Wellness Partners Hawaii, Inc.
Independent Business Owner
January 2018 - Present (5 years 2 months)
Hawaiian Islands

www.wellnesspartnershawaii.com

Wellness Partners Hawaii Inc. is a locally owned, online tele mental health clinic. We strive to increase mental health awareness and accessibility across all Hawaiian islands via the use of technology.

Through therapy, medication management and genetic testing, we will work together to assess your goals, consider the best approaches to meet them, and continue to find ways to improve yourself, relationships, work, and overall life. Together, we will collaborate to develop an individualized plan facilitating stability and further growth and development.

Altres Medical Staffing
Clinical Nurse Aide
January 2012 - April 2013 (1 year 4 months)

I work for various hospitals who are in need of augmented staffing.

Breast and Cervical Cancer Control
Program Coordinator
March 2011 - April 2013 (2 years 2 months)

I seek out women between the ages of 40 and 64 who do not have medical insurance or are underinsured who meet specific income requirements and are United States citizens, permanent residents, or from a COFA member country. These women receive cervical and breast cancer screening on an annual basis.

Manage clinical operations including patient outreach, appointment scheduling via Epic, case management, and office management

Develop marketing strategies and material to promote the program including providing presentations to interested groups

Work with the Hawaii Department of Health to identify people in need of the services provide through the program

Successfully acquired a \$26,000 Avon Foundation grant to educate women on breast health and encourage them to receive yearly screenings

Tripler Army Medical Center
American Red Cross Volunteer
February 2012 - June 2012 (5 months)

I volunteer in the Adult ICU.
