Sure thing, and thank you - very helpful to have this waiting in the wings to help us unlock the matching funds quickly.

Yeah, we're going to launch the campaign in late January once we get some production support and research from an ad agency in town. But if you'd rather just invest now instead of waiting, attached is the membership & operating agreements. Thank you!

Hi Remington,

I signed up on wefundr and found you and the movie, but it doesn't appear that I can invest there. It has a message that says "Follow Land Lord to be notified if they later decide to raise funding."

Hey Kyle!

Alex told me you were interested in investing in our film, thank you so much.

We just got word from Render, a tech startup fund here in town, that they will match up to \$20,000 raised on WeFunder. It's like Kickstarter, but you actually own parts of the project.

We can offer the same terms (15% ROI, 50/50 split on net proceeds) if you would invest through that campaign and help us hit that benchmark. But let me know what you think.

Thanks!

# Notice: Closing Date Extension 2

Happy Holidays Everyone!

I'm happy to announce that local startup fund Render Capital has accepted our application to be a part of their Match program, where they will match up to \$20,000 raised through WeFunder. Ad agency Kertis Creative is willing to help us with the campaign pro bono, but is not free until next month.

As mentioned in the operating agreement, the Closing Date could be extended "provided that no extension shall exceed one (1) year unless otherwise deemed necessary by the Manager(s) due to circumstances beyond the control of the Manager(s) (e.g. difficulties relating to Covid-19)."

So, I am officially extending the Closing Date to April 1, 2023. Please reply

In next month with details about the campaign as we get ready to launch. In 2nd month we have started location scouting, are working on music with our composers. And with the film office to get the location application and are preparing our casting call. We getting ready.

If you request the poster for the poster last few weeks we will be able to start making the creative process of actually making the poster. See you next year.
