* Musaffa LLC was formed on December 14, 2020, under the name Amanatrade LLC, before filing an amendment on November 9, 2021, changing the name to Musaffa LLC. On June 22, 2022, the Company acquired Musaffa LLC. Musaffa Financial Solutions LLC is based in Uzbekistan and was formed for business operations in the country on November 19, 2021. The Company acquired Musaffa Financial Solutions LLC on January 6, 2023. Although the Company was formed subsequent to the formation of the Musaffa LLC and Musaffa Financial Solutions LLC, for purposes of these financial statements, all prior activities of the subsidiaries have been combined with that of Musaffa Inc. for the periods presented, as the anticipated use of the financials is for investor-purposes of understanding the brand's operations as entities who conducted the core business (predecessor) prior to formation of Musaffa Inc. In December 2023, the Company began the process of forming a subsidiary, Musaffa Financing Broker Co., in Dubai, UAE for purposes of business operations in the country. Currently, Musaffa Financing Broker Co. is affiliated to Musaffa Inc., through full ownership by co-founder, Dilshod Jumaniyazov. This is an interim solution while we are working to transfer full ownership to Musaffa, Inc.

THE OFFERING AND THE SECURITIES

The Offering

The Company is offering a minimum amount of \$12,001.32 (the “**Target Offering Amount**”) and up to a maximum amount of \$1,200,000.42 (the “**Maximum Offering Amount**”) of Class B Common Stock (the “**Securities**”) on a best efforts basis as described in this Form C/A (this “**Offering**”), including the anticipated investor processing fee (see below). The minimum individual subscription amount is \$1,500.00, consisting of 500 shares at a share purchase price of \$3.00 (“**Minimum Individual Subscription Amount**”). In addition, there will be an investor processing fee of 2% for such Minimum Individual Subscription Amount (See “**Investor Processing Fee**” below). The maximum individual subscription amount is \$1,200,000.42 (for accredited investors), consisting of a 400,000 share purchase at \$3.00 (i.e. an investment of this size would not incur an Investor Processing Fee because the investment amount exceeds \$4,999.99) (“**Maximum Individual Subscription Amount**”). The Company reserves the right to amend the Minimum Individual Subscription Amount and Maximum Individual Subscription Amount, in its sole discretion. In particular, the Company may elect to participate in one of the Intermediary’s special investment programs and may offer alternative Minimum Individual Subscription Amounts and Maximum Individual Subscription Amounts to Investors participating in such programs without notice. The Company must raise an amount equal to or greater than the Target Offering Amount by October 11, 2026 (the “**Offering Deadline**”). Unless the Company receives investment commitments, which are fully paid for and meet all other requirements set by this Offering, in an amount not less than the Target Offering Amount by the Offering Deadline, no Securities will be sold in this Offering, all investment commitments will be canceled and all committed funds will be returned.

Investment commitments may be accepted or rejected, in whole or in part, by the Company, in its sole and absolute discretion. The Company has the right to cancel or rescind its offer to sell the Securities at any time and for any reason. Investors must complete the purchase process through our intermediary, DealMaker Securities LLC (the “**Intermediary**”). All committed funds will be held in escrow with Enterprise Bank & Trust, a Missouri chartered trust company with banking powers (the “**Escrow Agent**”) until the Target Offering Amount has been met or exceeded and one or more closings occur.

The price of the Securities was determined arbitrarily, does not necessarily bear any relationship to the Company’s asset value, net worth, revenues or other objective established criteria of value, and should not be considered indicative of the actual value of the Securities.

Investment Confirmation Process

In order to purchase the Securities, you must make a commitment to purchase by completing the subscription process hosted by the Intermediary (as defined above), including complying with the Intermediary’s know your customer (KYC) and anti-money laundering (AML) policies. **If an Investor makes an investment commitment under a name that is not their legal name, they may be unable to redeem their Security indefinitely, and neither the Intermediary nor the Company are required to correct any errors or omissions made by the Investor.**

Cancellations and Early Closing

Investors may cancel an investment commitment until up to 48 hours prior to the Offering Deadline, or such earlier time as the Company designates pursuant to Regulation CF, using the cancellation mechanism provided by the Intermediary. If an investor does not cancel an investment commitment before the 48-hour period prior to the Offering Deadline, the funds will be released to the Issuer upon closing of the Offering and the investor will receive securities in exchange for his or her investment.

Investors using a credit card to invest must represent and warrant to cancel any investment commitment(s) by submitting a request through the Intermediary at least 48 hours prior to the Offering Deadline, instead of attempting to claim fraud or claw back their committed funds. If the investor does not cancel an investment commitment before the 48-hour period prior to the Offering Deadline, the funds will be released to the Issuer and the investor will receive their Securities.

The Company will notify Investors when the Target Offering Amount has been reached through the Intermediary. If the Company reaches the Target Offering Amount prior to the Offering Deadline, it may close the Offering early *provided* (i) the expedited Offering Deadline must be twenty-one (21) days from the time the Offering was opened,

(ii) the Intermediary must provide at least five (5) business days' notice prior to the expedited Offering Deadline to the Investors and (iii) the Company continues to meet or exceed the Target Offering Amount on the date of the expedited Offering Deadline. Investors who committed on the date such notice is provided or prior to the issuance of such notice will be able to cancel their investment commitment until 48 hours before such early closing date. In an early closing, the Offering will terminate upon the new target date, which must be at least five days from the date of the notice.

Intermediate (Rolling) Closings

If the Issuer conducts an initial closing (the **"Initial Closing"**), the Issuer will only conduct such Initial Closing if there are more than twenty-one (21) days remaining before the Offering Deadline as of the date of the Initial Closing. The Issuer may conduct another close (a **"Subsequent Closing"**) before the Offering Deadline. All Subsequent Closings are rolling closings. During a rolling closing, those investors that have committed funds will be provided five days' notice prior to acceptance of their subscriptions, release of funds to the Issuer, and issuance of securities to the investors. During this time, the Issuer may continue soliciting investors and receiving additional investment commitments. Investors should note that if investors have already received their securities, they will not be required to reconfirm upon the filing of a material amendment to Form C. In an early closing, the Offering will terminate upon the new target date, which must be at least five days from the date of the notice.

Any investment commitments received after an intermediate closing will be released to the Issuer upon a subsequent closing and the Investor will receive evidence of the Securities via electronic certificate/PDF in exchange for their investment commitment as soon as practicable thereafter.

Investor Processing Fee

Investors participating in the Offering shall be subject to investor processing fees (the **"Investor Processing Fee"**) as follows:

1. For investments between \$1,500.00 and \$4,999.99, an Investor Processing Fee of two percent (2%) shall apply.
2. For any single investment totaling \$5,000 or more made in one payment, no Investor Processing Fee shall be charged for the whole amount. For the avoidance of doubt, multiple separate investments may not be aggregated or combined to meet the \$5,000 threshold to qualify for the Investor Processing Fee waiver.

Each investment will be considered distinct and separate from any previous investment when determining the Investor Processing Fee.

The Company reserves the right to adjust these fees at its sole discretion. The Intermediary will receive a cash commission on this fee.

Perks

DealMaker Securities LLC has not been engaged to assist in the distribution of the Perks, and will not receive any compensation related to them.

The Company is offering Investors three types of bonus shares consisting of (i) Investment Amount-Based Bonus Shares, (ii) Time-Based Bonus Shares, (iii) Event-Based Bonus Shares and (iv) Loyalty-Based Bonus Shares (collectively, **"Bonus Shares"**) at no additional consideration but subject to certain conditions (collectively, the **"Perks"**). All investment amounts set forth below do not include the Investor Processing Fee charged by the Intermediary. To receive any Perks, the entire investment amount that qualifies for the Perks must be made under a single Subscription Agreement. Multiple subscriptions during the term of this Offering do not stack up. Each subscription will be evaluated separately for purposes of determining eligibility for and receipt of Perks. The Perks associated with each subscription will be determined based on the individual Investment amount and will not be combined with other subscriptions for calculation purposes. For clarity, if an Investor makes multiple investments during the Offering period, each individual investment will independently qualify for Perks based solely on that specific investment's amount, and such investments will not be aggregated to determine perk tier eligibility. Unless otherwise specified herein, Investors shall receive the Perks after the Offering Deadline, or at such time when the Securities are issued, or when this Offering is ended, unless the Offering is cancelled in accordance with the terms herein (**"Perks Assignment Date"**). The Company reserves the right to modify, suspend or discontinue any and all of the Perks, provided that any such modification shall not affect Perks already earned or assigned.

All applicable Bonus Shares categories shall be combined and calculated together for investments made under a single Subscription Agreement. Investments under multiple Subscription Agreements do not stack up. The percentages for each applicable Bonus Share type are added together, and the total percentage is then applied against the Investment Amount to determine the total Bonus Shares awarded. In the event that any fractional shares result from the combination of total shares, such fractional shares shall be rounded up to the nearest whole share. The following examples illustrate how Bonus Shares are stacked:

Example 1: New Investor investing \$15,000 on the Launch Date

- Loyalty-Based Bonus Shares: This Investor is a new Investor. As such, this Investor does not qualify for any Loyalty-Based Bonus Shares.

Total Bonus Shares: $3\% + 4\% = 7\%$

Bonus Shares Awarded: $(\$15,000 \div \$3.00) * 0.07 = 350$ number of Bonus Shares (rounded up to the nearest whole share)

Example 2: Existing Investor investing \$5,000 on the Day 11 from the Launch Date

- Investment Amount-Based Bonus Shares: A \$5,000 investment qualifies for a 2% Bonus Shares.
- Event-Based Bonus Shares: An investment made before 11:59 PM EDT on the Day 11 of the Launch Date, which falls in Week 2, qualifies for a 3% Bonus Shares.
- Loyalty-Based Bonus Shares: This investor qualifies for the Existing Investor Bonus Shares of 3%.

Total Bonus Shares: $2\% + 3\% + 3\% = 8\%$

We request that you please review this Form C/A and the Instrument attached as Exhibit B, in conjunction with the following summary information.

Transfer Agent and Registrar

The DealMaker Transfer Agent, LLC will act as the transfer agent and registrar for the Securities.

Investment in the Co-Issuer

Investors will make their investments by investing in interests issued by Musaffa CFV LLC, a Wyoming limited liability company, a special purpose investment vehicle exempt from registration under the Investment Company Act pursuant to Rule 270.3a-9 promulgated under the Securities Act of 1933 (“SPV”). The SPV will invest all amounts it receives from investors in securities issued by the Company. Interests issued to investors by the SPV will be in book entry form. This means that the investor will not receive a certificate representing his or her investment. Each investment will be recorded in the books and records of the SPV. In addition, investors’ interests in the investments will be recorded in each investor’s “Portfolio” page on the DealMaker platform. All references in this Form C/A to an Investor’s investment in the Company (or similar phrases) should be interpreted to include investments in a SPV.

Securities Issued by the SPV

Instead of issuing its securities directly to investors, the Company has decided to issue its securities to the SPV, which will then issue interests in the SPV to investors. The SPV has been formed as of November 13, 2023. The SPV has conducted audits of its financials and prepared the audit report for the year 2023. The SPV is managed by Dilshod Jumaniyazov, appointed manager of SPV (“Manager”) and is a co-issuer with the Company of the securities being offered in this offering (the “Co-Issuer”). The Company’s use of the SPV is intended to allow investors in the SPV to achieve the same economic exposure and ability to assert State and Federal law rights, and receive the same disclosures, as if they had invested directly in the Company. The Company’s use of the SPV will not result in any additional fees being charged to investors.

The SPV has been organized and will be operated for the sole purpose of directly acquiring, holding and disposing of the Company’s securities, will not borrow money and will use all of the proceeds from the sale of its securities solely to purchase a single class of securities of the Company. As a result, an investor investing in the Company through the SPV will have the same relationship to the Company’s securities, in terms of number, denomination, type and rights, as if the investor invested directly in the Company.

Voting Rights

If the securities offered by the Company and those offered by the SPV have voting rights, those voting rights may be exercised by the investor or his or her proxy. The applicable proxy is the person duly authorized by a Member or Manager pursuant to Operating Agreement of SPV, if the proxy is in effect.

Restriction on Transferability

The SPV securities are subject to restrictions on transfer, as set forth in the Subscription Agreement and the Operating Agreement of Musaffa CFV LLC, and may not be transferred without the prior approval of the Company, on behalf of the SPV.

Dividends and/or Distributions

The Securities will entitle Investors to distributions and dividends pursuant to the Articles of Incorporation and the Bylaws of the Company, as applicable, if and when such distributions or dividends are paid in the discretion of the Company. The Company cannot guarantee that Investors will receive distributions or dividends in respect of the investment.

Dissolution

If there is a **Dissolution Event** (as defined below), subject to the preferences applicable to any other series of stock then outstanding, the Company will distribute all proceeds legally available for distribution with equal priority among the (i) holders of the Securities (on an as converted basis based on a valuation of Common Stock as determined in good faith by the Company’s board of directors at the time of the Dissolution Event), (ii) all other holders of instruments sharing in the distribution of proceeds of the Company at the same priority as holders of Common Stock upon a Dissolution Event and (iii) all holders of Common Stock.

A “**Dissolution Event**” means (i) a voluntary termination of operations by the Company, (ii) a general assignment for the benefit of the Company’s creditors or (iii) any other liquidation, dissolution or winding up of the Company (excluding a Liquidity Event), whether voluntary or involuntary.

Termination

The Company may terminate the Offering at any time. The undersigned further understands that during and following termination of the Offering, the Company may undertake offerings of other securities, which may or may not be on terms more favorable to an investor than the terms of this Offering.

Voting and Control

The Securities have no voting rights unless otherwise provided for by the Company.

The Company does not have any voting agreements in place.

Anti-Dilution Rights

The Securities do not have anti-dilution rights, which means that future equity issuances and other events will dilute the ownership percentage that Investors may eventually have in the Company. Investors should understand and expect the potential for dilution. The Investor's stake in the Company could be diluted due to the Company issuing additional shares of stock or other convertible securities to other parties. In other words, when the Company issues more shares, the percentage of the Company that you own will go down, even though the value of the Company may go up (there is no guarantee that it will). You will own a smaller piece of a larger Company (or, if the value goes down, then a smaller piece of a smaller company). This increase in the number of shares outstanding could result from a stock offering (such as an initial public offering, another crowdfunding round, a venture capital round or angel investment), employees exercising stock options, or by conversion of certain instruments into stock.

Restrictions on Transfer

Any Securities sold pursuant to Regulation CF being offered may not be transferred by any Investor of such Securities during the one-year holding period beginning when the Securities were issued, unless such Securities are transferred: (1) to the Company; (2) to an accredited investor, as defined by Rule 501(d) of Regulation D promulgated under the Securities Act; (3) as part of an IPO; or (4) to a member of the family of the Investor or the equivalent, to a trust controlled by the Investor, to a trust created for the benefit of a member of the family of the Investor or the equivalent, or in connection with the death or divorce of the Investor or other similar circumstances. “Member of the family” as used herein means a child, stepchild, grandchild, parent, stepparent, grandparent, spouse or spousal equivalent, sibling, mother/father/daughter/son/sister/brother-in-law, and includes adoptive relationships. Each Investor should be aware that although the Securities may legally be able to be transferred, there is no guarantee that another party will be willing to purchase them.

In addition to the foregoing restrictions, prior to making any transfer of the Securities or any capital stock into which they are convertible, such transferring Investor must either make such transfer pursuant to an effective registration statement filed with the SEC or provide the Company with an opinion of counsel reasonably satisfactory to the Company stating that a registration statement is not necessary to effect such transfer.

In addition, the Investor may not transfer the Securities or any capital stock into which they are convertible to any of the Company’s competitors, as determined by the Company in good faith.

Furthermore, upon the event of an IPO, the capital stock into which the Securities are converted will be subject to a lock-up period and may not be lent, offered, pledged, or sold for up to 180 days following such IPO.

If a transfer, resale, assignment or distribution of the Security should occur while the Security is still held by the original purchaser directly, the transferee, purchaser, assignee or distributee, as relevant, will be required to sign a new Nominee Rider (as defined in the Security) and provide personally identifiable information to the Nominee sufficient to establish a custodial account at a later date and time. Under the Terms of the Securities, the Nominee has the right to place the securities into a custodial relationship with a qualified third party and have said Nominee be listed as the holder of record. In this case, Investors will only have a beneficial interest in the equity securities derived from the Securities, not legal ownership, which may make their resale more difficult as it will require coordination with the custodian and Dealmaker Investment Services.

Other Material Terms

- The Company does not have the right to repurchase the Securities.
- The Securities do not have a stated return or liquidation preference.
- The Company cannot determine if it currently has enough capital stock authorized to issue upon the closing of the Offering, because the amount of capital stock to be issued is based on the occurrence of future events including the consummation of the Offering.

Certain Definitions

“**Change of Control**” as used above, means (i) a transaction or series of related transactions in which any person or group becomes the beneficial owner of more than fifty percent (50%) of the outstanding voting securities entitled to elect the Company’s board of directors, (ii) any reorganization, merger or consolidation of the Company, in which the outstanding voting security holders of the Company fail to retain at least a majority of such voting securities following such transaction or (iii) a sale, lease or other disposition of all or substantially all of the assets of the Company.

“**IPO**” as used above, means: (A) the completion of an underwritten initial public offering of Capital Stock by the Company pursuant to: (I) a final prospectus for which a receipt is issued by a securities commission of the United States or of a province of Canada, or (II) a registration statement which has been filed with the United States Securities and Exchange Commission and is declared effective to enable the sale of Capital Stock by the Company to the public, which in each case results in such equity securities being listed and posted for trading or quoted on a recognized exchange; (B) the Company’s initial listing of its Capital Stock (other than shares of Capital Stock not eligible for resale under Rule 144 under the Securities Act) on a national securities exchange by means of an effective registration statement on Form S-1 filed by the Company with the SEC that registers shares of existing capital stock of the Company for resale, as approved by the Company’s board of directors, where such listing shall not be deemed to be an underwritten offering and shall not involve any underwriting services; or (C) the completion of a reverse merger or take-over whereby an entity (I) whose securities are listed and posted for trading or quoted on a recognized exchange, or (II) is a reporting issuer in the United States or the equivalent in any foreign jurisdiction, acquires all of the issued and outstanding Capital Stock of the Company.

COMMISSION AND FEES

Cash Commission

At the conclusion of the Offering, the issuer shall pay a cash fee of seven and a half percent (7.5%) of the amount raised in the Offering to the Intermediary.

Fees

There is also a \$2,000 monthly fee payable to DealMaker Securities LLC and/or its affiliates starting 6 months after the raise launches.

TRANSACTION PROCESSING

Notifications

Investors will receive periodic notifications regarding certain events pertaining to this Offering, such as the Company reaching its Target Offering Amount, the Company making an early closing, the Company making material changes to its Form C/A, and the Offering closing at its target date.

Oversubscriptions

The Target Offering Amount is \$12,000.00, but investments in excess of the Target Offering Amount and up to the Maximum Offering Amount of \$1,200,000.00 will be accepted. Oversubscriptions will be allocated at the discretion of the Intermediary.

Investor Limitations

Investors are limited in how much they can invest on all crowdfunding offerings during any 12-month period. The limitation on how much they can invest depends on their net worth (excluding the value of their primary residence) and annual income. If either their annual income or net worth is less than \$124,000, then during any 12-month period, they can invest up to the greater of either \$2,500 or 5% of the greater of their annual income or Net worth. If both their annual income and net worth are equal to or more than \$124,000, then during any 12-month period, they can invest up to 10% of annual income or net worth, whichever is greater, but their investments cannot exceed \$124,000. If the investor is an “accredited investor” as defined under Rule 501 of Regulation D under the Securities Act, as amended, no investment limits apply.

RISK FACTORS

Investing in the Securities involves a high degree of risk and may result in the loss of your entire investment. Before making an investment decision with respect to the Securities, we urge you to carefully consider the risks described in this section and other factors set forth in this Form C/A. In addition to the risks specified below, the Company is subject to same risks that all companies in its business, and all companies in the economy, are exposed to. These include risks relating to economic downturns, political and economic events and technological developments (such as hacking and the ability to prevent hacking). Additionally, early-stage companies are inherently riskier than more developed companies. Prospective Investors should consult with their legal, tax and financial advisors prior to making an investment in the Securities. The Securities should only be purchased by persons who can afford to lose all of their investment.

Risks Related to the Company’s Business and Industry

We have a limited operating history upon which you can evaluate our performance, and accordingly, our prospects must be considered in light of the risks that any new company encounters.

The Company is still in an early phase and we are just beginning to implement our business plan. There can be no assurance that we will ever operate profitably. The likelihood of our success should be considered in light of the problems, expenses, difficulties, complications and delays usually encountered by early-stage companies. The Company may not be successful in attaining the objectives necessary for it to overcome these risks and uncertainties.

The amount of capital the Company is attempting to raise in this Offering may not be enough to sustain the Company’s current business plan.

In order to achieve the Company’s near and long-term goals, the Company may need to procure funds in addition to the amount raised in the Offering. There is no guarantee the Company will be able to raise such funds on acceptable terms or at all. If we are not able to raise sufficient capital in the future, we may not be able to execute our business plan, our continued operations will be in jeopardy and we may be forced to cease operations and sell or otherwise transfer all or substantially all of our remaining assets, which could cause an Investor to lose all or a portion of their investment.

We may face potential difficulties in obtaining capital.

We may have difficulty raising needed capital in the future as a result of, among other factors, our lack of revenues from sales, as well as the inherent business risks associated with our Company and present and future market conditions. Our business currently does not generate significant sales and future sources of revenue may not be sufficient to meet our future capital requirements. We will require additional funds to execute our business strategy and conduct our operations. If adequate funds are unavailable, we may be required to delay, reduce the scope of or eliminate one or more of our research, development or commercialization programs, product launches or marketing efforts, any of which may materially harm our business, financial condition and results of operations.

We may not have enough authorized capital stock to issue the Securities to investors upon the completion of the Offering.

Unless we increase our authorized capital stock, we may not have enough authorized common stock to be able to obtain funding by issuing shares of our common stock or securities convertible into shares of our common stock. We may also not have enough authorized capital stock to issue shares of common stock to investors upon the conversion of any security convertible into shares of our common stock, including the Securities.

We may implement new lines of business or offer new products and services within existing lines of business.

As an early-stage company, we may implement new lines of business at any time. There are substantial risks and uncertainties associated with these efforts, particularly in instances where the markets are not fully developed. In developing and marketing new lines of business and/or new products and services, we may invest significant time and resources. Initial timetables for the introduction and development of new lines of business and/or new products or services may not be achieved, and price and profitability targets may not prove feasible. We may not be successful in introducing new products and services in response to industry trends or developments in technology, or those new products may not achieve market acceptance. As a result, we could lose business, be forced to price products and services on less advantageous terms to retain or attract clients or be subject to cost increases. As a result, our business, financial condition or results of operations may be adversely affected.

We rely on other companies to provide components and services for our products.

We depend on suppliers and contractors to meet our contractual obligations to our customers and conduct our operations. Our ability to meet our obligations to our customers may be adversely affected if suppliers or contractors do not provide the agreed-upon supplies or perform the agreed-upon services in compliance with customer requirements and in a timely and cost-effective manner. Likewise, the quality of our products may be adversely impacted if companies to whom we delegate manufacture of major components or subsystems for our products, or from whom we acquire such items, do not provide components which meet required specifications and perform to our and our customers' expectations. Our suppliers may be unable to quickly recover from natural disasters and other events beyond their control and may be subject to additional risks such as financial problems that limit their ability to conduct their operations. The risk of these adverse effects may be greater in circumstances where we rely on only one or two contractors or suppliers for a particular component. Our products may utilize custom components available from only one source. Continued availability of those components at acceptable prices, or at all, may be affected for any number of reasons, including if those suppliers decide to concentrate on the production of common components instead of components customized to meet our requirements. The supply of components for a new or existing product could be delayed or constrained, or a key manufacturing vendor could delay shipments of completed products to us adversely affecting our business and results of operations.

We rely on various intellectual property rights, including trademarks, in order to operate our business.

The Company relies on certain intellectual property rights to operate its business. The Company's intellectual property rights may not be sufficiently broad or otherwise may not provide us a significant competitive advantage. In addition, the steps that we have taken to maintain and protect our intellectual property may not prevent it from being challenged, invalidated, circumvented or designed-around, particularly in countries where intellectual property rights are not highly developed or protected. In some circumstances, enforcement may not be available to us because an infringer has a dominant intellectual property position or for other business reasons, or countries may require compulsory licensing of our intellectual property. Our failure to obtain or maintain intellectual property rights that convey competitive advantage, adequately protect our intellectual property or detect or prevent circumvention or unauthorized use of such property, could adversely impact our competitive position and results of operations. We also rely on nondisclosure and noncompetition agreements with employees, consultants and other parties to protect, in part, trade secrets and other proprietary rights. There can be no assurance that these agreements will adequately protect our trade secrets and other proprietary rights and will not be breached, that we will have adequate remedies for any breach, that others will not independently develop substantially equivalent proprietary information or that third parties will not otherwise gain access to our trade secrets or other proprietary rights. As we expand our business, protecting our intellectual property will become increasingly important. The protective steps we have taken may be inadequate to deter our competitors from using our proprietary information. In order to protect or enforce our patent rights, we may be required to initiate litigation against third parties, such as infringement lawsuits. Also, these third parties may assert claims against us with or without provocation. These lawsuits could be expensive, take significant time and could divert management's attention from other business concerns. The law relating to the scope and validity of claims in the technology field in which we operate is still evolving and, consequently, intellectual property positions in our industry are generally uncertain. We cannot assure you that we will prevail in any of these potential suits or that the damages or other remedies awarded, if any, would be commercially valuable.

The Company's success depends on the experience and skill of the board of directors, its executive officers and key employees.

We are dependent on our board of directors, executive officers and key employees. These persons may not devote their full time and attention to the matters of the Company. The loss of our board of directors, executive officers and key employees could harm the Company's business, financial condition, cash flow and results of operations.

Although dependent on certain key personnel, the Company does not have any key person life insurance policies on any such people.

We are dependent on certain key personnel in order to conduct our operations and execute our business plan, however, the Company has not purchased any insurance policies with respect to those individuals in the event of their death or disability. Therefore, if any of these personnel die or become disabled, the Company will not receive any compensation to assist with such person's absence. The loss of such person could negatively affect the Company and our operations. We have no way to guarantee key personnel will stay with the Company, as many states do not enforce non-competition agreements, and therefore acquiring key man insurance will not ameliorate all of the risk of relying on key personnel.

Damage to our reputation could negatively impact our business, financial condition and results of operations.

Our reputation and the quality of our brand are critical to our business and success in existing markets, and will be critical to our success as we enter new markets. Any incident that erodes consumer loyalty for our brand could significantly reduce its value and damage our business. We may be adversely affected by any negative publicity, regardless of its accuracy. Also, there has been a marked increase in the use of social media platforms and similar devices, including blogs, social media websites and other forms of internet-based communications that provide individuals with access to a broad audience of consumers and other interested persons. The availability of information on social media platforms is virtually immediate as is its impact. Information posted may be adverse to our interests or may be inaccurate, each of which may harm our performance, prospects or business. The harm may be immediate and may disseminate rapidly and broadly, without affording us an opportunity for redress or correction.

Our business could be negatively impacted by cyber security threats, attacks and other disruptions.

We continue to face advanced and persistent attacks on our information infrastructure where we manage and store various proprietary information and sensitive/confidential data relating to our operations. These attacks may include sophisticated malware (viruses, worms, and other malicious software programs) and phishing emails that attack our products or otherwise exploit any security vulnerabilities. These intrusions sometimes may be zero-day malware that are difficult to identify because they are not included in the signature set of commercially available antivirus scanning programs. Experienced computer programmers and hackers may be able to penetrate our network security and misappropriate or compromise our confidential information or that of our customers or other third-parties, create system disruptions, or cause shutdowns. Additionally, sophisticated software and applications that we produce or procure from third-parties may contain defects in design or manufacture, including "bugs" and other problems that could unexpectedly interfere with the operation of the information infrastructure. A disruption, infiltration or failure of our information infrastructure systems or any of our data centers as a result of software or hardware malfunctions, computer viruses, cyber-attacks, employee theft or misuse, power disruptions, natural disasters or accidents could cause breaches of data security, loss of critical data and performance delays, which in turn could adversely affect our business.

Security breaches of confidential customer information, in connection with our electronic processing of credit and debit card transactions, or confidential employee information may adversely affect our business.

Our business requires the collection, transmission and retention of personally identifiable information, in various information technology systems that we maintain and in those maintained by third parties with whom we contract to provide services. The integrity and protection of that data is critical to us. The information, security and privacy requirements imposed by governmental regulation are increasingly demanding. Our systems may not be able to satisfy these changing requirements and customer and employee expectations, or may require significant additional investments or time in order to do so. A breach in the security of our information technology systems or those of our service providers could lead to an interruption in the operation of our systems, resulting in operational inefficiencies and a loss of profits. Additionally, a significant theft, loss or misappropriation of, or access to, customers' or other proprietary data or other breach of our information technology systems could result in fines, legal claims or proceedings.

The use of Individually identifiable data by our business, our business associates and third parties is regulated at the state, federal and international levels.

The regulation of individual data is changing rapidly, and in unpredictable ways. A change in regulation could adversely affect our business, including causing our business model to no longer be viable. Costs associated with

information security – such as investment in technology, the costs of compliance with consumer protection laws and costs resulting from consumer fraud – could cause our business and results of operations to suffer materially. Additionally, the success of our online operations depends upon the secure transmission of confidential information over public networks, including the use of cashless payments. The intentional or negligent actions of employees, business associates or third parties may undermine our security measures. As a result, unauthorized parties may obtain access to our data systems and misappropriate confidential data. There can be no assurance that advances in computer capabilities, new discoveries in the field of cryptography or other developments will prevent the compromise of our customer transaction processing capabilities and personal data. If any such compromise of our security or the security of information residing with our business associates or third parties were to occur, it could have a material adverse effect on our reputation, operating results and financial condition. Any compromise of our data security may materially increase the costs we incur to protect against such breaches and could subject us to additional legal risk.

The Company is not subject to Sarbanes-Oxley regulations and may lack the financial controls and procedures of public companies.

The Company may not have the internal control infrastructure that would meet the standards of a public company, including the requirements of the Sarbanes Oxley Act of 2002. As a privately-held (non-public) Company, the Company is currently not subject to the Sarbanes Oxley Act of 2002, and its financial and disclosure controls and procedures reflect its status as a development stage, non-public company. There can be no guarantee that there are no significant deficiencies or material weaknesses in the quality of the Company's financial and disclosure controls and procedures. If it were necessary to implement such financial and disclosure controls and procedures, the cost to the Company of such compliance could be substantial and could have a material adverse effect on the Company's results of operations.

We operate in a highly regulated environment, and if we are found to be in violation of any of the federal, state, or local laws or regulations applicable to us, our business could suffer.

We are also subject to a wide range of federal, state, and local laws and regulations, such as local licensing requirements, and retail financing, debt collection, consumer protection, environmental, health and safety, creditor, wage-hour, anti-discrimination, whistleblower and other employment practices laws and regulations and we expect these costs to increase going forward. The violation of these or future requirements or laws and regulations could result in administrative, civil, or criminal sanctions against us, which may include fines, a cease-and-desist order against the subject operations or even revocation or suspension of our license to operate the subject business. As a result, we have incurred and will continue to incur capital and operating expenditures and other costs to comply with these requirements and laws and regulations.

The Company has significant competition from similar platforms, products, and services.

The Company provides a professional social networking platform, and as such, faces competition from other social media platforms and professional networking service providers. Further, social networks are a network good, and therefore attracting new users depends on the platform's existing user base. There can be no guarantee that the platform will acquire enough users to attract sufficient additional users to successfully establish the platform and compete with the Company's competitors.

The markets in which our services are sold are highly competitive. Our services compete against similar products of many large and small companies, including well-known global competitors. In many of the markets and industry segments in which we sell our products, we compete against other branded platforms and services. Product quality, performance, value and packaging are also important differentiating factors.

Litigation

We make a significant effort to keep the company protected from various litigation and claims. As a company operating in a complex environment, we acknowledge that the Company is not immune to the risk of litigation, particularly in the course of its dealings with service providers and employees. However, to mitigate these risks, we have implemented robust contractual arrangements, working on building a comprehensive compliance program, and other dispute resolution processes. We are also investing in preventative measures such as training for our staff, establishing clear communication channels for addressing grievances, and fostering a culture of respect and transparency. Recently, we strengthened our commitment to legal risk management by hiring an in-house lawyer. This addition to our team is aimed at ensuring that our transactions and relationships are structured and managed in a manner that not only meets legal requirements, but also minimizes the potential for disputes. Nevertheless, while we

are committed to minimizing the likelihood and potential impact of litigation, it is impossible to entirely negate this risk.

Risks Related to the Offering

State and federal securities laws are complex, and the Company could potentially be found to have not complied with all relevant state and federal securities law in prior offerings of securities.

The Company has conducted previous offerings of securities and may not have complied with all relevant state and federal securities laws. If a court or regulatory body with the required jurisdiction ever concluded that the Company may have violated state or federal securities laws, any such violation could result in the Company being required to offer rescission rights to investors in such offering. If such investors exercised their rescission rights, the Company would have to pay to such investors an amount of funds equal to the purchase price paid by such investors plus interest from the date of any such purchase. No assurances can be given the Company will, if it is required to offer such investors a rescission right, have sufficient funds to pay the prior investors the amounts required or that proceeds from this Offering would not be used to pay such amounts.

In addition, if the Company violated federal or state securities laws in connection with a prior offering and/or sale of its securities, federal or state regulators could bring an enforcement, regulatory and/or other legal action against the Company which, among other things, could result in the Company having to pay substantial fines and be prohibited from selling securities in the future.

The Company could potentially be found to have not complied with securities law in connection with this Offering related to a Reservation Campaign (also known as “Testing the Waters”).

Prior to filing this Form C/A, the Company may engage in a Reservation Campaign (also known as “testing the waters”) permitted under Regulation Crowdfunding (17 CFR 227.206), which allows issuers to communicate to determine whether there is interest in the offering. All communication sent is deemed to be an offer of securities for purposes of the antifraud provisions of federal securities laws. Any Investor who expressed interest prior to the date of this Offering should read this Form C/A thoroughly and rely only on the information provided herein and not on any statement made prior to the Offering. The communications sent to Investors prior to the Offering are attached as Exhibits below (if any). Some of these communications may not have included proper disclaimers required for a Reservation Campaign.

The U.S. Securities and Exchange Commission does not pass upon the merits of the Securities or the terms of the Offering, nor does it pass upon the accuracy or completeness of any Offering document or literature.

You should not rely on the fact that our Form C/A is accessible through the U.S. Securities and Exchange Commission’s EDGAR filing system as an approval, endorsement or guarantee of compliance as it relates to this Offering. The U.S. Securities and Exchange Commission has not reviewed this Form C/A, nor any document or literature related to this Offering.

Neither the Offering nor the Securities have been registered under federal or state securities laws.

No governmental agency has reviewed or passed upon this Offering or the Securities. Neither the Offering nor the Securities have been registered under federal or state securities laws. Investors will not receive any of the benefits available in registered offerings, which may include access to quarterly and annual financial statements that have been audited by an independent accounting firm. Investors must therefore assess the adequacy of disclosure and the fairness of the terms of this Offering based on the information provided in this Form C/A and the accompanying exhibits.

The Company's management may have broad discretion in how the Company uses the net proceeds of the Offering.

Unless the Company has agreed to a specific use of the proceeds from the Offering, the Company’s management will have considerable discretion over the use of proceeds from the Offering. You may not have the opportunity, as part of your investment decision, to assess whether the proceeds are being used appropriately.

The Company has the right to limit individual Investor commitment amounts based on the Company’s determination of an Investor’s sophistication.

The Company may prevent any Investor from committing more than a certain amount in this Offering based on the Company's determination of the Investor's sophistication and ability to assume the risk of the investment. This means that your desired investment amount may be limited or lowered based solely on the Company's determination and not in line with relevant investment limits set forth by the Regulation CF rules. This also means that other Investors may receive larger allocations of the Offering based solely on the Company's determination.

The Company has the right to extend the Offering Deadline.

The Company may extend the Offering Deadline beyond what is currently stated herein. This means that your investment may continue to be held in escrow while the Company attempts to raise the Target Offering Amount even after the Offering Deadline stated herein is reached. While you have the right to cancel your investment in the event the Company extends the Offering Deadline, if you choose to reconfirm your investment, your investment will not be accruing interest during this time and will simply be held until such time as the new Offering Deadline is reached without the Company receiving the Target Offering Amount, at which time it will be returned to you without interest or deduction, or the Company receives the Target Offering Amount, at which time it will be released to the Company to be used as set forth herein. Upon or shortly after the release of such funds to the Company, the Securities will be issued and distributed to you.

The Company may also end the Offering early.

If the Target Offering Amount is met after 21 calendar days, but before the Offering Deadline, the Company can end the Offering by providing notice to Investors at least 5 business days prior to the end of the Offering. This means your failure to participate in the Offering in a timely manner, may prevent you from being able to invest in this Offering – it also means the Company may limit the amount of capital it can raise during the Offering by ending the Offering early.

The Company has the right to conduct multiple closings during the Offering.

If the Company meets certain terms and conditions, an intermediate close (also known as a rolling close) of the Offering can occur. The Company may choose to continue the Offering thereafter. Investors should be mindful that this means they can make multiple investment commitments in the Offering, which may be subject to different cancellation rights. For example, if an intermediate close occurs and later a material change occurs as the Offering continues, Investors whose investment commitments were previously closed upon will not have the right to re-confirm their investment as it will be deemed to have been completed prior to the material change.

Risks Related to the Securities

The Securities will not be freely tradable under the Securities Act until one year from the initial purchase date. Although the Securities may be tradable under federal securities law, state securities regulations may apply, and each Investor should consult with their attorney.

You should be aware of the long-term nature of this investment. There is not now and likely will not ever be a public market for the Securities. Because the Securities have not been registered under the Securities Act or under the securities laws of any state or foreign jurisdiction, the Securities have transfer restrictions and cannot be resold in the United States except pursuant to Rule 501 of Regulation CF. It is not currently contemplated that registration under the Securities Act or other securities laws will be effected. Limitations on the transfer of the Securities may also adversely affect the price that you might be able to obtain for the Securities in a private sale. Investors should be aware of the long-term nature of their investment in the Company. Each Investor in this Offering will be required to represent that they are purchasing the Securities for their own account, for investment purposes and not with a view to resale or distribution thereof. If a transfer, resale, assignment or distribution of the Security should occur while the Security is still held by the original purchaser directly, the transferee, purchaser, assignee or distributee, as relevant, will be required to sign a new Nominee Rider (as defined in the Security) and provide personally identifiable information to the Nominee sufficient to establish a custodial account at a later date and time. Under the Terms of the Securities, the Nominee has the right to place the Security into a custodial relationship with a qualified third party and have said Nominee be listed as the holder of record. In this case, Investors will only have a beneficial interest in the equity securities derived from the Securities, not legal ownership, which may make their resale more difficult as it will require coordination with the custodian and Dealmaker Investment Services.

Investors will not have voting rights.

Investors will not have the right to vote upon matters of the Company. Thus, Investors will essentially never be able to vote upon any matters of the Company unless otherwise provided for by the Company.

Investors will not be entitled to any inspection or information rights other than those required by law.

Investors will not have the right to inspect the books and records of the Company or to receive financial or other information from the Company, other than as required by law. Other security holders of the Company may have such rights. Regulation CF requires only the provision of an annual report on Form C and no additional information. Additionally, there are numerous methods by which the Company can terminate annual report obligations, resulting in no information rights, contractual, statutory or otherwise, owed to Investors. This lack of information could put Investors at a disadvantage in general and with respect to other security holders, including certain security holders who have rights to periodic financial statements and updates from the Company such as quarterly unaudited financials, annual projections and budgets, and monthly progress reports, among other things.

Investors will be unable to declare the Security in “default” and demand repayment.

Unlike convertible notes and some other securities, the Securities do not have any “default” provisions upon which Investors will be able to demand repayment of their investment. Only in limited circumstances, such as a liquidity event, may Investors be entitled to payments and even then, such payments will be limited to the amount of cash available to the Company.

Investors may have to hold the Securities indefinitely.

The Company may never conduct a future equity financing or a liquidity event such as a sale of the Company or an initial public offering. If no liquidity event occurs, Investors could be left holding the Securities in perpetuity. The Securities have numerous transfer restrictions and will likely be highly illiquid, with no secondary market on which to sell them. If a transfer, resale, assignment or distribution of the Security should occur while the Security is still held by the original purchaser directly, the transferee, purchaser, assignee or distribute, as relevant, will be required to sign a new Nominee Rider (as defined in the Security) and provide personally identifiable information to the Nominee sufficient to establish a custodial account at a later date and time. Under the terms of the Securities, the Nominee has the right to place the Security into a custodial relationship with a qualified third party and have said Nominee be listed as the holder of record. In this case, Investors will only have a beneficial interest in the equity securities derived from the Securities, not legal ownership, which may make their resale more difficult as it will require coordination with the custodian and Dealmaker Investment Services. The Securities have no voting rights or ability to direct the Company or its actions.

Any Securities may be significantly diluted as a consequence of subsequent equity financings.

The Company’s equity securities will be subject to dilution. The Company intends to issue additional equity to employees and third-party financing sources in amounts that are uncertain at this time, and as a consequence, holders of the Securities will be subject to dilution in an unpredictable amount. Such dilution may reduce the Investor’s control and economic interests in the Company.

The amount of additional financing needed by the Company will depend upon several contingencies not foreseen at the time of this Offering. Generally, additional financing (whether in the form of loans or the issuance of other securities) will be intended to provide the Company with enough capital to reach the next major corporate milestone. If the funds received in any additional financing are not sufficient to meet the Company’s needs, the Company may have to raise additional capital at a price unfavorable to their existing investors, including the holders of the Securities. The availability of capital is at least partially a function of capital market conditions that are beyond the control of the Company. There can be no assurance that the Company will be able to accurately predict the future capital requirements necessary for success or that additional funds will be available from any source. Failure to obtain financing on favorable terms could dilute or otherwise severely impair the value of the Securities.

In addition, the Company has certain equity grants and convertible securities outstanding. Should the Company enter into a financing that would trigger any conversion rights, the converting securities would further dilute the equity securities receivable by the holders of the Securities upon a qualifying financing.

Our valuation and our offering price have been established internally and are difficult to assess.

The Offering price was not established in a competitive or public market. We have arbitrarily set the price of the Securities with reference to the general status of the securities market and other relevant factors. The Company has set the price of its Class B Non-voting Common Stock at \$3.00 per share, plus a 2% Investor Processing Fee, see “Securities Being Offered” for further details on this fee. This fee is intended to offset transaction costs and though this fee is counted towards the amount the company is seeking to raise under Regulation Crowdfunding and the limit each investor may invest pursuant to Regulation Crowdfunding, we did not value it in determining our valuation. Including this fee will increase our valuation for which you are paying for shares in our company accordingly. Valuations for companies at this stage are generally speculative. Our valuation may decrease precipitously in the future. It is a question of whether you, the investor, are willing to pay this price for a percentage ownership of a growth company. The issuance of additional shares of Common Stock, or additional option grants may dilute the value of your holdings, this includes the issuance of shares to our employees of our parent company. You should not invest if you disagree with this valuation.

There is no present market for the Securities and we have arbitrarily set the price.

The Offering price for the Securities should not be considered an indication of the actual value of the Securities and is not based on our asset value, net worth, revenues or other established criteria of value. We cannot guarantee that the Securities can be resold at the Offering price or at any other price.

The Processing Fee may not count toward your cost basis for tax purposes.

The IRS and/or another relevant tax authority may consider the price of the share before including the Investor Processing Fee as the cost basis for determining any gain or loss at a realization event. You should discuss with your tax advisor the appropriate way to determine the relevant tax obligation.

In the event of the dissolution or bankruptcy of the Company, Investors will not be treated as debt holders and therefore are unlikely to recover any proceeds.

In the event of the dissolution or bankruptcy of the Company, the holders of the Securities that have not been converted will be entitled to distributions as described in the Securities. This means that such holders will only receive distributions once all of the creditors and more senior security holders, including any holders of preferred stock, have been paid in full. No holders of any of the Securities can be guaranteed any proceeds in the event of the dissolution or bankruptcy of the Company.

There is no guarantee of a return on an Investor's investment.

There is no assurance that an Investor will realize a return on their investment or that they will not lose their entire investment. For this reason, each Investor should read this Form C/A and all exhibits carefully and should consult with their attorney and business advisor prior to making any investment decision.

IN ADDITION TO THE RISKS LISTED ABOVE, RISKS AND UNCERTAINTIES NOT PRESENTLY KNOWN, OR WHICH WE CONSIDER IMMATERIAL AS OF THE DATE OF THIS FORM C/A, MAY ALSO HAVE AN ADVERSE EFFECT ON OUR BUSINESS AND RESULT IN THE TOTAL LOSS OF YOUR INVESTMENT.

Competitors

This approach directly addresses critical gaps in the market, serving both Muslim investors and ethically conscious non-Muslims seeking to make informed, values-driven financial decisions.

While the demand for halal investment solutions is rapidly expanding, the availability of specialized competitors remains limited. Musaffa stands out for its commitment to providing transparent compliance tools, personalized investment options, and a seamless user experience, setting it apart as a frontrunner in the Islamic fintech sector.

Supported by an ambitious product roadmap, Musaffa plans to incorporate AI-powered tools and launch proprietary Shariah-compliant ETFs, further solidifying its leadership position. The competitive landscape for Shariah-compliant fintech solutions includes several key players

Competitive Landscape

Direct Competitors

1. Wahed Invest

Overview

Wahed Invest is one of the largest Islamic fintech platforms and represents one of Musaffa's primary competitors. Serving over 400,000 customers globally, Wahed manages more than \$2 billion in assets under management (AUM). Their primary offerings include two pre-designed Shariah-compliant ETFs: HLAL and UMMA. While these ETFs are suitable for passive investors, Wahed's focus on limited, pre-structured investment products restricts flexibility and control for individual investors.

Musaffa's Competitive Advantages

Investment Flexibility and Autonomy

Unlike Wahed, Musaffa also empowers users to actively manage their investments. The platform enables users to research and invest in a broader range of Shariah-compliant stocks and ETFs globally. Surveys and user feedback confirm that investors prefer greater autonomy and access to tools for enhancing financial literacy—both areas where Musaffa excels.

Focus on the Retail Market (B2C)

Wahed has pivoted toward the B2B market with **Wahed Ventures**, creating a gap in the retail investor space. Musaffa remains committed to serving everyday investors, offering comprehensive tools for financial education, portfolio monitoring, and future trading capabilities.

2. Other Direct Competitors

- Robinhood
- eToro
- TD Ameritrade
- Zerodha

For the fiscal year ending December 31, 2025, the Company achieved remarkable financial performance, demonstrating substantial growth across key metrics. Most notably, the Company successfully raised \$2,591,923.58 through its crowdfunding and private placement initiatives, marking a significant milestone in its capital formation strategy. The Company's revenue exhibited exceptional growth, increasing by approximately 64% from \$171,295 in fiscal year 2024 to \$280,818 in fiscal year 2025. At the same time, cost of goods sold increased from \$215,071 in 2024 to \$310,311 in 2025, reflecting improved operational efficiency and cost management. Total assets did not change substantially, rising from \$1,184,839 in 2024 to \$1,056,391 in 2025. Cash and cash equivalents decreased from \$392,443 to \$82,558 reflecting deployment of capital into growth initiatives, while accounts receivable declined

from \$18,333 to \$6,779, indicating improved collections. Consequently, total liabilities increased from \$605,969 in 2024 to \$720,234 in 2025, largely driven by the operational expenses and their subsequent impact on the balance sheet. Stockholders' equity changed from \$578,870 in 2024 to \$336,157 in 2025. The decrease in stockholders' equity was primarily driven by increased amortization expense resulting from management's decision to apply a more conservative amortization methodology for capitalized software development costs. Additionally, the Company's net loss changed from \$2,534,936 in 2024 to \$2,889,985 in 2025.

Furthermore, the Company maintains a 0% interest-bearing debt policy and does not utilize any loans or financing instruments involving interest. All funding is sourced through equity capital and internally generated revenue, ensuring the Company's financial structure remains fully Shariah-compliant, in strict adherence to Islamic principles prohibiting Riba (interest).

These continued positive outcomes underscore enhanced financial stability and increased shareholder value driven by capitalization and investments in growth-oriented assets. These movements underscore the Company's strategic focus on expanding its operational base and bolstering its technology infrastructure to support its future growth objectives. The audited consolidated financial statements of the Issuer for 2025 do not incorporate the financials of the Co-Issuer. The audited financial statements of the Co-Issuer for 2025 have been separately presented to this Form C/A.

Cash and Cash Equivalents

As of May 27, 2025, the Company had an aggregate of \$145,000 in cash and cash equivalents, leaving the Company with approximately 2 months of runway. Runway is calculated by dividing cash-on-hand by average monthly net loss (if any).

Investor Commitments (Non-Cash)

In addition, the Company has received **non-binding investor commitments totaling approximately \$100,000**, which are expected to be funded subject to final documentation and closing conditions.

These commitments are **not included in cash and cash equivalents** and do not represent funds currently available for operating expenses.

Liquidity and Capital Resources

The proceeds from the Offering are essential to our operations. We plan to use the proceeds as set forth above under the section titled "*Use of Proceeds*", which is an indispensable element of our business strategy.

Other than funds remaining from the sale of certain Convertible Notes, the Company currently has a de minimis amount of outside revenue from the sale of goods and services, and no other sources of capital other than the proceeds from the Offering.

Issuer Liability/Debt

The Company recognizes the substantial contributions made by one employee and three contractors, all based in the United States, who played crucial roles in its early growth. On average, each individual worked over 10 months. In recognition of their services, the Company has pledged a total aggregate amount of \$210,630. A partial payment of \$25,000 has already been disbursed, with the remaining balance of \$185,630 to be settled over a period of three years.

Additionally, the Company entered into a settlement agreement with the marketing services provider, who acted as interim Chief Marketing Officer located out of Canada, for a \$350,000 in total amount. A partial payment of \$125,000 has already been made, with the remaining balance of \$225,000 scheduled to be paid within the four years from the effective date of the settlement agreement.

These expenses are considered one-time and are not expected to recur annually. However, if they were to do so, they would be treated as part of regular operational expenses.

Capital Expenditures and Other Obligations

The Company does not intend to make any material capital expenditures in the near future.

Valuation

The Company's pre-money valuation for purposes of this Offering is \$126,245,940 (the "Pre-Money Valuation"), calculated by multiplying the total number of outstanding shares of Common Stock (42,081,980 shares) by the per-share offering price of \$3.00. This valuation was determined internally by the Company's management and board of directors and has not been independently verified by a third-party appraiser or investment bank. As is common with early-stage companies, the Pre-Money Valuation does not necessarily correspond to the Company's book value, net worth, or current revenues, and should not be viewed as a guarantee of the Company's future value. Prospective investors should conduct their own due diligence and, if appropriate, consult with their financial and legal advisors before making an investment decision.

Trends and Uncertainties

After reviewing the above discussion of the steps the Company intends to take, potential Investors should consider whether achievement of each step within the estimated time frame will be realistic in their judgment. Potential Investors should also assess the consequences to the Company of any delays in taking these steps and whether the Company will need additional financing to accomplish them.

Please see the financial statements attached as Exhibit A for subsequent events and applicable disclosures.

Report on the Audit of the Consolidated Financial Statements

Opinion

We have audited the accompanying consolidated financial statements of Musaffa, Inc., which comprise the consolidated balance sheet as of December 31, 2025 and December 31, 2024, and the related consolidated statements of comprehensive loss, changes in stockholders' equity, and cash flows for the years then ended, and the related notes to the consolidated financial statements.

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of Musaffa, Inc. as of December 31, 2025 and December 31, 2024, and the results of its operations and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are required to be independent of Musaffa, Inc. and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error. In preparing the consolidated financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Musaffa, Inc.'s ability to continue as a going concern for one year after the date that the consolidated financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

As part of an audit in accordance with generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Musaffa, Inc.'s internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the consolidated financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Musaffa, Inc.'s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies or material weaknesses in internal control that we identify during our audit.

(AUDITED)

NOTE 1 – NATURE OF OPERATIONS AND CONSOLIDATIONS

Musaffa, Inc. was incorporated in Delaware on April 25, 2022. The Company operates a comprehensive halal investing platform that enables users to learn about Islamic finance, research and screen Shariah-compliant investments, monitor portfolios, calculate purification and Zakat, and invest through both self-directed investing and portfolio management services. The Company's platform provides access to Shariah-compliant stocks, ETFs, and other investment products through its web and mobile applications. Included in these consolidated financial statements are operations of Musaffa, Inc. and its wholly-owned subsidiaries (collectively, which may be referred to as the "Company," "we," "us," or "our"), Musaffa LLC and Musaffa Financial Solutions LLC ("Subsidiaries"). The Company's headquarters are in New York, New York.

Musaffa LLC was formed on December 14, 2020, under the name Amanatrade LLC, before filing an amendment on November 9, 2021, changing the name to Musaffa LLC. On June 22, 2022, the Company acquired Musaffa LLC.

Musaffa Financial Solutions LLC is based in Uzbekistan and was formed for business operations in the country on November 19, 2021. The Company acquired Musaffa Financial Solutions LLC on January 6, 2023. Although the Company was formed subsequent to the formation of Musaffa LLC and Musaffa Financial Solutions LLC, for purposes of these financial statements, all prior activities of the subsidiaries have been combined with that of MUSAFFA, INC. for the periods presented, as the anticipated use of the financials is for investor-purposes of understanding the brand's operations as entities who conducted the core business (predecessor) prior to formation of MUSAFFA, INC. (successor).

The Company is the primary beneficiary of Musaffa Financing Broker Co. in Dubai, UAE, which qualifies as a variable interest entity and is consolidated within these consolidated financial statements (see Note 10). The entity was established in December 2023 in Dubai to support the Company's expansion efforts across the GCC region.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

The accounting and reporting policies of the Company conform to accounting principles generally accepted in the United States of America ("US GAAP"). Any reference in these notes to applicable guidance is meant to refer to U.S. GAAP as found in the Accounting Standards Codification ("ASC") and Accounting Standards Updates ("ASU") of the Financial Accounting Standards Board ("FASB").

Use of Estimates

The preparation of financial statements in conformity with US GAAP requires management to make certain estimates and assumptions that affect the amounts reported in the financial statements and footnotes thereto. Actual results could materially differ from these estimates. It is reasonably possible that changes in estimates will occur in the near term. Significant estimates used in the preparation of the accompanying financial statements include the recording of depreciation and amortization, the useful lives and recoverability of capitalized software, and the collectible valuation of accounts receivable.

Principles of Consolidation

The consolidated financial statements include the accounts of Musaffa, Inc., its wholly-owned subsidiaries, and the variable interest entity for which the Company is the primary beneficiary. All significant intercompany accounts and transactions have been eliminated in consolidation.

Variable Interest Entities

MUSAFFA, INC.
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
FOR THE YEARS ENDED DECEMBER 31, 2025 AND 2024
(AUDITED)

The Company accounts for the investments it makes in certain legal entities in which equity investors do not have (1) sufficient equity at risk for the legal entity to finance its activities without additional subordinated financial support, or (2) as a group, the holders of the equity investment at risk do not have either the power, through voting or similar rights, to direct the activities of the legal entity that most significantly impact the entity's economic performance, or (3) the obligation to absorb the expected losses of the legal entity or the right to receive expected residual returns of the legal entity. These certain legal entities are referred to as "variable interest entities" or "VIEs."

Risks and Uncertainties

The Company has a limited operating history. The Company's business and operations are sensitive to general business and economic conditions in the United States and in the international markets in which it operates. A host of factors beyond the Company's control could cause fluctuations in these conditions. Adverse conditions may include recession, downturn or otherwise, local competition, or changes in consumer taste. These adverse conditions could affect the Company's financial condition and the results of its operations.

Concentration of Credit Risk

The Company maintains its cash with major financial institutions located in the United States of America, which it believes to be creditworthy. The Federal Deposit Insurance Corporation insures balances up to \$250,000. At times, the Company may maintain balances in excess of the federally insured limits.

Cash and Cash Equivalents

The Company considers short-term, highly liquid investments with original maturities of three months or less at the time of purchase to be cash equivalents. Cash consists of funds held in the Company's checking and brokerage operating accounts.

Receivables and Credit Policy

Trade receivables from business-to-business customers are uncollateralized customer obligations due under normal trade terms, primarily requiring pre-payment before services are rendered. Trade receivables are stated at the amount billed to the customer. Payments of trade receivables are allocated to the specific invoices identified on the customer's remittance advice or, if unspecified, are applied to the earliest unpaid invoice. The Company, by policy, routinely assesses the financial strength of its customers. As a result, the Company believes that its accounts receivable credit risk exposure is limited. As of December 31, 2025 and 2024, the Company has outstanding accounts receivable as of December 31, 2025 and 2024 amounting to \$6,779 and \$18,333, respectively.

Other Current Assets

Other current assets comprise mainly of advances and deposits related to the Company's operations, including advances for relocation expenses of employees, which are repaid through payroll deductions or direct payments. Other current assets totaled \$52,396 and \$52,062 as of December 31, 2025 and 2024, respectively.

Property and Equipment

Property and equipment are recorded at cost. Expenditures for renewals and improvements that significantly add to the productive capacity or extend the useful life of an asset are capitalized. Expenditures for maintenance and repairs are charged to expenses. When equipment is retired or sold, the cost and related accumulated depreciation are eliminated from the accounts, and the resultant gain or loss is reflected in the income statement. Depreciation is provided using the straight-line method, based on the useful lives of the assets, which is two to five years.

MUSAFFA, INC.
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
FOR THE YEARS ENDED DECEMBER 31, 2025 AND 2024
(AUDITED)

The Company reviews the carrying value of property and equipment for impairment whenever events and circumstances indicate that the carrying value of an asset may not be recoverable from the estimated future cash flows expected to result from its use and eventual disposition. In cases where undiscounted expected future cash flows are less than the carrying value, an impairment loss is recognized equal to an amount by which the carrying value exceeds the fair value of assets. Based on this assessment, there was no impairment for the years ended December 31, 2025 and 2024.

Software Development

The Company accounts for software development costs in accordance with FASB ASC 350-40, *Accounting for Internal-Use Software*. Costs incurred during the preliminary project stage and post-implementation/operation stage are expensed as incurred. Costs incurred during the application development stage are capitalized when management authorizes and commits to the funding of the software project and it is probable that the project will be completed and the software will be used for its intended function.

Capitalized software development costs primarily consist of direct labor, third-party developer costs, and other direct costs associated with developing and implementing internal-use software and platform enhancements that provide additional functionality. Costs related to maintenance activities, bug fixes, data corrections, training, general and administrative activities, and minor enhancements are expensed as incurred.

Capitalized software development costs are amortized using the straight-line method over the estimated useful life of the related software, generally five years, commencing when the software is ready for its intended use. The Company evaluates capitalized software development costs for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. Any impairment loss is recognized in the period identified.

Fair Value Measurements

US GAAP defines fair value as the price that would be received to sell an asset or be paid to transfer a liability in an orderly transaction between market participants at the measurement date (exit price) and such principles also establish a fair value hierarchy that prioritizes the inputs used to measure fair value using the following definitions (from highest to lowest priority):

- Level 1 – Unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities.
- Level 2 – Observable inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, including quoted prices for similar assets and liabilities in active markets; quoted prices for identical or similar assets and liabilities in markets that are not active; or other inputs that are observable or can be corroborated by observable market data by correlation or other means.
- Level 3 – Prices or valuation techniques requiring inputs that are both significant to the fair value measurement and unobservable.

There were no assets or liabilities requiring fair value measurement on a recurring basis as of December 31, 2025 and 2024.

Income Taxes

Income taxes are provided for the tax effects of transactions reported in the financial statements and consist of taxes currently due plus deferred taxes related primarily to differences between the basis of receivables, property and equipment, intangible assets, and accrued expenses for financial and income tax reporting. The deferred tax assets and liabilities represent the future tax return

MUSAFFA, INC.
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
FOR THE YEARS ENDED DECEMBER 31, 2025 AND 2024
(AUDITED)

consequences of those differences, which will either be taxable or deductible when the assets and liabilities are recovered or settled. Deferred tax assets are reduced by a valuation allowance when, in the opinion of management, it is more likely than not that some portion or all of the deferred tax assets will not be realized.

There is no income tax provision for the Company for the period from inception through December 31, 2025, as the Company had no taxable income. The Company evaluates its tax positions that have been taken or are expected to be taken on income tax returns to determine if an accrual is necessary for uncertain tax positions. As of December 31, 2025 and 2024, the unrecognized tax benefits accrual was none.

Revenue Recognition

The Company recognizes revenue in accordance with ASC Topic 606, Revenue from Contracts with Customers ("ASC 606"), when it has satisfied the performance obligations under an arrangement with the customer reflecting the terms and conditions under which products or services will be provided, the fee is fixed or determinable, and collection of any related receivable is probable. Revenue is recognized when control of the promised goods or services is transferred to a customer, in an amount that reflects the consideration that the Company expects to receive in exchange for those goods or services. The Company applies the following five steps to determine the appropriate amount of revenue to be recognized: (1) identify the contract with a customer; (2) identify the performance obligations in the contract; (3) determine the transaction price; (4) allocate the transaction price to the performance obligations in the contract; and (5) recognize revenue as each performance obligation is satisfied.

The Company operates a Shariah-compliant investing and wealth-management platform, providing halal stock and ETF screening, portfolio purification, and related analytics and educational tools to retail and business customers. The Company earns revenue primarily from subscriptions to its platform, sold to individual consumers (B2C) and to business customers (B2B). Subscription arrangements represent a single, continuous performance obligation – the provision of ongoing access to the platform over the subscription term – and the Company recognizes the related transaction price ratably over that term as access is delivered. Customers pay in advance every month, every quarter, or for the whole year in advance; consideration collected in advance of the service period is recorded as deferred revenue and recognized as the performance obligation is satisfied. Refunds and allowances are recorded as a reduction of revenue in the period the related subscriptions are refunded.

Cost of revenues includes merchant fees paid to Stripe, Apple, and Google, as well as market data and infrastructure costs.

In the consolidated statements of comprehensive loss, subscription revenue (B2B and B2C) is presented within Revenues (\$280,818 and \$171,295 for 2025 and 2024, respectively), and investor transaction fees and other income, net of refunds and allowances, are presented within Other income (\$24,001 and \$9,638 for 2025 and 2024, respectively).

Organizational Costs

In accordance with FASB ASC 720, organizational costs, including accounting fees, legal fees, and costs of incorporation, are expensed as incurred.

Advertising

The Company expenses advertising costs as they are incurred.

Stock-Based Compensation

The Company accounts for stock-based compensation in accordance with ASC 718, Compensation – Stock Compensation. The fair value of equity-based awards is estimated on the date of grant using the Black-Scholes option-pricing model and is recognized as expense ratably over the requisite service (vesting) period.

Recent Accounting Pronouncements

The FASB issues ASUs to amend the authoritative literature in ASC. There have been a number of ASUs to date that amend the original text of ASC. Management believes that those issued to date either (i) provide supplemental guidance, (ii) are technical corrections, (iii) are not applicable to us, or (iv) are not expected to have a significant impact on our financial statements.

NOTE 9 – COMMITMENTS AND CONTINGENCIES

The Company initiated legal proceedings in the State of New York on October 16, 2023, against a former service provider who rendered inadequate marketing services and left the Company, subsequently making unsupported claims. The outcome of this legal proceeding is described in Note 5. Other than as described herein, the Company is not involved in any litigation and there is no threatening or pending litigation as of the date of these financial statements.

NOTE 10 – VARIABLE INTEREST ENTITY

The Company is the primary beneficiary of Musaffa Financing Broker Co., which qualifies as a variable interest entity ("VIE"). The determination was based on the fact that the Company indirectly exercises control over the operations of Musaffa Financing Broker Co. and is the primary beneficiary of its activities. Additionally, a significant portion of the financing for Musaffa Financing Broker Co. is provided by the Company. The VIE is directly owned by the CEO of the Company and is in the process of being restructured as a wholly-owned subsidiary of the Company, which has not yet been completed as of the date of management's representation. Musaffa Financing Broker Co. was formed in December 2023 in Dubai, UAE for the purposes of business operations in the country.

The Company's consolidated financial statements include the assets, liabilities, and results of operations of the VIE for which the Company is the primary beneficiary. The following table summarizes the carrying amounts of the VIE's assets and liabilities included in the Company's consolidated balance sheets, as well as results of operations, for the years ended December 31, 2025 and 2024:

NOTE 11 – RELATED PARTY TRANSACTIONS

During 2024, the Company recorded a receivable from the Company's CEO, who is also a shareholder and the direct owner of Musaffa Financing Broker Co. in the UAE. This receivable is non-interest bearing and does not have a specified maturity date. As of December 31, 2025 and 2024, the receivable from related party was \$75,498 and \$75,498, respectively.

As of December 31, 2025 and 2024, the Company had \$0 and \$1,419, respectively, in total notes payable to shareholders and management.

NOTE 12 – GOING CONCERN

These financial statements are prepared on a going-concern basis. The Company began operations in 2020 and has incurred losses since its inception, resulting in an accumulated deficit of \$6,681,044 as of December 31, 2025. For the year ended December 31, 2025, the Company incurred a net loss of \$2,889,985 and used \$2,516,894 of cash in operating activities. These conditions raise substantial doubt about the Company's ability to continue as a going concern within one year after the date these financial statements are available to be issued.

The Company's ability to continue as a going concern is dependent upon management's plans to raise additional funds and achieve profitable operations. Management's plans include continued equity financing and crowdfunding offerings (see Note 13), expansion of the Company's revenue streams, and ongoing operational efficiency initiatives. During 2025, the Company launched its self-directed investing platform, and subsequent to year-end, the Company launched its managed investing platform and AUM-based monetization model. Management continues to pursue additional financing, including potential equity or bridge financing, to support ongoing operations. The financial statements do not include any adjustments that might be necessary should the Company be unable to continue as a going concern.

Independent Auditor's Report

June 10, 2026
To the Board of Directors and Investors of Musaffa CFV LLC
New York, New York

Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of Musaffa CFV LLC (the "Company"), which comprise the balance sheet as of December 31, 2025 and December 31, 2024, and the related statements of income, changes in members' equity, and cash flows for the date then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of Musaffa CFV LLC as of December 31, 2025 and December 31, 2024, and the results of its operations and its cash flows for the date then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of Musaffa CFV LLC in accordance with the relevant ethical requirements relating to our audit and have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for one year after the date the financial statements are issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users made on the basis of these financial statements.

As part of an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

All income and expenses of the Company will be and reported within Musaffa, Inc.'s financial statements.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**Basis of Presentation**

The accompanying financial statements have been prepared using the accrual method of accounting in conformity with accounting principles generally accepted in the United States of America (“US GAAP”). Any reference in these notes to applicable guidance is meant to refer to U.S. GAAP as found in the Accounting Standards Codification (“ASC”) and Accounting Standards Updates (“ASU”) of the Financial Accounting Standards Board (“FASB”).

Use of Estimates

The preparation of the financial statements in conformity with US GAAP requires management to make estimates and assumptions that affect the amounts reported in the financial statements and the footnotes thereto. Actual results could differ from those estimates. It is reasonably possible that changes in estimates will occur in the near term.

Risks and Uncertainties

The Company has a limited operating history. The Company's business and operations are sensitive to general business and economic conditions in the United States. A host of factors beyond the Company's control could cause fluctuations in these conditions. Adverse conditions may include recession, downturn or otherwise, local competition or changes in consumer taste. These adverse conditions could affect the Company's financial condition and the results of its operations.

Cash and Cash Equivalents

The Company considers short-term, highly liquid investments with original maturities of three months or less at the time of purchase to be cash equivalents. As of December 31, 2025 and 2024, the Company had no cash and cash equivalents.

Fair Value Measurements

US GAAP defines fair value as the price that would be received to sell an asset or be paid to transfer a liability in an orderly transaction between market participants at the measurement date (exit

**MUSAFFA CFV LLC
NOTES TO FINANCIAL STATEMENTS

(AUDITED)**

price) and such principles also establish a fair value hierarchy that prioritizes the inputs used to measure fair value using the following definitions (from highest to lowest priority):

- Level 1 – Unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities.
- Level 2 – Observable inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly, including quoted prices for similar assets and liabilities in active markets; quoted prices for identical or similar assets and liabilities in markets that are not active; or other inputs that are observable or can be corroborated by observable market data by correlation or other means.
- Level 3 – Prices or valuation techniques requiring inputs that are both significant to the fair value measurement and unobservable.

As of December 31, 2025 and 2024, the carrying amount of the Company's investments reported in the balance sheet approximate their fair value.

Organizational Costs

In accordance with FASB ASC 720, organizational costs, including accounting fees, legal fee, and costs of incorporation, are expensed as incurred.

NOTE 3 – INCOME TAX PROVISION

The Company is a limited liability company, treated as a partnership for federal and state income tax purposes with all income tax liabilities and/or benefits of the Company being passed through to the members. As such, no recognition of federal or state income taxes for the Company have been provided for in the accompanying financial statements.

Any uncertain tax position taken by a member is not an uncertain position of the Company.

NOTE 5 – COMMITMENTS AND CONTINGENCIES

The Company is not currently involved with and does not know of any pending or threatening litigation against the Company.

NOTE 6 – GOING CONCERN

In addition, complete copies of the Company's annual financials ending on December 31, 2025, consisting of an audited balance sheet and the related statements of income and cash flows covering the period from Company's formation to the date of the financial statement (the "**SPV Financial Statements**"), have been made available to the Subscriber and appear in the Offering Statement. TaxDrop LLC and Alice.CPA LLC, independent accounting firms operating within the rules and regulations adopted by the SEC, audited the Financial Statements and SPV Financial Statements respectively. The Financial Statements and the SPV Financial Statements comply with the requirements of Rule 201 of Regulation Crowdfunding, as promulgated by the SEC.

(g) Proceeds. The Company shall use the proceeds from the issuance and sale of the Securities as set forth in the Offering Materials.

(h) Litigation. There is no pending action, suit, proceeding, arbitration, mediation, complaint, claim, charge or investigation before any court, arbitrator, mediator or governmental body, or to the Company's and Crowdfunding Issuer's knowledge, currently threatened in writing (a) against the Company or Crowdfunding Issuer or (b) against any consultant, officer, manager, director or key employee of the Company or Crowdfunding Issuer arising out of his or her consulting, employment or board relationship with the Company or that could otherwise materially impact the Company or Crowdfunding Issuer.

5. Representations and Warranties of Subscriber. By executing this Subscription Agreement, Subscriber (and, if Subscriber is purchasing the Securities subscribed for hereby in a fiduciary capacity, the person or persons for whom Subscriber is so purchasing) represents and warrants,

which representations and warranties are true and complete in all material respects as of the date of the Subscriber's Closing Date(s):

(a) Requisite Power and Authority. Such Subscriber has all necessary power and authority under all applicable provisions of law to execute and deliver this Subscription Agreement, the Operating Agreement and other agreements required hereunder and to carry out their provisions. All action on Subscriber's part required for the lawful execution and delivery of this Subscription Agreement and other agreements required hereunder have been or will be effectively taken prior to the Closing. Upon their execution and delivery, this Subscription Agreement and other agreements required hereunder will be valid and binding obligations of Subscriber, enforceable in accordance with their terms, except (a) as limited by applicable bankruptcy, insolvency, reorganization, moratorium or other laws of general application affecting enforcement of creditors' rights and (b) as limited by general principles of equity that restrict the availability of equitable remedies.

(b) Investment Representations. Subscriber understands that the Securities have not been registered under the Securities Act. Subscriber also understands that the Securities are being offered and sold pursuant to an exemption from registration contained in the Act based in part upon Subscriber's representations contained in this Subscription Agreement.

(c) Manner of Holding. Subscriber understands that the Subscriber is investing into the Company, which will serve as a "crowdfunding vehicle" for an investment between the Company and the Crowdfunding Issuer. The Company will maintain records of securityholders and, subject to the terms of the Operating Agreement, provide rights as if the Subscriber invested directly into the Crowdfunding Issuer.

(d) Illiquidity and Continued Economic Risk. Subscriber acknowledges and agrees that there is no ready public market for the Securities and that there is no guarantee that a market for their resale will ever exist. Subscriber must bear the economic risk of this investment indefinitely and the Company has no obligation to list the Securities on any market or take any steps (including registration under the Securities Act or the Securities Exchange Act of 1934, as amended) with respect to facilitating trading or resale of the Securities. Subscriber acknowledges that Subscriber is able to bear the economic risk of losing Subscriber's entire investment in the Securities. Subscriber also understands that an investment in the Company involves significant risks and has taken full cognizance of and understands all of the risk factors relating to the purchase of Securities.

(e) Resales. Subscriber agrees that during the one-year period beginning on the date on which it acquires Securities pursuant to this Subscription Agreement, it shall not transfer such Securities except:

(i) To the Company;

(ii) To an "accredited investor" within the meaning of Rule 501 of Regulation D under the Securities Act;

(iii) As part of an offering registered under the Securities Act with the SEC; or

(iv) To a member of the Subscriber's family or the equivalent, to a trust controlled by the Subscriber, to a trust created for the benefit of a member of the family of the Subscriber or equivalent, or in connection with the death or divorce of the Subscriber or other similar circumstance.

(f) Investment Limits. Subscriber represents that either:

(i) Either of Subscriber's net worth or annual income is less than \$124,000, and that the amount it is investing pursuant to this Subscription Agreement, including the Investor Processing Fees if any, together with all other amounts invested in offerings under Section 4(a)(6) of the Securities Act within the previous 12 months, is either less than (A) 5% of the greater of its annual income or net worth, or (B) \$2,500; or

(ii) Both of Subscriber's net worth and annual income are more than \$124,000, and that the amount it is investing pursuant to this Subscription Agreement, including the Investor Processing Fees if any, together with all other amounts invested in offerings under Section 4(a)(6) of the Securities Act within the previous 12 months, is less than 10% of the greater of its annual income or net worth, and does not exceed \$124,000; or

(iii) Subscriber is an "accredited investor" within the meaning of Rule 501 of Regulation D under the Securities Act, and no investment limits shall apply.

(g) Subscriber Information. Within five days after receipt of a request from the Company, the Subscriber hereby agrees to provide such information with respect to its status as a securityholder and to execute and deliver such documents as may reasonably be necessary to comply with any and all laws and regulations to which the Company or the Crowdfunding Issuer is or may become subject. **Subscriber further agrees that in the event it transfers any Securities, it will require the transferee of such Securities to agree to provide such information to the Company or the Crowdfunding Issuer as a condition of such transfer.**

(h) Crowdfunding Issuer Information. Subscriber has read the Offering Statement. Subscriber understands that the Crowdfunding Issuer is subject to all the risks that apply to early-stage companies, whether or not those risks are explicitly set out in the Offering Materials. Subscriber has had an opportunity to discuss the Crowdfunding Issuer's business, management and financial affairs with managers, officers and management of the Crowdfunding Issuer or has had the opportunity to review the Crowdfunding Issuer's operations and facilities. Subscriber has also had the opportunity to ask questions of and receive answers from the Crowdfunding Issuer and its management regarding the terms and conditions of this investment. Subscriber acknowledges that except as set forth herein, no representations or warranties have been made to Subscriber, or to Subscriber's advisors or representative, by the Crowdfunding Issuer or others with respect to the business or prospects of the Crowdfunding Issuer or its financial condition.

(i) Valuation. The Subscriber acknowledges that the price of the Securities was set by the Crowdfunding Issuer on the basis of the Crowdfunding Issuer's internal valuation and no warranties are made as to value. The Subscriber further acknowledges that future offerings of Securities may be made at lower valuations, with the result that the Subscriber's investment will bear a lower valuation.

(j) Domicile. Subscriber maintains Subscriber's domicile (and is not a transient or temporary resident) at the address provided with Subscriber's subscription.

(k) Foreign Investors. If Subscriber is not a United States person (as defined by Section 7701(a)(30) of the Internal Revenue Code of 1986, as amended), Subscriber hereby represents that it has satisfied itself as to the full observance of the laws of its jurisdiction in connection with any invitation to subscribe for the Securities or any use of this Subscription Agreement, including (i) the legal requirements within its jurisdiction for the purchase of the Securities, (ii) any foreign exchange restrictions applicable to such purchase, (iii) any

governmental or other consents that may need to be obtained, and (iv) the income tax and other tax consequences, if any, that may be relevant to the purchase, holding, redemption, sale, or transfer of the Securities. Subscriber's subscription and payment for and continued beneficial ownership of the Securities will not violate any applicable securities or other laws of the Subscriber's jurisdiction.

6. Indemnity. The representations, warranties and covenants made by the Subscriber herein shall survive the expiration or termination of this Agreement. The Subscriber agrees to indemnify and hold harmless the Company, the Crowdfunding Issuer and their respective officers, directors and affiliates, and each other person, if any, who controls the Company or the Crowdfunding Issuer, as the case may be, within the meaning of Section 15 of the Securities Act, against any and all loss, liability, claim, damage and expense whatsoever (including, but not limited to, any and all reasonable attorneys' fees, including attorneys' fees on appeal) and expenses reasonably incurred in investigating, preparing or defending against any false representation or warranty or breach of failure by the Subscriber to comply with any covenant or agreement made by the Subscriber herein or in any other document furnished by the Subscriber to any of the foregoing persons or entities in connection with this transaction.

7. Transfer Restrictions.

(a) "Market Stand-Off" Agreement. Each Subscriber hereby agrees that it will not, without the prior written consent of the managing underwriter or financial advisor to the Crowdfunding Issuer (as applicable), during the period commencing on the date of the final prospectus relating to the registration by the Crowdfunding Issuer of its securities under the Securities Act on a registration statement on Form S-1 or Form S-3, and ending on the date specified by the Crowdfunding Issuer and the managing underwriter (such period not to exceed one hundred eighty (180) days in the case of the initial public offering (the "IPO") or any merger with or into a special purpose acquisition company ("SPAC"), or such other period as may be requested by the Crowdfunding Issuer or an underwriter or financial advisor to accommodate regulatory restrictions on (1) the publication or other distribution of research reports, and (2) analyst recommendations and opinions, including, but not limited to, the restrictions contained in FINRA Rule 2711(f)(4) or NYSE Rule 472(f)(4), or any successor provisions or amendments thereto), or ninety (90) days in the case of any registration other than the IPO, or such other period as may be requested by the Crowdfunding Issuer, its financial advisors or an underwriter to accommodate regulatory restrictions on (1) the publication or other distribution of research reports and (2) analyst recommendations and opinions, including, but not limited to, the restrictions contained in FINRA Rule 2711(f)(4) or NYSE Rule 472(f)(4), or any successor provisions or amendments thereto), (i) lend; offer; pledge; sell; contract to sell; sell any option or contract to purchase; purchase any option or contract to sell; grant any option, right, or warrant to purchase; or otherwise transfer or dispose of, directly or indirectly, any Securities (or other securities, whether such shares or any such securities are then owned by the Subscriber or are thereafter acquired) or (ii) enter into any swap or other arrangement that transfers to another, in whole or in part, any of the economic consequences of ownership of such securities, whether any such transaction described in clause (i) or (ii) above is to be settled by delivery of Securities, in cash, or otherwise. The foregoing provisions of this Section 7(a) shall not apply to the sale of any securities to an underwriter pursuant to an underwriting agreement, or the transfer of any securities to any trust for the direct or indirect benefit of the Subscriber or the immediate family of the Subscriber, provided that the trustee of the trust agrees to be bound in writing by the restrictions set forth herein, and provided further that any such transfer shall not involve a disposition for value, and shall be applicable to the Subscribers only if all officers and directors

are subject to the same restrictions. The financial advisors of the Crowdfunding Issuer or its underwriters in connection with such registration are intended third party beneficiaries of this Section 7(a) and shall have the right, power and authority to enforce the provisions hereof as though they were a party hereto. Each Subscriber further agrees to execute such agreements as may be reasonably requested by the underwriters in connection with such registration that are consistent with this Section 7(a) or that are necessary to give further effect thereto. For purposes of this Section 7(a), the term "Crowdfunding Issuer" shall include any wholly owned subsidiary of the Crowdfunding Issuer into which the Crowdfunding Issuer merges or consolidates. In order to enforce the foregoing covenant, the Crowdfunding Issuer may impose stop transfer instructions with respect to the Subscriber's registrable securities of the Crowdfunding Issuer (and the Crowdfunding Issuer shares or securities of every other person subject to the foregoing restriction) until the end of such period. The Subscriber agrees that a legend reading substantially as follows may be placed on all certificates representing all of such Subscriber's registrable securities of the Crowdfunding Issuer (and the Crowdfunding Issuer shares or securities of every other person subject to the restriction contained in this Section 7(a)):

"THE INTERESTS REPRESENTED BY THIS CERTIFICATE ARE SUBJECT TO AN OPERATING AGREEMENT AMONG THE COMPANY AND ITS MEMBERS, A COPY OF WHICH IS ON FILE AT THE PRINCIPAL EXECUTIVE OFFICE OF THE COMPANY. NO TRANSFER, SALE, ASSIGNMENT, GIFT, PLEDGE, ENCUMBRANCE, HYPOTHECATION, OR OTHER DISPOSITION OF THE SECURITY INTERESTS REPRESENTED BY THIS CERTIFICATE MAY BE MADE EXCEPT IN ACCORDANCE WITH THE PROVISIONS OF SUCH OPERATING AGREEMENT.

THE INTERESTS REPRESENTED BY THIS CERTIFICATE HAVE NOT BEEN REGISTERED UNDER THE SECURITIES ACT OF 1933, AS AMENDED, AND HAVE BEEN ISSUED PURSUANT TO SECTION 4(A)(6) OF THE SECURITIES ACT AND REGULATION CROWDFUNDING PROMULGATED THEREUNDER. THE TRANSFER, SALE, ASSIGNMENT, PLEDGE, HYPOTHECATION, OR OTHER DISPOSITION IS LIMITED BY SUCH LAW AND REGULATION."

(b) **Right of First Refusal.** In the event that a Subscriber (the "Transferring Party") wishes to sell, assign, transfer, or in any way dispose of the Securities acquired under this Subscription Agreement (the "Proposed Disposition"), the Transferring Party shall first present such Securities to the Company, thereby granting the Company the chance to acquire the Securities on identical terms as the Proposed Disposition. The Transferring Party is required to provide the Company with a written notification (the "Notification of Proposed Disposition") detailing: (i) the Transferring Party's genuine intention to sell or otherwise dispose of such Securities; (ii) the identity and contact details of the intended purchaser or recipient (the "Intended Transferee"); (iii) the quantity of Securities intended for disposition; (iv) the terms and conditions of the Proposed Disposition, inclusive of the proposed sale price and payment method; and (v) a definitive agreement from the Transferring Party to dispose of the Securities on the terms described in the Notification of Proposed Disposition, conditional upon the Company's decision not to utilize its right of first refusal. Upon receipt of the Notification of Proposed Disposition, the Company shall hold the right, though not the obligation, to acquire any or all of the Securities designated for transfer to the Intended Transferee, under the price and terms specified in the Notification of Proposed Disposition. This right must be exercised by the Company through the delivery of a written acknowledgment to the Transferring Party within twenty (20) calendar days following receipt of the Notification of Proposed Disposition (the "Acceptance Period"). Should the

Company choose to purchase any of the Securities, the completion of such purchase and the payment to the Transferring Party shall occur no more than forty-five (45) calendar days from the date on the Notification of Proposed Disposition, through closing mechanisms as designated by the Company. Payment may be executed by certified check or via wire transfer to a bank account nominated by the Transferring Party. If the Company opts not to exercise its right of first refusal within the Acceptance Period, the Transferring Party shall be entitled to conclude the Proposed Disposition with the Intended Transferee under terms and conditions that are not more advantageous to the Intended Transferee than those outlined in the Notification of Proposed Disposition, within a period of one hundred and twenty (120) days from the termination of the Acceptance Period. Any Securities not disposed of to the Intended Transferee within this timeframe shall continue to be subject to the right of first refusal delineated herein. This right of first refusal shall be enforceable against any successors or assigns of the Transferring Party and shall benefit the successors and assigns of the Company. The relinquishment of this clause's right may only occur with the Company's prior written consent.

(c) **Drag-Along Rights.** The undersigned hereby agrees and acknowledges that in the event the holders of a majority of the outstanding voting securities of the Company (the "Required Majority") approve a Sale Transaction (as defined below), the undersigned shall be obligated to participate in such Sale Transaction on the same terms and conditions as the Required Majority, and shall take all necessary or desirable actions in connection with the consummation of such Sale Transaction as reasonably requested by the Company or the Required Majority. For purposes of this provision, a "Sale Transaction" means (i) a merger, consolidation, reorganization, or other transaction in which the shareholders of the Company immediately prior to such transaction hold less than fifty percent (50%) of the voting power of the surviving or resulting entity immediately following such transaction; (ii) a sale, lease, transfer, exclusive license or other disposition of all or substantially all of the assets of the Company; or (iii) the sale or transfer by the shareholders of the Company of shares representing more than fifty percent (50%) of the voting power of the Company to a third-party acquirer or group of related acquirers. In connection with any Sale Transaction approved by the Required Majority, the undersigned agrees to: (i) consent to and raise no objections against such Sale Transaction; (ii) waive any dissenters' rights, appraisal rights, or similar rights in connection with such Sale Transaction; (iii) if the consideration to be paid in the Sale Transaction includes non-cash consideration, accept the same form of consideration as the Required Majority; (iv) execute and deliver all related documentation, including but not limited to merger agreements, stock purchase agreements, consents, releases, indemnification agreements, escrow agreements, and instruments of transfer; (v) make the same representations, warranties, covenants, and indemnifications as the Required Majority on a several (and not joint) basis, provided that the undersigned shall be liable only for such representations, warranties, covenants, and indemnifications to the extent of the undersigned's pro rata portion based on the proceeds received by the undersigned in connection with the Sale Transaction; and (vi) take all other actions as may be reasonably necessary to consummate such Sale Transaction, including voting in favor of, and approving, such Sale Transaction and any related transactions. The undersigned acknowledges and agrees that the drag-along obligation hereunder is intended to facilitate potential Sale Transactions and prevent minority shareholders from impeding transactions approved by the Required Majority. This drag-along right shall run with the Shares and shall be binding upon any transferee, assignee, or other successor in interest to the undersigned's Shares.

(d) Further Limitations on Disposition. Without in any way limiting the representations and warranties set forth in this Agreement, the Subscriber agrees not to make any disposition of all or any portion of the Securities unless and until (x) the requirements for transfer under the Crowdfunding Issuer's Amended and Restated Bylaws and Company's Operating Agreement have been satisfied, and (y) the transferee has agreed in writing for the benefit of the Crowdfunding Issuer and the Company to make the representations and warranties set out in

Section 5 and the undertaking set out in Section 7(a) and 7(b) of this Agreement and:

(i) there is then in effect a registration statement under the Securities Act covering such proposed disposition, and such disposition is made in connection with such registration statement; or

(ii) such Subscriber has (A) notified the Crowdfunding Issuer and the Company of the proposed disposition; (B) furnished the Crowdfunding Issuer and the Company with a detailed statement of the circumstances surrounding the proposed disposition; and (C) if requested by the Crowdfunding Issuer and the Company, furnished the Crowdfunding Issuer and the Company with an opinion of counsel reasonably satisfactory to the Crowdfunding Issuer and the Company that such disposition will not require registration under the Securities Act.

8. Applicable Law; Jurisdiction & Venue. All questions concerning the construction, validity and interpretation of this Agreement and the performance of the obligations imposed by this Agreement shall be governed by the internal laws of the State of Delaware without the application of conflicts of law principals. The parties (a) hereby irrevocably and unconditionally submit to the jurisdiction of the Delaware Court of Chancery and to the jurisdiction of the United States District Court for the District of Delaware for the purpose of any suit, action or other proceeding arising out of or based upon this Agreement, (b) agree not to commence any suit, action or other proceeding arising out of or based upon this Agreement except in the above-named courts, except as provided for in Section 10, and (c) hereby waive, and agree not to assert, by way of motion, as a defense, or otherwise, in any such suit, action or proceeding, any claim that it is not subject personally to the jurisdiction of the above-named courts, that its property is exempt or immune from attachment or execution, that the suit, action or proceeding is brought in an inconvenient forum, that the venue of the suit, action or proceeding is improper or that this Agreement or the subject matter hereof may not be enforced in or by such court.

9. WAIVER OF JURY TRIAL. EACH PARTY HEREBY WAIVES ITS RIGHTS TO A JURY TRIAL OF ANY CLAIM OR CAUSE OF ACTION BASED UPON OR ARISING OUT OF THIS AGREEMENT, THE OTHER TRANSACTION AGREEMENTS, THE COMPANY'S OR THE CROWDFUNDING ISSUER'S SECURITIES, OR THE SUBJECT MATTER HEREOF OR THEREOF. THE SCOPE OF THIS WAIVER IS INTENDED TO BE ALL-ENCOMPASSING OF ANY AND ALL DISPUTES THAT MAY BE FILED IN ANY COURT AND THAT RELATE TO THE SUBJECT MATTER OF THIS AGREEMENT, INCLUDING, WITHOUT LIMITATION, CONTRACT CLAIMS, TORT CLAIMS (INCLUDING NEGLIGENCE), BREACH OF DUTY CLAIMS, AND ALL OTHER COMMON LAW AND STATUTORY CLAIMS. THIS SECTION HAS BEEN FULLY DISCUSSED BY EACH OF THE PARTIES HERETO AND THESE PROVISIONS WILL NOT BE SUBJECT TO ANY EXCEPTIONS. EACH PARTY HERETO HEREBY FURTHER WARRANTS AND REPRESENTS THAT SUCH PARTY HAS REVIEWED THIS WAIVER WITH ITS LEGAL COUNSEL, AND THAT SUCH PARTY KNOWINGLY AND VOLUNTARILY WAIVES ITS JURY TRIAL RIGHTS FOLLOWING CONSULTATION WITH LEGAL COUNSEL.

10. Dispute Resolution; Arbitration. Any dispute, controversy or claim arising out of, relating to or in connection with this instrument, including the breach or validity thereof, shall be determined by final and binding arbitration administered by the American Arbitration Association (the "AAA") under its Commercial Arbitration Rules and Mediation Procedures ("**Commercial Rules**"). The award rendered by the arbitrator shall be final, non-appealable and binding on the parties and may be entered and enforced in any court having jurisdiction. There shall be one arbitrator agreed to by parties within twenty (20) days of receipt by respondent of the request for arbitration or, in default thereof, appointed by the AAA in accordance with its Commercial Rules. The place of arbitration shall be New York, NY. Except as may be required by law or to protect legal rights, neither a party nor the arbitrator may disclose the existence, content, or results of any arbitration without the prior written consent of the other parties. If the dispute cannot be resolved through arbitration, then the parties shall proceed with judicial proceedings as set forth in Section 8 and Section 10.

(b) Subscriber acknowledges that U.S. Federal law, regulations and Executive Orders administered by the U.S. Treasury Department's Office of Foreign Assets Control ("**OFAC**") may prohibit the Company, Manager, or Crowdfunding Issuer from, among other things, engaging in transactions with, and the provision of services to, persons on the list of Specially Designated Nationals and Blocked Persons and persons, foreign countries and territories that are the subject of U.S. sanctions administered by OFAC (collectively, the "**OFAC Maintained Sanctions**").

Subscriber represents and warrants that it is not, and is not acting directly or indirectly on behalf of, a Prohibited Person.

(d) To the extent Subscriber has any beneficial owners, (i) it has carried out thorough

(f) Subscriber acknowledges and agrees that the Company and/or the Crowdfunding Issuer, in complying with anti-money laundering statutes, regulations and goals, may file voluntarily and/or as required by law suspicious activity reports ("SARs") or any other information with governmental and law enforcement agencies that identify transactions and activities that the Company or Crowdfunding Issuer or their agents reasonably determine to be suspicious, or is otherwise required by law. Subscriber acknowledges that the Company, and Crowdfunding Issuer are prohibited by law from disclosing to third parties, including the Subscriber, any filing or the substance of any SARs.

(g) Subscriber agrees that, upon the request of the Company, or Crowdfunding Issuer, it will provide such information as the Company, or Crowdfunding Issuer requires to satisfy applicable anti-money laundering laws and regulations, including, without limitation, background documentation about Subscriber.

13. Confidentiality.

(d) Subscriber agrees that the Company and the Crowdfunding Issuer would be subject to potentially irreparable injury as a result of any breach by Subscriber of the covenants and agreements set forth in this Section 13 and that monetary damages would not be sufficient to compensate or make whole the Company and the Crowdfunding Issuer for any such breach. Accordingly, Subscriber agrees that the Company and the Crowdfunding Issuer shall be entitled to equitable and injunctive relief, on an emergency, temporary, preliminary and/or permanent basis, to prevent any such breach or the continuation thereof.

(g) Severability. In the event any part of this Subscription Agreement is found to be void or unenforceable, the remaining provisions are intended to be separable and binding with the same effect as if the void or unenforceable part were never the subject of agreement. Section 3.2 Issuance of Units & Use of Proceeds

The Company has (and, to comply with Rule 3a-9 of the Investment Company Act, may only have) a single class of Membership Units, which shall be issued to Members purchasing such Units pursuant to a

Regulation Crowdfunding Offering in consideration for their Capital Contribution. Fractional Units will not be issued. Un-issued Units may not be voted for any action and shall not be allocated any Distributable Cash, Profits, or Losses.

All money received from Members shall be used to purchase non-voting Class B Common Stock of Musaffa, Inc. The Company shall maintain a one-to-one relationship between the number, denomination, type and rights of the Class B Common Stock of Musaffa, Inc. it owns and the number, denomination, type and rights of its securities outstanding. The Membership Units will be uncertificated, unless the Manager (in its sole discretion) agrees to have certificates created and the Crowdfunding Issuer agrees to pay all expenses incurred to do so.

Investors purchasing Units must be accepted as Members of the Company before becoming Unit holders in the Company. Members holding Units shall have the rights and responsibilities as outlined in this Agreement.

Section 3.3 Capital Accounts

A separate Capital Account shall be maintained for each Member in accordance with the applicable provisions of the Regulations.

Each Member's Capital Account shall be credited with such Member's Capital Contributions, such Member's share of Profits allocated to such Member in accordance with the provisions of this Agreement.

Each Member's Capital Account shall be debited by the amount of cash distributed to such Member in accordance with this Agreement, the value of the Member's allocated share of Losses, and any items in the nature of deductions or depreciation that are specifically allocated.

The Manager shall maintain a correct record of all the Members and their Units, together with amended and revised schedules of ownership caused by changes in the Members and changes in Units.

Section 3.4 Borrowing of Money Prohibited

Such distributions shall be pro-rata to each Member in proportion to the number of Units held. Any distributable cash distributed the Company from the Crowdfunding Issuer must be distributed to the Company's Members within 60 days of receipt.

Section 4.2 Allocation of Profits and Losses

After giving effect to the special allocations described in Section 4.3, and after making all the other adjustments to the Members' Capital Accounts called for by this Agreement, the Company shall allocate all Profits, Losses, and similar tax items to the Members pro-rata, in proportion to their Membership Interests.

Allocation of Profits and Losses may be modified by subsequent agreement to conform to adjustments made to the Membership Interests because of any non-uniform distributions of cash and any liquidating distributions.

Section 4.3 Special Allocations

a. Qualified Income Offset. If a Member, or applicable Assignee, unexpectedly receives any adjustments, allocations, or distributions described in Regulations §§ 1.704-1(b)(2)(ii)(d)(4)-(d)(6), 1.704-1(b)(2)(ii)(d)(5), or 1.704-1(b)(2)(ii)(d)(6), items of Company income and gain shall be specially allocated to each such Person in an amount and manner sufficient to eliminate, to the extent required by the Regulations, the Capital Account of such Person as quickly as possible, provided that an allocation pursuant to this Section shall be made only if and to the extent that such Person would have a negative Capital Account after all other allocations provided for in this Article 4 have been tentatively made as if this Section were not in the Agreement.

b. Section 704(c) Allocations. In accordance with Internal Revenue Code § 704(c) and the applicable Regulations issued pursuant to Internal Revenue Code § 704(c), income, gain, loss, and deduction with respect to any property contributed to the capital of the Company shall, solely for tax purposes, be allocated among the Members, or applicable Assignees, so as to take into account any variation between the adjusted basis of such property to the Company for federal income tax purposes and initial Gross Asset Value of such property. In the event the Gross Asset Value of any Company Asset is adjusted pursuant to this Agreement, subsequent allocations of income, gain, loss, and deduction with respect to such property shall take into account any variation between the adjusted basis of such property for federal income tax purposes and Gross Asset Value of such property in the same manner as under Internal Revenue Code § 704(c) and the Regulations. Any elections or other decisions relating to such allocations shall be made by the Manager in any manner that reasonably reflects the purpose of this Agreement. Allocations made pursuant to this Section are solely for purposes of federal, state, and local taxes and shall not affect or in any way be taken into account in computing any Member's Capital Account or share of Profits, Losses, other items, or distributions pursuant to any provision of this Agreement.

c. Minimum Gain Chargeback. Notwithstanding anything to the contrary in this Agreement, Profits and Losses shall be allocated as though this Agreement contained (and therefore is hereby incorporated herein by reference) minimum gain chargeback and partner minimum gain chargeback provisions, which comply with the requirements of Regulations § 1.704-2. For purposes of applying the minimum gain chargeback, non-recourse deductions for any taxable year shall be specially allocated among the Members, or applicable Assignees, in the same proportions that Losses for any such year would be allocated under Section 4.2.

d. Allocations in Event of Re-characterization. If transactions between the Company and Members, or applicable Assignees, are re-characterized, imputed, or otherwise treated in a manner the effect of which is to increase or decrease the Profits or Losses of the Company, and correspondingly decrease or increase the taxable income, deduction, or loss of one or more Members or applicable Assignees, the allocations set forth in this Article shall be adjusted to eliminate, to the greatest extent possible, the consequences of such re-characterization or imputation.

e. Other Allocations. The Manager shall make such other special allocations as are required in order to comply with any mandatory provision of the Regulations or to reflect a Member's or applicable Assignee's economic interest in the Company, determined with reference to such Person's right to receive distributions from the Company.

Section 4.4 Imputed Underpayments

a. Modifications of Imputed Underpayments. Other than as is otherwise expressly stated in this Agreement, the Manager may make any request for modifications of an "imputed underpayment" to the IRS, or cause the Partnership Representative or other Person to make any such request for any such modification, under the Internal Revenue Code as the Manager deems to be in the best interests of the Company, even if such an election has a negative effect on the Capital Account of one or more current or former Members.

b. Election in the Event of an Imputed Underpayment. In the event that the IRS determines that there is one or more "imputed underpayments" for any taxable year, then the Partnership Representative is hereby expressly authorized and directed to make an election under § 6226 under the Internal Revenue Code as set forth in the rules released on January 2, 2018, or their successors or replacements, without the vote or consent of the Members, within forty-five (45) days of the date the respective final partnership adjustment is mailed to the Company. In the event that the Partnership Representative chooses to make such an election, each Member's share of the adjustment shall be calculated as follows:

i. For an adjustment that involves the allocation of an item to a specific Member or former Member or in a specific manner, including a reallocation of an item, each Member's or former Member's share of the adjustment, and any amounts attributable to such adjustment, shall be the total amount of the item that should have been allocated in the Reviewed Year; and

ii. For all other adjustments, the total adjustment, and any amounts attributable to such adjustment, shall be allocated as such items should have been allocated as described in subsection Section 4.2 above, and any other applicable provisions of this Agreement, in the Reviewed Year.

Article 5. Management of the Company

Section 5.1 General Authority of the Manager

Subject to the specific rights given the Members in this Agreement, all decisions respecting any matter affecting or arising out of the conduct of the business of the Company shall be made by the Manager, who shall have the exclusive right and full authority to manage, conduct, and operate the Company's business.

The Manager shall direct, manage, and control the Company to the best of its ability and shall have full and complete authority, power, and discretion to make any and all decisions and to do any and all things that such Manager may deem to be reasonably required to accomplish the purpose of the Company.

The Manager shall manage and administer the Company according to this Agreement and shall perform all duties prescribed for a manager by the WLLCA.

Section 5.2 Actions of the Manager

Unless otherwise set forth in this Agreement, if there is more than one Manager, any Manager may act independently on behalf of the Company, or with regard to the administration of the Company, without the

joinder of any other Manager, and any authority granted to the Manager under this Agreement or by the WLLCA may be duly exercised by any single Manager.

Section 5.3 Authority to Make or Terminate Tax Elections

The Manager may, but shall not be required to, cause the Company to make or terminate any elections applicable to the Company for federal and state income tax purposes, as the Manager deems to be in the best interests of the Members and the Company, without prior Notice to any Member. Such elections shall include, but are not limited to, an optional adjustment to basis election under § 754 of the Internal Revenue Code relating to distributions of Company Assets in a manner provided for in § 734 of the Internal Revenue Code and, in the case of a Transfer of a Unit, in a manner provided for in § 743 of the Internal Revenue Code.

Section 5.4 Delegation to Agent

The Manager may delegate or proxy to any agent the power to exercise any or all powers granted such Manager as provided in this Agreement, including those that are discretionary, if allowed by law. The delegating Manager may terminate any delegation at any time. The delegation of any such power, as well as the revocation of any such delegation, shall be evidenced by an instrument in writing executed by the delegating Manager.

Section 5.5 Officers

The Manager is authorized to appoint one or more officers from time to time and to delegate authority thereto. The officers shall hold office until their successors are chosen and qualified. Subject to any employment agreement entered into between the officer and the Company, an officer shall serve at the pleasure of the Manager.

Section 5.6 Specific Powers of the Manager

Without limiting the authority set forth in Section 5.1, the Manager shall have power and authority on behalf of the Company to:

- a. Issue Units in accordance with this Agreement;
- b. Acquire, hold, dispose of, and otherwise invest in securities of the Crowdfunding Issuer;
- c. Execute on behalf of the Company all instruments and documents necessary to the business of the Company (including any shareholder resolutions or shareholder related instruments from the Crowdfunding Issuer);
- d. Amend this Agreement pursuant to Section 14.3;
- e. Open financial accounts in the name of the Company;
- f. Disburse Distributable Cash, invest Capital Contributions in securities of the Crowdfunding Issuer, and pay fees and expenses as set forth in this Agreement;
- g. Employ, contract with, and/or dismiss agents, employees, contractors, brokers, accountants, legal counsel, managing agents, or other Persons to perform services for the Company, so long

as all expenses associated with its formation, operation, or winding up of the Company are paid or reimbursed by the Crowdfunding Issuer or an Affiliate;

h. Vote the securities of the Crowdfunding Issuer held by the Company in accordance with Section 7.4.

i. Institute, prosecute, defend, settle, compromise, and dismiss actions or proceedings brought by, on behalf of, or against the Company; and

j. Do and perform all other acts as may be necessary or appropriate to conduct the Company's business.

Article 6. The Manager

Section 6.1 The Manager

The Manager shall manage and administer Company Assets and perform all other duties prescribed for a manager by the WLLCA. The Company must have at all times at least one Manager. No other Person shall have any right or authority to act for or bind the Company except as permitted in this Agreement or as required by law. The Manager shall have no personal liability for the obligations of the Company.

Section 6.2 Extent and Scope of Services

During the existence of the Company, the Manager shall devote such time and effort to the Company's business as the Manager, in its sole discretion, determines to be necessary to promote adequately the interest of the Company and the mutual interest of the Members.

It is specifically understood and agreed that the Manager and its Affiliates shall not be required to devote full time to the Company's business.

The Manager and any of the Manager's Affiliates may engage in and possess interests in other business ventures of any and every type or description, independently or with others. Neither the Company nor any Member shall have any right, title, or interest in or to such independent ventures of the Manager. The Manager and the Manager's Affiliates may compete with the Company through any such independent venture, without liability to the Company for so doing. Any duties of care or loyalty which the Manager could be considered to possess by virtue of its position are hereby waived to the maximum extent permitted by law.

Notwithstanding any fiduciary duty owed by the Manager to the Company or the Members, the Manager is under no obligation to present any investment opportunity to the Company, even if such opportunity is of a character that, if presented to the Company, could be taken by the Company for its own account.

Section 6.3 Employment of Professionals

The Company may employ such brokers, agents, accountants, attorneys, and other advisors as the Manager may determine to be appropriate for the Company's business. The Company may employ Affiliated or unaffiliated service providers as necessary or convenient to facilitate the operations of the Company, so long as the cost of such employment is paid by (or reimbursed by, if paid by the Company) the Crowdfunding Issuer or its Affiliates. Alternatively, the Crowdfunding Issuer or its Affiliates may provide such services to the Company using its own in-house personnel.

Section 6.4 Voluntary Withdrawal of a Manager

A Manager of the Company may resign at any time by giving written Notice to all of the Members of the Company. The resignation of a Manager shall take effect ninety (90) days after receipt of Notice thereof or at such other time as shall be specified in such Notice or otherwise agreed between the Manager and Members. The acceptance of such resignation shall not be necessary to make it effective.

Section 6.5 Removal of a Manager

A Manager may be removed for Good Cause by Members holding seventy-five percent (75%) of the voting Membership Interests. For purposes of the foregoing, "Good Cause" means that the Manager conducted itself on behalf of the Company in a manner that (i) constitutes gross negligence or willful misconduct, and (ii) has a material, adverse effect on the Company. In the event the Members vote to remove a Manager for Good Cause, the Manager shall have the right to submit the question of whether sufficient grounds for removal exist to binding arbitration to be conducted as further described in the Agreement.

If a Manager is removed for Good Cause, its rights to any Units it holds will be unaffected including its right to vote and receive Distributable Cash pursuant to Section 4 above. No Member, including the Manager, if applicable, will have any special right to withdraw upon a removal of a Manager.

Section 6.6 Additional Managers

At any time, the Manager, in its sole discretion, may designate any Person (regardless of whether a Member) a Manager. If all of the Managers withdraw, are removed, or otherwise cannot serve as Managers for any reason, a majority of voting Membership Interests shall, within ninety (90) days after the date the last remaining Manager has ceased to serve, designate one or more new Managers effective as of the date of such withdrawal, removal, or inability to serve. Any Person becoming a Manager will automatically have the rights, authorities, duties, and obligations of a Manager under the Agreement.

Section 6.7 Management Compensation

The Manager will not receive compensation for its services to the Company, unless that compensation is paid by the Crowdfunding Issuer or its Affiliates. The Crowdfunding Issuer or its Affiliates (and not the Company) may reimburse the Manager as may be appropriate in the event that the Manager pays an obligation that is properly the responsibility of the Company.

Article 7. The Members

Section 7.1 Member Identification

The Units will be uncertificated. All Members of the Company and their Units shall be listed on Exhibit B, which is incorporated and made a part hereof, or tracked by a Transfer Agent retained by the Crowdfunding Issuer. Unless ownership is tracked by a Transfer Agent, the Manager shall update Exhibit B from time to time as necessary to accurately reflect the information contained therein.

Section 7.2 Limited Liability of Members

No Member shall be required to make any contribution to the capital of the Company for the payment of any Losses or for any other purposes; nor shall any Member be responsible or obligated to any third party for any debts or liabilities of the Company in excess of the sum of that Member's total Capital Contribution and share of any undistributed Profits of the Company.

Section 7.3 No Right for a Member to Participate in Management, Withdrawal, or Cause Dissolution

No Member, other than a Manager who is additionally a Member, may participate in the management and operation of the Company's business or its investment activities or bind the Company to any obligation or liability whatsoever.

No Member shall have the right to withdraw from the Company or to receive a return of any of its contributions to the Company until the Company is terminated and its affairs wound up.

No Member shall have the right or power to cause the dissolution and winding up of the Company by court decree or otherwise.

Section 7.4 Right of Members to be Consulted Regarding Voting and Tender or Exchange Offers

The Manager must consult with and follow the instructions of the Majority of Members prior to (1) voting the Crowdfunding Issuer securities held by the Company and (2) participating in tender or exchange offers or similar transactions conducted by the Crowdfunding Issuer.

With regards to any of these actions, the Manager shall seek instructions from each Member and vote the Crowdfunding Issuer securities held by the Company in the same proportion as the Instructions proceed. For example, if the Company holds 100 shares of the Crowdfunding Issuer, and holders of 70% of the Company's Units instruct the Manager to vote yes, 24% of the Company's Units instruct the Manager to vote no on a particular action, and 6% do not provide instructions, the Manager shall cause the Company to have 70 of its shares vote "yes," 24 of its share vote "no," and the remaining 6 shares not vote.

Section 7.5 Right of Members to Direct Company to Assert Shareholder Rights

Each Member shall have the right to direct the Company to assert those rights under State and Federal law that the Member would have if he or she had invested directly in the Crowdfunding Issuer. The Member asserting such rights shall pay for or reimburse the Company for all costs incurred because of such assertion (unless the Crowdfunding Issuer agrees to pay such costs), but the Company and its Manager shall have a duty to minimize these costs as much as reasonably practical.

Section 7.6 Breach of this Agreement

A Member will breach this Agreement if the Member:

- a. Attempts to withdraw from the Company, other than as permitted herein;
- b. Interferes in the management of the Company's affairs;
- c. Engages in conduct which results in the Company losing its tax status as a partnership; or
- d. Fails to discharge a legal duty to the Company.

A Member who is in breach of this Agreement shall be liable to the Company for damages caused by the breach. The Company may offset for the damages against any distributions or return of capital to the Member who has breached this Agreement.

Section 7.7 Voting

The Members' consent or vote of not less than a Required Interest shall be required to cause the Company to do anything set forth in this Section, except as otherwise set forth in this Agreement. No Member shall have the right to vote on Company actions except as described in this Section.

The Members, but not Assignees, shall have the right to vote on the following matters:

- a. The removal of a Manager, as set forth in Section 6.5, or appointment of an additional Manager, as set forth in Section 6.6;
- b. Amendment of the Agreement, other than as described in Section 14.3;
- c. Any action by the Company which would result in the sale of Class B Common Stock of Musaffa, Inc., or the exchange of such any such stock for any other Securities (unless such exchange is in accordance with a plan by Mustaffa, Inc. to exchange all of its Class B Common Stock for a different security, in which case any vote by the Company concerning such plan will be governed by Section 7.4);
- d. Such other matters as are required by this Agreement or the WLLCA.

Article 8. Meetings and Notice

Section 8.1 Annual Meetings

No annual meeting of the Manager or the Members is required.

Section 8.2 Special Meetings

Special meetings of the Members or Manager may be called by the Manager or by Members holding at least ten percent (10%) of the Membership Interests entitled to vote. Special meetings of the Members or Manager shall be called upon delivery to the Members and Manager of a Notice of a special meeting given in accordance with Section 8.3.

Section 8.3 Notice of Meetings

At least ten (10), but no more than sixty (60), days before the date of a meeting, the Company shall deliver a Notice stating the date, time, and place of any meeting of the Members or Manager, and a description of the purposes for which the meeting is called, to each Manager and each Member entitled to vote at the meeting, at such address as appears in the records of the Company.

Section 8.4 Waiver of Meeting Notice

A Member or Manager may waive notice of any meeting, before or after the date and time of the meeting as stated in the Notice, by delivering a signed waiver to the Company for inclusion in the minutes. A Member's or Manager's attendance at any meeting, in person or by proxy, waives objection to lack of notice or defective notice of the meeting, unless the Member or Manager, at the beginning of the meeting, objects to holding the meeting or transacting business at the meeting. A Member or Manager waives objection to consideration of a particular matter at the meeting that is not within the purposes described in the meeting Notice, unless the Member or Manager objects to considering the matter when it is presented.

Section 8.5 Voting by Proxy

A Member or Manager may appoint a proxy to vote or otherwise act for such Member or Manager pursuant to a written appointment executed by the Member or Manager or such Persons duly authorized as attorney-in-fact. An appointment of a proxy is effective when received by the secretary or other officer or agent of the Company authorized to tabulate votes. The general proxy of a fiduciary is given the same effect as the general proxy of any other Member or Manager. A proxy appointment is valid for an unlimited term unless otherwise expressly stated in the appointment form or unless such authorization is revoked by the Member or Manager who issued the proxy.

Section 8.6 Action by Consent

Any action required or permitted to be taken at a meeting of the Members or Manager may be taken without a meeting if the action is taken by Members holding sufficient voting Units, or Manager with sufficient authority, to vote on the action. The action must be evidenced by one or more written consents describing the action taken, which consents, in the aggregate, are signed by sufficient Membership Interests entitled to vote on the action and delivered to the Company for inclusion in the minutes.

Section 8.7 Quorum

A quorum for a meeting of the Members shall be the Members holding at least a majority in interest of the Membership Interests entitled vote.

Section 8.8 Presence

Any or all the Members or the Manager may participate in any meeting of the Members by, or through the use of, any means of communication by which all the Members and Manager participating may simultaneously hear each other during the meeting. A Member or Manager so participating is deemed to be present in person at the meeting.

Section 8.9 Conduct of Meetings

At any meeting of the Members or Manager, the Manager shall preside at the meeting and shall appoint a Person to act as secretary of the meeting. The secretary of the meeting shall prepare minutes of the meeting, which shall be placed in the minute books of the Company.

Article 9. Books, Records and Bank Accounts

Section 9.1 Books and Records

The Manager shall keep books of account with respect to the operation of the Company. Such books shall be maintained at the principal office of the Company, or at such other place as the Manager may determine.

Section 9.2 Access to Information from Company and Crowdfunding Issuer

Subject to the provisions of this Section, each Member (and/or its designee) may examine and audit the Company's books, records, accounts, and assets at the principal office of the Company, or such other place as the Manager may specify, during usual business hours, subject to such reasonable restrictions as may be imposed by the Manager. All expenses attributable to any such examination or audit shall be borne by such Member.

Additionally, the Company shall promptly provide all Members with access to any information that it receives from the Crowdfunding Issuer as a shareholder of record of the Crowdfunding Issuer.

An Assignee has no right to information regarding the Company. Though Assignees are not entitled to information, if they have or acquire information, they are subject to the confidentiality provisions of this Article, as those provisions apply to the Members.

Section 9.3 Confidential Information

The Members acknowledge that they may receive information regarding the Company or the Crowdfunding Issuer in the form of trade secrets or other information that is confidential, the release of which may be damaging to the Company or to Persons with whom it does business.

Each Member shall hold in strict confidence any information it receives regarding the Company that is identified as being, or reasonably understood to be, confidential and may not disclose it to any Person other than another Member, except for disclosures:

- a. compelled by law, but the Member must notify the Manager promptly of any request for that information before disclosing it, if practicable, to allow the Manager the opportunity to seek a protective order from a court of competent jurisdiction;
- b. to advisers or representatives of the Member, but only if they have also agreed to be bound by the provisions of this Section; and
- c. of information that the Member has received from a source independent of the Company, which the Member reasonably believes it obtained without breach of any obligation of confidentiality.

Section 9.4 Accounting Basis and Fiscal Year

The books of account of the Company shall be kept using appropriate accounting methods, as determined by the Manager, unless otherwise required by law, and shall be closed and balanced at the end of each Company year. The fiscal year of the Company shall be the same as the Fiscal Year of the Crowdfunding Issuer.

Section 9.5 Reports

The Manager shall, at the Company's expense, use commercially reasonable efforts to cause the Company to furnish to each of the Members regular financial and asset management reports and, within seventy-five (75) days after the end of each calendar year, all information related to the Company necessary for the preparation of the Members' federal and state income tax returns. All financial statements and reports shall be prepared at the expense of the Company.

Section 9.6 Bank Accounts and Company Funds

All funds of the Company shall be held in a separate bank account in the name of the Company, as determined by the Manager. All accounts used by or on behalf of the Company shall be and remain the property of the Company, and shall be received, held, and disbursed by the Manager for the purposes specified in this Agreement.

Article 10. Internal Dispute Resolution Procedure

ALL PROSPECTIVE MEMBERS SHOULD CAREFULLY READ THIS ENTIRE ARTICLE 10 TO ENSURE THAT THEY UNDERSTAND THAT BY SIGNING THIS AGREEMENT THEY ARE GIVING UP THE RIGHT TO TRIAL AND REIMBURSEMENT OF EXPENSES RELATED TO ANY DISPUTE. THE PRIMARY PURPOSE OF THIS ARTICLE IS TO PROTECT THE MEMBERS AND THEIR RESPECTIVE INVESTMENTS IN THE COMPANY.

Section 10.1 Introduction

Because the nature of the Company is to generate profits from the Company's operations, it is imperative that one Member's dispute with the Manager and/or other Members is not allowed to diminish the profits available to other Members. Litigation could require diversion of the Company's profits to pay attorneys' fees or could tie up Company funds necessary for the operation of the Company, impacting the profitability of the investment for all the Members. The only way to prevent such needless expense is to have a comprehensive dispute resolution procedure in place, to which each of the Members have specifically agreed in advance of membership in the Company. The procedure described below requires an aggrieved party to take a series of steps designed to amicably resolve a dispute on terms that will preserve the interests of the Company and other non-disputing Members, before invoking a costly remedy, such as arbitration.

In the event of a dispute, claim, question, or disagreement between the Members or between the Manager and one or more Members arising from or relating to this Agreement, the breach thereof, or any associated transaction (hereinafter "Dispute"), the Manager and the Members hereby agree to resolve such Dispute by strictly adhering to the dispute resolution procedure provided in this Article.

Section 10.2 Notice of Disputes

The aggrieved party must send written Notice of a Dispute to the Manager.

Section 10.3 Negotiation of Disputes

The parties hereto shall use their best efforts to settle any Dispute. To this effect, they shall consult and negotiate with each other in good faith and, recognizing their mutual interests, attempt to reach a just and equitable solution satisfactory to all parties. If, within a period of ninety (90) days after written Notice of such Dispute has been served by either party on the other, the parties have not reached a negotiated solution, then upon further Notice by either party, the Dispute shall be submitted to mediation administered by the American Arbitration Association ("AAA") in accordance with the provisions of its commercial mediation rules. The onus is on the aggrieved party to initiate each next step in this dispute resolution procedure as provided below.

a. Tiebreaker Provision. If the disputing parties are unable or unwilling to attempt a negotiated agreement on their own within thirty (30) days of Notice of the Dispute, they shall appoint a mutually acceptable neutral party who shall be either an attorney or CPA licensed in Wyoming, familiar with the Securities Act, the WLLCA, and Regulation Crowdfunding offerings, to review the facts surrounding the Dispute and offer a nonbinding tiebreaking vote and/or proposed resolution. All costs and fees for such informal resolution shall be split equally between the parties to the dispute.

Section 10.4 General Provisions for Alternative Dispute Resolution

On failure of negotiation and mediation, as a last resort, binding arbitration shall be used to ultimately settle the Dispute. The following provisions shall apply to any subsequent mediation or arbitration.

a. Preliminary Relief. Any party to the Dispute may seek preliminary relief at any time after negotiation described above has failed, but prior to arbitration, under the “Optional Rules for Emergency Measures of Protection of the AAA Commercial Arbitration Rules and Mediation Procedures.” The AAA case manager may appoint an arbitrator who will hear only the preliminary relief issues without going through the arbitrator selection process described in this Article.

b. Consolidation. Identical or sufficiently similar Disputes presented by more than one Member may, at the option of the Manager, be consolidated into a single negotiation, mediation, and/or arbitration.

c. Location of Mediation or Arbitration. Any mediation or arbitration shall be conducted in the venue set forth in Section 10.8, and each party to such mediation or arbitration must attend in person.

d. Attorney Fees and Costs. Each party shall bear its own costs and expenses (including its own attorneys’ fees) and an equal share of the mediator or arbitrators’ fees and any administrative fees, regardless of the outcome.

e. Maximum Award. The maximum amount a party may seek during mediation or be awarded by an arbitrator is the amount equal to the party’s Capital Contributions and any Distributable Cash or interest to which the party may be entitled. An arbitrator will have no authority to award punitive or other damages.

f. AAA Commercial Mediation or Arbitration Rules. Any Dispute submitted for mediation or arbitration shall be subject to the AAA’s commercial mediation or arbitration rules. If there is a conflict between these rules and this Article, this Article shall be controlling.

Section 10.5 Mediation

Any Dispute that cannot be settled through negotiation as described in this Article may proceed to mediation. The parties shall try in good faith to settle the Dispute by mediation, which each of the parties to the Dispute must attend in person, before resorting to arbitration. If, after no less than three (3) face-to-face mediation sessions, mediation proves unsuccessful at resolving the Dispute, the parties may then, and only then, resort to binding arbitration as described in Section 10.6.

If the initial mediation(s) does not completely resolve the Dispute, any party may request, for good cause (which shall be specified in writing) a different mediator for subsequent mediation(s) by serving Notice of the request on the other parties for approval. If good cause exists, such request shall not be unreasonably denied.

a. Selection of Mediator. The complaining party shall submit a request for mediation to the AAA. The AAA will appoint a qualified mediator to serve on the case. The parties will be provided with a biographical sketch of the mediator. The parties are instructed to review the sketch closely and advise the AAA of any objections they may have to the appointment in writing within five (5) days of receipt. If no objections are received within this timeframe, the mediator shall be deemed acceptable and mediation scheduled as soon as possible thereafter.

The preferred mediator shall have specialized knowledge of securities law, unless the dispute pertains to financial accounting issues, in which case the arbitrator shall be a certified public accountant, or if no such Person is available, shall be generally familiar with the subject matter involved in the Dispute. If the parties are unable to agree on the mediator within thirty (30) days of the request for mediation, the AAA case manager will make an appointment.

Section 10.6 Arbitration

Any Dispute that remains unresolved after good faith negotiation and three (3) failed mediation sessions shall be settled by binding arbitration. Judgment on the award rendered by the arbitrator(s) may be entered in any court of competent jurisdiction.

a. Selection of Arbitrator. Prior to arbitration, the complaining party shall cause the appointment of an AAA case manager by filing of a claim with the AAA along with the appropriate filing fee and serving it on the defending party. The AAA case manager shall provide each party with a list of proposed arbitrators who meet the qualifications described below, or if no such Person is available, are generally familiar with the subject matter involved in the Dispute. Each side will be given a number of days to strike any unacceptable names, number the remaining names in order of preference, and return the list to the AAA. The AAA case manager shall then invite Persons to serve from the names remaining on the list, in the designated order of mutual preference. Should this selection procedure fail for any reason, the AAA case manager shall appoint an arbitrator as provided in the applicable AAA Commercial Arbitration Rules.

b. Qualifications of Arbitrator. The selected arbitrator shall have specialized knowledge of securities law, unless the dispute pertains to financial accounting issues, in which case the arbitrator shall be a certified public accountant. Further, the selected arbitrator must agree to sign a certification stating that he/she has read this Agreement and all of the documents relevant to this Agreement in their entirety.

c. Limited Discovery. Discovery shall be limited to only this Agreement and those documents pertaining to this Agreement, any written correspondence between the parties, and any other documents specifically requested by the arbitrator as necessary to facilitate his or her understanding of the Dispute. The parties may produce witnesses for live testimony at the arbitration hearing at their own expense. A list of all such witnesses and complete copies of any documents to be submitted to the arbitrator shall be served on the arbitrator and all other parties within forty-five (45) days of the arbitration hearing, at the submitting party's expense.

Section 10.7 Maintenance of the Status Quo

Unless preliminary relief has been sought and granted pursuant to Section 10.4(a) above, while a Dispute is pending, the Manager shall continue all operations and distributions of Distributable Cash in accordance with the provisions set forth in this Agreement as if the Dispute had not arisen, except that, a complaining Member's distributions shall be suspended and held in trust by the Manager pending the outcome of the Dispute.

Section 10.8 Venue

Except for cause of action under the Securities Act of 1933, the Securities Exchange Act of 1934, or the Investment Advisors Act of 1940, as they may be amended from time to time and including the rules promulgated thereunder, venue for any Dispute arising under this Agreement or any Disputes among any Members or the Company shall be in the county of the principal office of the Company.

Article 11. Transfers and Member Admissions

Section 11.1 Assignee Interest Transferred

The transferee of a Unit will be an Assignee until such time as the Assignee satisfies the requirements of Section 11.5 to become a Member. Until such time as an Assignee is admitted as a Member, such Assignee shall have only those rights set forth in Section 11.2 of this Agreement.

An Assignee must execute, acknowledge, and deliver to the Company a written acceptance and adoption of this Agreement by the Assignee and execute, acknowledge, and deliver to the Manager a power of attorney in the form or containing the provision of authority provided in Exhibit A.

Section 11.2 Rights of an Assignee

If an Assignee is not admitted as a Member because of the failure to satisfy the requirements of Section 11.5, such Assignee shall nevertheless be entitled to receive such distributions from the Company as the transferring Member would have been entitled to receive under this Agreement had the transferring Member retained such Units.

Assignees shall have no other rights of the Members, including voting rights and access to Company records and information. Members have legal and economic rights, while Assignees only have the right to receive economic benefits.

Section 11.3 Assignee to Assume Tax Liability

The Assignee of a Unit, as well as any Person who acquires a charging order against a Unit, shall report income, gains, Losses, deductions, and credits with respect to such Unit for the period in which the Assignee interest is held or for the period the charging order is outstanding. The Manager shall deliver to the Assignee or the holder of such charging order, as the case may be, all tax forms required to be delivered to the Members generally indicating that the income from such Unit has been allocated to the holder of the Assignee interest or the holder of the charging order.

Section 11.4 Admission of Members

The Company may, from time to time, admit Assignees of Units from Members as Additional Members, with consent from the Manager.

Section 11.5 Admission Procedure

No Person shall be admitted as a Member unless such Person executes, acknowledges, and delivers to the Company such instruments as the Manager may deem necessary or advisable to effect the admission of such Person as an Additional Member, including, without limitation, the written acceptance and adoption by such Person of the provisions of this Agreement, the power of attorney in the form or containing the provision of authority provided in Exhibit A, pertinent tax information, as well as any amendments to this Agreement and attorneys' fees and costs necessitated by the admission of such Additional Member. Exhibit B will be revised, from time to time, to reflect the admission of any Additional Member.

Section 11.6 Restrictions on Transfer

Units, or any interest thereof, may not be the subject of any assignment, pledge, mortgage, hypothecation, gift, sale, resale, or other disposition or encumbrance (collectively, a "Transfer"), either to a prospective Assignee or prospective Member, unless at least one year has passed since the date on which the original Units were issued, or the Units are subsequently registered under the Securities Act of 1933 and appropriate state securities laws.

Further, no Transfers may be approved, Assignee rights granted, and/or Additional Members admitted unless the Transfer: (a) is approved by the Manager, which approval may be granted or withheld in its sole discretion and subject to such conditions as it may impose; (b) is evidenced by a written agreement, in form and substance satisfactory to the Manager, that is executed by the transferor, the transferee(s), and the

Manager; (c) will not result in violation of the registration requirements of the Securities Act; (d) will not require the Company to register as an investment company under the Investment Company Act of 1940, as amended; (e) will not cause 25% or more of the Company to be held by “benefits plan investors” as that term is defined in the Employee Retirement Income Security Act of 1974 or any regulations proposed or promulgated thereunder; and (f) will not result in the Company being classified for United States federal income tax purposes as an association taxable as a corporation.

Unless the Crowdfunding Issuer or an Affiliate agrees in writing to pay these expenses; the transferor of any Units is required to reimburse the Company for any expenses reasonably incurred in connection with a Transfer, including any legal, accounting, and other expenses, **regardless of whether such Transfer is consummated.**

The transferee of any Units in the Company that is admitted to the Company as a substitute Member shall succeed to the rights and liabilities of the transferor Member, and, after the effective date of such admission, the Capital Account of the transferor shall become the Capital Account of the transferee to the extent of the Units transferred.

Section 11.7 Non-Recognition of an Unauthorized Transfer or Assignment

Any attempted Transfer in violation of the provisions of this Agreement is void *ab initio*. The Company shall not be required to recognize the purported interest in the Company of any transferee or Assignee who has obtained such purported interest in the Units as a result of a Transfer that is not authorized by this Agreement. If the Transfer is in doubt, or if there is reasonable doubt as to who is entitled to a distribution of the income realized from a Unit or the interest of an Assignee, the Company may accumulate the income until this issue is finally determined and resolved. Accumulated income shall be credited to the Capital Account of the Member or Assignee whose interest is in question.

Section 11.8 Permitted Transfers

Prior to the expiration of the one-year restriction on resale, a Member may only Transfer its Units to:

- a. To the Company or the Crowdfunding Issuer;
- b. To an Accredited Investor, as that term is defined by Rule 501(a) of Regulation D (17 CFR § 230.501(a)), as may be amended from time to time (the seller and the Company must reasonably believe that this person comes within any of such categories at the time of the sale of the securities);
- c. To a member of the Member’s Immediate Family of the purchaser, to a trust controlled by the purchaser, to a trust created for the benefit of a member of the Immediate Family of the purchaser; or
- d. In connection with the death or divorce of the purchaser, providing the terms of Section 11.9 are followed.

Such transfers will be permitted only so long as the proposed Transfer does not: (a) cause the Company to terminate for federal income tax purposes; (b) result in any event of default as to any secured or unsecured obligation of the Company; (c) result in a violation of the Securities Act; (d) cause a reassessment of any Company Assets; (e) will not cause 25% or more of the Company to be held by “benefits plan investors” as that term is defined in the Employee Retirement Income Security Act of 1974 or any regulations proposed or promulgated thereunder or (f) cause any other material, adverse effect to the Company.

Section 11.9 Involuntary Transfers

Upon the death, disability, bankruptcy, insolvency, liquidation, or dissolution of a Member, the rights and obligations of that Member under this Agreement shall inure to the benefit of, and shall be binding upon, that Member's successor(s), estate, or legal representative, and each such Person shall be treated as an Assignee until and unless such Person is admitted as a Member pursuant to the Agreement.

Upon the death or incapacity of an individual Member or holder of an Assignee interest, the personal representative of the individual Member or holder of such interest shall have the same rights, with respect to the Unit holder or Assignee's interest, as those held by the deceased or incapacitated person, for the purpose of settling or managing the Member's or holder's estate or affairs.

Upon any Transfer pursuant to any decree of divorce, dissolution, or separate maintenance, any property settlement, any separation agreement, or any other agreement with a spouse (excluding a permitted Transfer to Immediate Family as set forth in Section 11.8) under which any Units are awarded to the spouse of the Member, such transferee spouse shall be treated as an Assignee until and unless such Person is admitted as a Member pursuant to the Agreement.

An Assignee of any Transfer under this Section shall be bound by all of the terms and conditions of this Agreement.

Article 12. Dissolution and Termination

Section 12.1 Events of Dissolution

The Company shall be dissolved upon the occurrence of any of the following events:

- a. The written consent of the Manager, in the sole discretion, to dissolve the Company and distribute all its assets to the Members;
- b. The withdrawal of the Manager unless (i) the Company has at least one other Manager, or (ii) within ninety (90) days after the withdrawal, a Required Interest votes to continue the business of the Company and to appoint, effective as of the date of withdrawal, one or more additional Managers;
- c. The withdrawal of all the Members, unless the Company is continued in accordance with the WLLCA;
- d. The Company is to be dissolved upon the entry of a decree of judicial dissolution by a court of competent jurisdiction.

Section 12.2 Effective Date of Dissolution

Absent an election to continue the Company as provided in this Article, dissolution of the Company shall be effective on the date on which the event occurs giving rise to the dissolution, but the Company shall not be wound up until cancellation of the Company's Articles Of Organization and all remaining Company Assets have been distributed, as provided in this Agreement.

Section 12.3 Operation of the Company after Dissolution

During the period in which the Company is winding up, the business of the Company and the affairs of the Members shall continue to be governed by this Agreement.

Section 12.4 Distribution or Liquidation of Company Assets

Upon dissolution of the Company, the Manager or, in the absence of a Manager, a liquidator appointed by a Required Interest, may either (1) engage in the in-kind distribution of all Class B Common Stock of Musaffa, Inc. and other assets held by the Company to its Members, provided that the Crowdfunding Issuer or an Affiliate agree to pay all expenses and liabilities which may be associated with dissolution of the Company, or (2) liquidate remaining Company Assets, apply and distribute the proceeds derived from the liquidation of the remaining Company Assets as contemplated by this Agreement.

Subject to the approval of the Manager, a Member or group of Members may designate a different entity to receive any in-kind distribution, or designate an alternative distribution procedure (provided such alternative distribution procedure does not prejudice any of the other Members who do not consent to such procedure in writing).

a. Payment of Company Creditors and Provision for Reserves. The proceeds derived from the liquidation of Company Assets shall first be applied toward or paid to any creditor of the Company who is not a Member. The order of priority of payment to any creditor shall be as required by applicable law. After payment of liabilities owing to creditors, excluding the Members, the Manager or liquidator shall set up such reserves as are deemed reasonably necessary for any contingent or unforeseen liabilities or obligations of the Company.

b. Ability to Create an Escrow Account. Any reserves for contingent liabilities may, but need not, be paid over by the Manager or liquidator to a bank to be held in escrow for the purpose of paying any such contingent or unforeseen liabilities or obligations. Following the expiration of such period as the Manager or liquidator may deem advisable, such remaining reserves shall be distributed to the Members or their assigns in the order of priority set forth in the provisions of this Agreement relating to distributions to the Members.

c. Distribution of Company Assets after the Payment of Liabilities and Establishment of Reserves. After paying liabilities and providing for reserves, the Manager or liquidator shall satisfy any debts owed to the Members with the remaining net assets of the Company, if any, and then distribute any remaining assets to the Members, as set forth in Section 4.1.

d. Non-Cash Assets. Distributions during the winding up period may be made in cash or in kind or partly in cash and partly in kind. The Manager or the liquidator shall use its best judgment as to the most advantageous time for the Company to sell Securities or to make distributions in kind.

e. If any assets of the Company are to be distributed in kind, such assets shall be distributed on the basis of their fair market value at the date of distribution, as determined by the Manager or liquidator. Each Security so distributed shall be subject to reasonable conditions and restrictions necessary or advisable, as determined in the reasonable discretion of the Manager or the liquidator, in order to preserve the value of such Security or for legal reasons.

Section 12.5 Company Assets Sole Source

The Members shall look solely to Company Assets for the payment of any debts or liabilities owed by the Company to the Members and for the return of their Capital Contributions and liquidation amounts. If Company Assets remaining after the payment or discharge of all of its debts and liabilities to Persons other than the Members is insufficient to return the Members' Capital Contributions, the Members shall have no recourse against the Company, the Manager, or any other Members, except to the extent that such other Members may have outstanding debts or obligations owing to the Company.

Section 12.6 Sale of Company Assets during Term of the Company

The sale of Company Assets during the term of the Company shall not be considered a liquidation of the Company and therefore is not a dissolution and termination as defined under this Article.

Article 13. Indemnification

Section 13.1 General Indemnification

The Manager, its Affiliates, and their respective officers, directors, agents, partners, members, managers, employees, and any Person the Manager designates as an indemnified Person (each, an “Indemnified Party”) shall, to the fullest extent permitted by law, be indemnified on an after-tax basis out of Company Assets (and the Manager shall be entitled to grant indemnities on behalf of the Company, and to make payments out of the Company, to any Indemnified Party in each case in accordance with this Section) against any and all losses, claims, damages, liabilities, costs and expenses (including legal fees and expenses), judgments, fines, penalties, interest, settlements, and other amounts (collectively, “Liabilities”) arising from any and all claims, demands, actions, suits, and proceedings, whether civil, criminal, administrative, or investigative, in which any Indemnified Party is or may be involved, or is threatened to be involved, as a party or otherwise, in connection with the investments and activities of the Company or by reason of such Person being a Manager, or agent of a Manager, of the Company. Any such Indemnification payments will be reimbursed to the Company by the Crowdfunding Issuer or its Affiliates.

However, no such Indemnified Party shall be so indemnified, with respect to any matter for which indemnification is sought, to the extent that a court of competent jurisdiction determines pursuant to a final and non-appealable judgment that, in respect of such matter, the Indemnified Party had (a) acted in bad faith or in the reasonable belief that the party’s action was opposed to the best interests of the Company or constituted gross negligence or willful misconduct or breach of such party’s fiduciary duty to the Company, if any, or (b) with respect to any criminal action or proceeding, had cause to believe beyond any reasonable doubt the party’s conduct was criminal. An Indemnified Party shall not be denied indemnification in whole or in part under this Section because the Indemnified Party had an interest in the transaction with respect to which indemnification applies if the transaction was otherwise permitted by the terms of this Agreement.

Section 13.2 Tax Liability Indemnification

Each Member or Assignee, as applicable, shall indemnify and hold harmless the Indemnified Parties from and against any and all Liabilities arising from any underpayment in such Member’s/Assignee’s taxes on any amounts distributed by the Company to such Member/Assignee that results in one or more “imputed underpayments” as such term is defined by the IRS, even if such imputed underpayment is determined after the date the respective Member/Assignee is no longer a Member/Assignee of the Company. This indemnification shall specifically be effective and enforceable even after a Member/Assignee is no longer a Member/Assignee if such former Member/Assignee was a Member/Assignee in the Reviewed Year.

Section 13.3 Indemnity for Misrepresentation of a Prospective Member

Each Member shall indemnify and hold harmless the Manager and other Indemnified Parties from and against any and all Liabilities of whatsoever nature to or from any Person arising from or in any way connected with that Member’s misrepresentation(s) that it met the “suitability standards” established by the Manager for membership in the Company.

Section 13.4 Advancement of Indemnification Funds

To the fullest extent permitted by law, amounts in respect of Liabilities incurred by an Indemnified Party in defending any claim, demand, action, suit, or proceeding, whether civil, criminal, administrative, or investigative, shall from time to time be advanced by the Company prior to a determination that the Indemnified Party is not entitled to be indemnified upon receipt by the Company of an undertaking by or on behalf of the Indemnified Party to repay such amount if it shall be determined that the Indemnified Party is not entitled to be indemnified as set forth in Section 13.1.

Section 13.5 No Impairment of Indemnification

No amendment, modification, or repeal of this Article or any other provision of this Agreement shall in any manner terminate, reduce, or impair the right of any past Indemnified Party to be indemnified by the Company or the obligations of the Company to indemnify any such Indemnified Party under and in accordance with the provisions of this Agreement as in effect immediately prior to such amendment, modification, or repeal with respect to any claim, demand, action, suit, or proceeding, whether civil, criminal, administrative, or investigative, arising from or relating to matters occurring, in whole or in part, prior to such amendment, modification, or repeal, regardless of when such claim, demand, action, suit, or proceeding may arise or be asserted.

Section 13.6 Exculpation of Actions in Good Faith

Neither the Manager nor its Affiliates shall be liable to the Company or any Member for any loss which arises out of any action or omission of such party if (a) such party determined, in good faith, that such course of conduct was in, or was not opposed to, the best interest of the Company and, with respect to any criminal action or proceeding, had no reasonable cause to believe such party's conduct was unlawful, and (b) such course of conduct did not constitute a breach of such party's fiduciary duty (if any) to the Company or gross negligence or willful misconduct of such party.

Section 13.7 No Termination of Indemnification Rights

The provisions of this Article shall survive the dissolution of the Company.

Article 14. General Matters

Section 14.1 Successors and Assigns

Subject to the restrictions on Transfer provided in this Agreement, this Agreement, and each and every provision of it, shall be binding upon and shall inure to the benefits of the Members, their respective successors, successors-in-title, personal representatives, heirs, Assignees, and other assigns.

Section 14.2 Power of Attorney

Each Member, by the execution of this Agreement, does hereby irrevocably constitute and appoint the Manager as such Member's true and lawful agents and attorneys-in-fact, with full power and authority in the Member's name, place, and stead, to make, execute, sign, acknowledge, swear to, deliver, file, and record such documents as may be necessary or appropriate to do, or cause to be done, the actions set forth in Exhibit A.

Section 14.3 Amendment

Provided that in each of the following instances, the Manager reasonably determines that such amendment will not subject any Member to any material, adverse economic consequences, the Manager, without the consent of the Members, may amend any provision of this Agreement or the Articles of Organization, and may execute, swear to, acknowledge, deliver, file, and record such documents as may be required in connection therewith, to:

- a. cause this Agreement or the Articles of Organization to comply with the requirements for Crowdfunding Vehicles as set forth in the Investment Company Act Rule 3a-9 (17 CFR § 270.3a-9), as it may be amended from time to time;
- b. change the name of the Company or the location of its principal office;
- c. add to the duties or obligations of the Manager;
- d. cure any ambiguity or correct or supplement any inconsistency in this Agreement;
- e. reduce or eliminate the tax burdens imposed on the Members (including, but not limited to, revising the terms or manner of distributions and liquidations);
- f. correct any printing, typographical, or clerical errors or omissions in order that the Agreement shall accurately reflect the agreement among the Members;
- g. reflect information regarding the admission of any Additional Member or substitute Member.

Any amendments not similar to the foregoing or as otherwise permitted by the power of attorney as set forth in Exhibit A shall require the written consent or vote of the Members as set forth in Section 7.7.

Section 14.4 Partition

Each Member, its successors, and assigns hereby waives any rights to have any Company Asset partitioned, and, pursuant to such waiver, no Member, nor any successor or assign of any Member, shall have the right while this Agreement remains in effect to file a complaint or institute any proceeding at law to seek, or to otherwise demand, request, or require, the liquidation or dissolution of the Company, the return of capital or any specific Company Assets, or, in equity, to have Company Assets partitioned, and each Member, on its own behalf and that of its successors, representatives, heirs, and assigns, hereby waives any such right.

The Members intend that during the term of this Agreement, the rights of the Members and their successors-in-interest, as among themselves, shall be governed by the terms of this Agreement, and that the right of any Member or successors-in-interest to Transfer or otherwise dispose of its Membership Interest in the Company shall be subject to the limitations and restrictions of this Agreement.

Section 14.5 No Waiver

The failure of any Member to insist upon strict performance of any provision or obligation of this Agreement, irrespective of the length of time for which such failure continues, shall not be a waiver of such Member's right to demand strict compliance in the future. No consent or waiver, express or implied, to or of any breach or default in the performance of any obligations under this Agreement, shall constitute a consent or waiver to or of any other breach or default in the performance of the same or any other obligation.

Section 14.6 Construction and Miscellaneous

The following general matters shall apply to the provisions of this Agreement:

a. Construction. Unless the context requires otherwise, words denoting the singular may be construed as plural and words of the plural may be construed as denoting the singular. Words of one gender may be construed as denoting another gender or no gender as is appropriate within such context. The word “or” when used in a list may function as both a conjunction and a disjunction if the context permits.

b. Headings of Articles, Sections, and Subsections. The headings of Articles, Sections, and Subsections used within this Agreement are included solely for the convenience and reference of the reader. They shall have no significance in the interpretation or construction of this Agreement.

c. Notices. Any notice or communication to be given under the terms of this Agreement (“Notice”) shall be in writing and shall be personally delivered or sent by overnight delivery, certified United States mail, or email. Notice shall be effective: (a) if emailed or personally delivered, when delivered; (b) if by overnight delivery, the day after delivery thereof to a reputable overnight courier service, delivery charges prepaid; or (c) if mailed, at midnight on the third business day after deposit in the mail, postage prepaid. Notices to the Company shall be addressed to its address below and to Members at their address for correspondence as set forth in the subscription documents, each as amended from time to time by Notice of the transferring party. Additionally, the Manager may provide Notice to the Members via a Company-related online platform. The Manager does not permit Notice by email.

d. Applicable State Law. This Agreement shall be governed, construed, and enforced in accordance with the laws of Wyoming, without regard to its conflict of laws rules.

e. Execution; Duplicate Originals. This Agreement may be executed manually, electronically, or by facsimile transmission, and in multiple counterparts. Each counterpart shall be considered a duplicate original agreement and all such counterparts shall, taken together, be considered one Agreement.

f. Severability. If any provision of this Agreement is declared by a court of competent jurisdiction to be illegal, invalid, or unenforceable for any reason, such provision shall be fully severable and such illegality, invalidity, or unenforceability shall not affect the remaining provisions of this Agreement. Operating Agreement of Musaffa CFV LLC

The undersigned prospective Member executes this counterpart signature page and thereby joins in the Operating Agreement of Musaffa CFV LLC, a Wyoming limited liability company (the “Company”), dated November 13, 2023 (the “Agreement”), as may be amended from time to time, between and among Dilshod Jumaniyazov, the manager of the Company (the “Manager”), and the Persons acquiring Units (the “Members”) as described in the Agreement.

For purposes of reference, this document specifically incorporates the Agreement. Dilshod Jumaniyazov:

Assalam alaykum.

Musaffa is leading the way in halal and ethical investing by helping Muslims and value-driven investors grow their wealth in line with their principles.

Today, people are increasingly concerned about where they invest their money and how companies actually make their profits.

Musaffa solves this problem through a comprehensive screening system guided by Islamic law and ESG principles, ensuring investments are both halal and ethical.

The name “Musaffa” means purified, reflecting our mission to bring clarity, confidence, and trust to investing.

We raised nearly 1 million dollars from over 500 investors across 50 different countries, bringing out total funding to more than 4 million dollars.

We are trusted by over 490,000 members on the platform across 195 countries, and over \$88 million in linked assets.

Nusrat Ahmed:

We’ve all spent years learning about science, math, technology - but how often are we learning about how to make your *rizq* halal?

For so many of us, finance education and the markets is so complex and overwhelming and when we seek answers, we just don’t know where to start.

At Musaffa Academy, we’re changing that. We make Islamic finance education clear, actionable, and practical.

From courses on halal investing basics to building generational wealth, we’re giving you the toolkit on how to navigate the market with confidence.

The world of Islamic finance is growing and there’s a place in it for you and for me.

And Musaffa Academy is here to guide you every step of the way.

Tarif Laskar:

At Musaffa, we use a comprehensive screening process that combines shariah principles to ensure halal investments, as well as ethical standards and ESG to promote fairness and responsible investing.

This ensures that every investment aligns with both Islamic values and ethical practices.

Dilshod Jumaniyazov:

We've opened the opportunity for everyone to invest in Musaffa and become shareholders through our new equity crowdfunding campaign. Since our last round, Musaffa's valuation has increased, reflecting steady growth and significant achievements by our team.

We are raising 5 million dollars to scale our growth and expand Musaffa into emerging markets.

Join us in taking halal and ethical investing to the next level.

Together, we can make a positive impact on the world and grow wealth in a way that feels right.

Invest halal.

Invest in Musaffa.

Invest in a purer future.

What is Musaffa Solving?

Problems

- Lack of Education:** A shortage of education on Islamic Finance means it's difficult for Muslims to access and invest in Shariah-compliant options globally.
- Barriers to Halal Investing:** Of \$4Bn in halal global asset assets, only \$4Bn in Shariah-compliant assets, leaving a \$4Bn trillion market untapped. Over 400 million Muslims live across 100+ countries, but no investment platform and no halal education.
- Suboptimal Investment Options:** Muslims cannot invest in non-Shariah-compliant products like derivatives, bonds, and most stock/bonds, limiting their investment opportunities.
