, supporting WMR’s animal-assisted therapy programs.
- **Flexible Group Living Environment:** The bungalows are designed to foster a family-style environment, encouraging social interactions and a sense of belonging. This setup also supports group therapy and life skills training, which are integral parts of WMR’s treatment approach.
- **Estimated Costs and Timeline:** Cost estimates for land development, building construction, and outfitting of the facilities will be finalized through discussions with WMR founders Jeff and Bridget Kilgrow. The phased construction plan allows for portions of the campus to be put into operation as soon as possible to meet immediate demand.

Investment Objective:

The goal of this offering is to bring investors together to raise sufficient capital for the purchase and development of land tailored to the needs of an existing tenant: **Wildflower Mountain Ranch Inc.** (WMR). WMR is a nonprofit organization committed to helping young girls improve their mental health through specialized care, including therapies such as equine/animal therapy, neurofeedback, trauma-informed care, and more. This funding will enable the construction of a specialized “barndominium” complex, which will provide space for therapy animals and support the girls’ therapeutic needs. This strategic expansion allows Wildflower Management, Corp. to increase lease and property management revenue while meeting the urgent need for additional resident capacity.

Long-Term Vision for Campus Expansion:

Our goal is to create a fully integrated campus where Wildflower Mountain Ranch Inc. can continue delivering its specialized mental health services to a larger group of residents in need. The expanded campus will serve as a village-style setting, enabling WMR to offer holistic care within a structured, flexible environment. This investment will facilitate long-term growth for

both Wildflower Management, Corp. and Wildflower Mountain Ranch Inc., ultimately contributing to positive, life-changing outcomes for each resident.

Business Model

Wildflower Management, Corp. generates revenue by leasing the expanded campus facilities to Wildflower Mountain Ranch Inc., creating a consistent and secure income stream. In addition to rental income, we also provide property management services for the campus, further enhancing revenue while supporting WMR's mission.

Revenue Structure:

- **Long-Term Leasing:** WMR is the sole tenant of Wildflower Management, Corp.'s properties, providing stable, long-term rental income.
- **Property Management Income:** In addition to rental income, Wildflower Management, Corp. will earn revenue by offering property management services, ensuring the campus operates smoothly and meets the needs of WMR's therapeutic programs.
- **Dividends and Capital Appreciation:** Investors receive regular dividends from rental and property management income, with additional benefits from potential capital appreciation as property values increase.
- **Enhanced Revenue Through Campus Expansion:** By expanding the current site, Wildflower Management, Corp. can increase its overall income, generating higher lease and property management payments from WMR as the resident capacity grows.

2025 Financial Projections:

- **Projected Lease and Property Management Income:** With the expanded capacity, WMR will make monthly lease payments and property management fees that align with

the increased resident numbers. These payments are projected to grow based on the added value of the expanded campus facilities.

- **Operating Expenses:** Monthly expenses will cover insurance, utilities, and maintenance. The streamlined campus setup will minimize expenses compared to managing multiple properties, improving overall efficiency.
- **Depreciation:** The new campus structures will be depreciated on a Straight Line basis over 30 years, with no salvage value.

Market Analysis

U.S. Real Estate Market Overview:

The U.S. real estate market has experienced significant growth, with a 49.6% increase in median home prices from Q3 2014 to Q3 2024. In 2024, the Federal Reserve's anticipated reduction in interest rates is expected to stimulate real estate investment by lowering mortgage costs, creating favorable conditions for residential real estate expansion. This aligns with Wildflower Management, Corp.'s decision to invest in campus expansion, taking advantage of projected market stability.

Target Market and Demand for Therapeutic Residential Facilities:

Wildflower Management, Corp. operates in a niche within the residential real estate market, focusing on properties used for youth mental health treatment. As awareness of mental health challenges among adolescents grows, the demand for therapeutic residential facilities like WMR continues to increase. This expansion addresses the shortage of supportive housing options specifically tailored to mental health needs, allowing Wildflower Management, Corp. to provide value in a socially impactful and financially sustainable way.

Competitive Analysis:

Our model differentiates Wildflower Management, Corp. from traditional real estate investments. Unlike standard residential properties or REITs, we offer investors the chance to support a nonprofit organization focused on mental health treatment while enjoying stable returns. This blend of financial stability and social impact is unique, appealing to socially responsible investors.

Marketing Strategy

Our marketing efforts will focus on highlighting the dual benefits of investing with Wildflower Management, Corp., emphasizing both the financial returns and the opportunity to make a positive difference in youth mental health. Key components of the strategy include:

1. **Impact Messaging:** Promoting our role in expanding WMR's capacity to serve more residents will resonate with investors focused on social impact and community support.
2. **Educational Content:** We will provide materials detailing the advantages of real estate investments in the therapeutic sector, explaining how Wildflower Management, Corp. is different from conventional real estate investments.
3. **Investor Outreach and Crowdfunding:** We plan to leverage equity crowdfunding platforms to reach investors interested in lower investment thresholds, particularly those drawn to impactful investments.
4. **Strategic Partnerships:** By collaborating with mental health organizations and family therapy groups, we will build awareness of Wildflower Management, Corp. and promote investment opportunities within relevant communities.

Financial Assumptions and Projections

Our financial projections are based on conservative estimates, considering property expenses, loan interest rates, and development costs.

Key Financial Assumptions:

- **Property Expansion Costs:** Costs for the land acquisition, development, and barndominium construction are based on estimates from experienced builders, with final figures to be confirmed.
- **Loan Structure:** Financing for expansion will involve a mix of investor capital and bank loans, ensuring manageable monthly payments.
- **Operating Expenses:** Monthly expenses for each bungalow include insurance, utilities, and repairs, streamlined through a campus setup.

Appendix B - RISK FACTORS

Our business and results of operations are affected by the performance of the property market in Utah and the US.

Our investment properties will be located in Utah. Any downturn or stagnation in these markets could adversely affect our financial performance. Fluctuations in demand, property values, or rental rates in Utah may impact our asset values, particularly as we expand the campus and rely on stable occupancy rates for sustainable rental income. Any adverse changes in the Utah or US real estate markets could have a material impact on our financial position.

We are highly dependent on rental and property management income from our tenant, Wildflower Mountain Ranch Inc.

Our business relies significantly on the rental income and property management fees generated from leasing and managing properties for Wildflower Mountain Ranch Inc. (WMR). We face risks associated with the leasing and management of these residential properties, including changes in market rental levels, competition for tenants, and the possibility of non-payment or delayed payments from WMR. As WMR is our primary tenant, any disruptions in their operations or inability to meet their financial obligations could severely impact our revenue. Additionally, we may face challenges in renegotiating or renewing lease agreements with WMR on favorable terms upon the expiration of existing leases. A downturn in the rental or property management markets, or any adverse developments related to WMR, may have a significant impact on our occupancy

rates and income, potentially affecting our business, results of operations, and financial condition.

Properties held for rental and management purposes will require regular renovations, repairs, and tenant turnover management.

Our properties will require ongoing maintenance, repairs, and periodic renovations to maintain their appeal and functionality for WMR's therapeutic needs. If we are unable to perform these renovations and repairs efficiently or if unexpected maintenance needs arise, our financial results could be adversely affected. The need for tenant turnover management may lead to vacancies and reduced income during periods of re-letting, which could impact our revenue stream and increase our operational costs.

We may not be able to obtain adequate funding or capital on commercially favorable terms for campus expansion or future development projects.

Real estate investment and development are capital-intensive activities. Our campus expansion project and any additional developments require substantial capital investment, typically funded through operating cash flows, bank loans, and proceeds from securities offerings. However, we cannot guarantee that these funding sources will be sufficient or that additional financing will be available on favorable terms, or at all. Our ability to secure financing for expansion and development depends on various factors beyond our control, including market conditions and interest rates. Without sufficient financing, our ability to execute on growth strategies and enhance our investment portfolio may be limited, potentially affecting our competitive position and growth prospects.

We are subject to certain restrictive covenants and risks associated with debt financing, which may limit or otherwise adversely affect our operations.

Debt financing involves restrictive covenants that may limit our operational flexibility. For properties under mortgage, entering into lease agreements may be subject to lender consent, which could impose restrictions on rental rates, lease duration, or other terms. Failure to obtain lender consent, or the imposition of unfavorable restrictions, could adversely affect our ability to lease properties on favorable terms. Additionally, increased

debt obligations and restrictive covenants may limit our ability to respond to market changes or pursue new opportunities, potentially affecting our financial condition and growth prospects.

Our long-term investment strategy in campus expansion may not generate adequate returns.

Our properties are held primarily for long-term investment, with returns dependent on a mix of rental income, property management fees, and capital appreciation. Effective long-term management and maintenance are crucial for maximizing yields and preserving the value of our properties. Market conditions and changes in property values, rental rates, or tenant demand could impact our revenue potential and the eventual resale value of our properties. If the investment returns from our expanded campus do not meet expectations, or if operational costs increase unexpectedly, our financial condition, results of operations, and future prospects could be adversely affected.

Changes in interest rates may impact our profitability and results of operations.

Our financing costs and overall profitability are sensitive to changes in interest rates. Rising interest rates may increase our debt service obligations, making it more expensive to finance property acquisitions and development projects. Additionally, changes in interest rates may affect property values and investment demand. If we are unable to mitigate the impact of rising interest rates, our business, financial condition, and results of operations could be materially and adversely affected.

We may face significant risks if we fail to fulfill our debt obligations, including the risk of foreclosure.

Failure to meet our financing obligations could result in default, leading to potential foreclosure actions and the loss of our properties. A default on mortgage or other debt obligations could damage our reputation, limit our ability to secure future financing, and have a material adverse effect on our business. Foreclosure actions initiated by lenders could result in the loss of properties securing the debt, negatively impacting our financial position and growth potential.

We may not generate sufficient cash flow to cover our operating expenses and service debt obligations.

Our ability to generate sufficient cash flow depends on the performance of our properties and our success in attracting and retaining WMR as a tenant. Changes in economic conditions, interest rates, or market demand may impact our revenue generation. Insufficient cash flow could force us to adopt alternative strategies, such as reducing capital expenditures, disposing of assets, restructuring debt, or seeking additional equity financing. These strategies may not be viable or may have adverse effects on our business and financial performance.

Our insurance may not cover all potential losses and claims.

Our insurance policies may not fully cover all potential damages or liabilities related to our properties or operations. Certain risks, such as those associated with natural disasters, business interruptions, or civil disturbances, may not be covered or may be insufficiently covered under our current policies. If significant losses or liabilities arise that are not covered by insurance, we may lack the funds to cover these expenses, potentially affecting our financial stability and ability to maintain operations.

Risks Related to Wildflower Mountain Ranch Inc.

Our revenue is highly dependent on rents and property management fees from Wildflower Mountain Ranch Inc., and any operational difficulties faced by WMR may adversely affect our financial results.

Wildflower Management, Corp. derives the majority of its revenue from rent and property management fees paid by Wildflower Mountain Ranch Inc. If WMR encounters operational or financial difficulties, or if demand for its services declines, our revenue and profitability could be significantly impacted. Our dependence on WMR makes us particularly vulnerable to challenges related to WMR's business, including changes in community perception, demographic trends, and competition in the therapeutic residential sector. Failure of WMR to operate successfully would likely result in reduced

occupancy rates, lower rental income, and decreased property management fees, materially impacting our financial condition and results.

Our business may suffer if Wildflower Mountain Ranch Inc. is unable to attract and retain qualified mental health professionals and administrators.

The success of WMR depends on its ability to recruit and retain qualified clinical mental health counselors, therapists, and administrators. A shortage of qualified professionals or high turnover rates may limit WMR's ability to provide high-quality therapeutic services, which could impact the occupancy rate and revenue potential of our properties. Competition for mental health professionals is intense, and WMR may struggle to compete on compensation, reputation, and facility quality, impacting its operational effectiveness and, in turn, our financial results.

If Wildflower Mountain Ranch Inc. loses its 501(c)(3) charity status, it may lose access to essential federal grants, which could adversely impact our revenue.

Wildflower Mountain Ranch Inc. is a 501(c)(3) nonprofit organization eligible for federal grants, which are essential for funding its mental health services. If WMR fails to maintain its 501(c)(3) status, it would lose eligibility for these grants, potentially jeopardizing its financial stability. As Wildflower Management, Corp. relies on revenue from WMR, any loss of grant funding could have adverse financial consequences for WMR and, consequently, for our revenue and profitability.

The owners of the Shares are also entitled no anti-dilution rights (other than proportionate adjustments for stock splits and similar events) and therefore future equity financings may dilute their ownership percentage in Wildflower Management, Corp;

d. Wildflower Management, Corp is entitled to rely on the representations and warranties of the Subscriber contained in this Agreement and the Subscriber will hold harmless Wildflower Management, Corp from any loss or damage it or they may suffer as a result of any inaccuracy therein;

e. the Subscriber will indemnify and hold harmless Wildflower Management, Corp and, where applicable, its directors, officers, employees, agents, advisors and shareholders, from and against any and all loss, liability, claim, damage and expense whatsoever (including, but not limited to, any and all fees, costs and expenses whatsoever reasonably incurred in investigating, preparing or defending against any claim, lawsuit, administrative proceeding or investigation whether commenced or threatened) arising out of or based upon any representation or warranty of the Subscriber contained in this Agreement or in any document furnished by the Subscriber to Wildflower Management, Corp in connection herewith being untrue in any material respect or any breach or failure by the Subscriber to comply with any covenant or agreement made by the Subscribers to Wildflower Management, Corp in connection therewith;

f. the Subscriber acknowledges that Wildflower Management, Corp has the right in its sole and absolute discretion to stop this securities offering at any time prior to the deadline of the securities offering set forth in the Form C. This Share Subscription Agreement shall thereafter have no force or effect and Wildflower Management, Corp shall return any previously paid subscription price of the Shares, without interest thereon, to the Subscriber;

g. the Subscriber has been advised to consult its own legal, tax and other advisors with respect to the merits and risks of an investment in the Shares and with respect to applicable resale restrictions, and it is solely responsible (and Wildflower Management, Corp is not in any way responsible) for compliance with:

(i) any applicable laws of the jurisdiction in which the Subscriber is resident in connection with the distribution of the Shares hereunder, and

(ii) applicable resale restrictions;

h. neither the SEC nor any other securities commission or similar regulatory authority has reviewed or passed on the merits of the Shares;

i. no documents in connection with the sale of the Shares hereunder have been reviewed by the SEC or any state securities administrators; and

j. there is no government or other insurance covering any of the Shares.

3. Representations, Warranties and Covenants of the Subscriber.

3.1 The Subscriber hereby represents and warrants to and covenants with Wildflower Management, Corp (which representations, warranties and covenants shall survive the Closing) that:

- a. the Subscriber has received and carefully read this Agreement;
- b. the Subscriber is subscribing to the Shares as principal for investment only and not with a view to, or for, resale, distribution or fractionalization thereof, in whole or in part, and, in particular, it has no intention to distribute either directly or indirectly any of the Shares in the United States or to U.S. Persons;
- c. the Subscriber is aware that an investment in Wildflower Management is speculative and involves certain risks, including the possible loss of the entire investment, and that the current share valuation placed on Wildflower Management is not based on a formal business valuation but is rather a projected valuation based on various factors outlined in the Form C, including but not limited to estimated value of similar companies;
- d. the Subscriber has made an independent examination and investigation of an investment in the Shares and Wildflower Management, Corp and depends on the advice of its legal and financial advisors and agrees that Wildflower Management, Corp will not be responsible in any way whatsoever for the Subscriber's decision to invest in the Shares and Wildflower Management, Corp; and
- e. no person has made any written or oral representations to the Subscriber:
 - (i) that any person will resell or repurchase any of the Shares;
 - (ii) that any person will refund the Subscription Price of any of the Shares; or
 - (iii) as to the future price or value of any of the Shares;

3.2 Representations and Warranties will be Relied Upon by Wildflower Management, Corp. The Subscriber acknowledges that the representations and warranties contained herein, if applicable, are made by it with the intention that such representations and warranties may be relied upon by Wildflower Management, Corp and its legal counsel in determining the Subscriber's eligibility

to subscribe the Shares under applicable securities legislation, or (if applicable) the eligibility of others on whose behalf it is contracting hereunder to subscribe the Shares under applicable securities legislation. The Subscriber further agrees that by accepting the Shares on the closing date (as herein defined), that the representations and warranties contained herein, if applicable, are true and correct as at the closing date with the same force and effect as if they had been made by the Subscriber on the closing date and that they will survive the subscription by the Subscriber of the Shares and will continue in full force and effect notwithstanding any subsequent disposition by the Subscriber of such Shares.

4. Further Assurances. Each party hereto agrees to execute, on request, all other documents and instruments as the other party shall reasonably request, and to take any actions, which are reasonably required or desirable to carry out obligations imposed under, and affecting the purposes of, this Agreement. Subscriber hereby authorizes Wildflower Management, Corp to correct any minor errors in, or complete any minor information missing from, any document relating to the subscription. This Agreement, and all other documents, may be signed by the parties in counterparts and by fax, e-mail, or electronic signature.

5. The Closing. The closing of the purchase and sale of the Securities (the "Closing") shall take place at 30 Apr 2026, or at such other time and place as the Company may designate by notice to the undersigned.

6. Governing Law and Jurisdiction. This Agreement shall be governed by the substantive law of the State of Utah, without the application of any conflict of laws principle that would require the application of the law of any other jurisdiction.

7. Notices and Consents. Subscriber acknowledges and agrees that Wildflower Management, Corp shall, to the fullest extent allowed by the law, be entitled to communicate with Subscriber entirely by e-mail, and this includes, without limitation, all correspondence and notices required by applicable corporate or securities law, and with respect to reports to shareholders, shareholder meetings, and shareholder votes.

IN WITNESS WHEREOF, the parties have executed this Agreement as of the day and year first above written.

Independent Accountant's Review Report

The Board of Directors
Wildflower Management Corp

We have reviewed the accompanying financial statements of Wildflower Management Corp, which comprise the Balance Sheets as of December 31, 2024 and 2023, the related statements of income, Statements of Changes in Stockholders' Equity, Cash flows for the years then ended and the related notes to the Financial Statements. A review includes primarily applying analytical procedures to management's financial data and making inquiries of company management. A review is substantially less in scope than an audit, the objective of which is the expression of an opinion regarding the financial statements as a whole. Accordingly, I do not express such an opinion.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement whether due to fraud or error.

Accountant's Responsibility

My responsibility is to conduct the review engagements in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the American Institute of Certified Public Accountants. Those standards require me to perform procedures to obtain limited assurance as a basis for reporting whether I am aware of any material modifications that should be made to the financial statements for them to be in accordance with accounting principles generally accepted in the United States of America. I believe that the results of my procedures provide a reasonable basis for our report.

Accountant's Conclusion

Based on my reviews, I am not aware of any material modifications that should be made to the accompanying financial statements in order for them to be in accordance with accounting principles generally accepted in the United States of America.
