Katie Bramlett

Co-Founder at WeShape
Santa Cruz, California, United States

Summary

We're shaping a new way in wellness, less about how you look, more about how you feel.

Use our product....

-to connect with your body

-to feel better (more energy, less pain, etc.)

Do NOT use our product....

-to reach a number on the scale

-to reach a body that the toxic exercise culture told you to have

Experience

WeShape
